PREAMBLE
This is the preamble to the following lessons in the Healing Deliverance Manual. It is meant to express my opinion without having to repeat it in every lesson.

Medical books separate disease and sickness into thirty-nine categories. It is not a coincidence that the number of stripes on Jesus' back was thirty-nine. It's THE BLOOD from the stripes that heals.

You have to take care of yourself. You are like a three-legged stool: spirit, soul and body. If you don't take care of anyone of these, the stool will fall down. You have to educate yourself and then apply what you have learned. You can not expect GOD to do it for you.

Your physical health is a function of nutrition, parasites and toxins - what goes into your body. We live in a very polluted world. For instance, cancer may be physical (poor nutrition, attacked by parasites or loaded with chemicals) or spiritual (demonic).

Normal Numbers
The average or normal person over the age of 65 in this country now uses 7 different medications per day - 4 prescribed and 3 over the counter. (One-third of these people will experience some adverse medication event that requires a hospital visit. 10 to 15% of all emergency room visits are related to medication reactions in seniors.)

For reasons I've never understood, most doctors don't seem to have a problem prescribing multiple medications. when questioned, they typically will say the drugs they recommend
are safe and have minimal, if any, side effects. Keep in mind, however that there has never been a controlled study on a human being involving more than 3 drugs circulating in the body at the same time. No one knows, or can accurately predict, what's going to happen when you take multiple drugs at the same time. The number of potential side effects becomes impossible to calculate.

Two-thirds of the U.S. population is either overweight or obese right now. An estimated 42% of the entire population will be obese by 2030. (In 2010, 35.9% of adults were obese and another 33.3% were overweight. And 6.6% of the population was severely obese, meaning they were 100 pounds or more overweight.)

Over 8% of the population has diabetes, and another 25% has pre-diabetes. that's roughly one out of every 3 adults that either has diabetes or pre-diabetes. Half of Americans ages 65 and older have pre-diabetes. From 1935 to 1966, the prevalence of diagnosed type 2 diabetes in this country climbed nearly 765%. The trend accelerated tremendously in about 1960, when corn syrup was added to the food supply.

One out of 3 adults has high blood pressure. Another 1/3 of the population has pre-hypertension - blood pressure numbers that are higher than normal but not yet in the high blood pressure range. So, 2/3 of the entire population has either high blood pressure or pre-hypertension.

Over 1/3 of Americans in their mid-50's and older have chronic pain in their neck or back, and almost that many have chronic knee or leg pain.

Over 1/3, or in excess of 90 million people in the Unite States, have digestive disorders.

An estimated 26.2% of Americans ages 18 and older (one out of every 4 adults) suffer from a diagnosable mental health disorder. Almost 10% of the population reportedly suffers from depression.

Approximately 48% of adults report suffering from insomnia each year. And for 25% of the population, it is a chronic problem.

More than 125 million people (over 1/3 of the entire population have at least one chronic condition like diabetes, cancer, glaucoma, or heart disease, and half as many more have more than one chronic disease.

Alternatives For A Changing World
Medical technology is focused on treating problems, not on preventing them. Although the pharmaceutical business is corrupt, it seems to have full support up to the highest levels of our government. Our own government agencies that were formed to help protect the public's interest and be the watchdogs over the drug companies have literally sold out to the pharmaceutical industry. Our available food supply becomes more contaminated and modified each and every year.
DANGER

D.E.A.T.H. - Deteriorative Environmentally Accelerating Threats To Health. The world we live in is killing us. The air we breathe, the food we eat, the water we drink and the clothes we wear contribute to the vast array of toxic exposure:

1. Car exhaust fumes, chemtrails, carcinogenic carpet foam, synthetic carpeting and overstuffed furniture, plywood, cleaning agents, plastics, artificial light, electrical current, radiation, weakened magnetic field, toxic chemicals, environmental pollutants.
2. Parasites, antibiotic-resistant bacteria, overburden of bacteria, genetically-modified viruses, viruses, fungus.
3. Genetically engineered food, growth hormones, food coloring and additives, preservatives.
4. Pesticides, herbicides, insecticides.
5. Pharmaceuticals and drugs: legal and illegal.
6. Most medical studies are wrong: bought and paid for or so slanted that it is meaningless. Brought about by special interests, money, fame, and power is enormous in the research world. There is too much money, greed, power, fame, special interest and notoriety to keep medical science honest. The medical golden rule - do not take any new drug until it has been in use for at least seven years.

CHRONIC ILLNESS AND DISEASE

Preface

The pain of watching a family member lose strength, hope, and health is almost more than one can handle, when deep down we believe that there must be answers out there. We put so much hope into the drugs of modern medicine, but how often do they go beyond management of symptoms, and actually restore health?

The truth is, for most diseases and chronic illnesses, modern medicine can do little beyond symptom management for those who suffer. Drugs may suppress the symptoms but do little to solve the cause of the problem.

Researchers confirm that in the last two decades the strength of the average person's immune system has decreased by 20-25% and continues to decline at 3-5% per year. The reason is two fold. The first reason is stress on our bodies caused by the toxins in our environment. Experts tell us that there are now more toxins inside the average home than there are outside. The second reason is that our modern diet lacks vital nutrients required for optimal health. Our over-worked soils are depleted of essential nutrients. We harvest our crops before they ripen naturally (green harvesting), process our foods, and make poor choices in our diet selection. Our environment is more toxic than ever and our bodies are ill-equipped for health and healing.

Healthcare professionals tell us that all we need for optimal health are vitamins and minerals, proteins, fats and oils. If these elements were the complete answer, then why are the incidents of cancers, diabetes, heart disease, allergies, asthma, fibromyalgia, arthritis, chronic fatigue syndrome, Attention Deficit Disorder, and many other diseases increasing at an alarming rate? Is there a common denominator? Could something be missing; exposure to stress, toxins, pharmaceutical drugs and poor nutrition?
Skyrocketing
Chronic illness and disease are skyrocketing. It's no wonder when an estimated seven billion pounds of toxins and chemical agents are added to the water we drink, the food we eat and the air we breathe each year. The modern diet is full of junk food, processed foods and high levels of preservatives and additives. For many, stress is at an all time high and our bodies are beginning to break down!

Alarming Facts
1 out of 2 people will die of a heart attack. 1 out of 3 people will get cancer. 1 out of 2 people will get an autoimmune disease. 3 out of 4 people will get a degenerative disease.

Heart disease is the #1 killer of women. Two-thirds of women who have heart attacks never fully recover. When you have a heart attack, your risk of having another one increases. The top six health risks for women: heart disease, cancer, stroke, chronic obstructive pulmonary disease, Alzheimer's Disease and then diabetes.

It is clear that the feeling ill, take a pill approach is not working! The typical medical response for chronic illness and disease is to use pharmaceuticals for treatment. Families around the world are getting fed up. People are sick and tired of being sick and tired.

Families are beginning to ask questions like, Why are our family members getting sick in the first place? How can we protect our family from disease? If a family member is diagnosed with a disease, how can the cause of the problem be addressed and not the symptoms?

Since drugs have lots of side effects, what are the safe alternatives to the traditional pharmaceutical approach to restore health in the body? Does the traditional allopathic healthcare system have the answer for chronic illness and disease? Not likely. In fact, the healthcare system harms and kills millions of people a year.

Alarming Statistics
1. More than 196,000 people die and 2.2 million are injured each year by adverse reactions to prescription drugs. The use of prescription drugs is the third leading cause of death in the USA.
2. The annual death toll from hospitalization and out patient care exceeds 424,000 per year.
3. Retail prescription drug sales are rising at well over 18% from previous years.
4. The highest increase of drug consumption is in the age group of children two to five years old.

We have become an over-medicated society. This is bad news for us, but great news for the pharmaceutical companies. It seems most pharmaceutical companies are aggressively looking to increase profits by creating new long-term treatments - not looking for cures.
In 2002, the combined profits of the ten drug companies in the Fortune 500 were 35.9 billion. That's more than the profits for all the other 490 businesses put together.

You can no longer put the responsibility of your health in the hands of your doctors (and their pharmaceutical partners), insurance companies or the government. You must be proactive and take responsibility for your own health and the health of your family. You must not be complacent.

Don't be mistaken that good health is present when there is an absence of pain or symptoms. Symptoms are the last and final state of a breakdown that has been in process for years or even decades. Just because you don't fell bad, doesn't mean that you are disease-free. Cancer for example, takes between five to thirty years to develop. You won't even be aware that it is spreading. By the time it is diagnosed, it will have already run 90-95% of its course and you are left fighting for your life.

Astronomical Rates
In the past twenty years alone, diabetes has risen by 500% and allergies by 800%. Heart disease, cancer and other ailments also have risen by astronomical rates.

PROCEDURE
I believe that we should do the following when we need healing or deliverance from diseases:
1. First, we should seek GOD for deliverance and healing. This means applying the principles of casting out demons and anointing with oil for healing.
2. Second, we should fast and pray to the LORD for our deliverance and healing. We should allow time for GOD to answer us. This may not be a short period of time.
3. Third, if GOD does not heal or deliver us from the infirmity, seek the medical profession for curative medicines or even operations.
4. Fourth, have someone take us through deliverance (or do self deliverance) for any spiritual effects of taking pharmaceuticals or of the cutting of the flesh. Break and return evil curses that may have been put upon you.

The process above only apples to Christians. If you are not a Christian, then you need to get saved by JESUS CHRIST. If you choose not to get saved, then your only choice is to use the medical profession.

I have seen GOD heal and deliver many people. I have seen Christians who have been healed and/or delivered of some ailments, and who also have used doctors for other ailments. It depends on each circumstance. If you have to use doctors, do not think you are a second-class Christian.

The Healing Deliverance Manual is oriented to being healed through the casting out of demons primarily and anointing with oil to pray the prayer of faith secondarily. You may be healed through deliverance, or the prayer of faith, or some combination of both. GOD told me to first take someone through deliverance and secondly pray for them to be healed. And as ye go, preach, saying, the kingdom of heaven is at hand. Heal the sick,
cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give. (Matt. 10:7-8). This is my motto.

I can not tell you not to use the medical profession. Nor can I tell you to ignore GOD and THE HOLY BIBLE. You have a free will given by GOD to make your choice of how you will live your life. Seek THE HOLY SPIRIT as to what you should do.

GOD does not condemn us; Satan does. GOD convicts us. I do not want to bring you into bondage of condemnation, fear, guilt, intimidation, or any other disturbing emotion for using the medical profession. For many years my family walked in divine health but we have had to use the medical profession.

I do believe that the medicine should be curative and bring healing to your body. This means obtaining a physician that provides a curative medicine that makes you well. Proper medication is part of the healing process.

In addition to the lessons in the Healing Deliverance Manual, I would recommend studying healing in THE BIBLE. A good list of healing scriptures is found in the lesson, Body Cured And Healed By Deliverance. Many times GOD heals through the anointing with oil, and praying the prayer of faith. Study the Scriptures to see how healing is accomplished.

The best discussion of some spiritual aspects of using the medical profession are explained in Insights Into Pharmakeia And Sorcery by Henry W. Wright, Pleasant Valley Publications, Thomaston, Georgia. I also highly recommend his other books. He takes the approach of healing primarily and deliverance secondarily. He has discovered many spiritual roots of disease (sins).

A good example is cancer. I have cast out spirits of cancer and knew they were in the person because they manifested as their names were called out. I can not say that all cancer is a spirit (demon). But, it is worthwhile to try the spirits in deliverance to see if they are within a person who has cancer, or any other disease, and then pray for healing. We are constantly learning and will never have full knowledge until we get to Heaven.

We can not coerce or force GOD to heal us. We must humble ourselves before GOD. However, we do have the power to drive out demons. First, the legal right before GOD must be taken away before the demon can be driven out. This includes forgiveness, repentance and renunciation as is appropriate for the sin.

JESUS CHRIST choose Luke to be an apostle, one of the twelve disciples. He was a physician and GOD did not reject him because of his profession.

There are many Christians who do not believe that GOD will heal them in this life. Their only choice is to use the medical profession.
SUMMARY
If you need healing, become a Christian, go through deliverance, pray for healing, and wait on GOD. If necessary, then go to the medical profession and finally go through deliverance.

EARLINE MOODY, MY WIFE

This is the testimony about what happened to my wife when she cut the tip end off her finger. She lost her joy in THE LORD. Pastor Win Worley was in my home after it happened and took Earline through deliverance.

The doctor sewed her finger into her palm to cut out a new tip. When I found out that spirits can come into a person when they have an operation, I prayed continuously when Earline was in the operation room to cut her finger out of her palm. When we got her home, I discovered that my prayers didn't work and I had to take her through deliverance again.

OTHER PEOPLE

I have ministered to other people over a period of about twenty years that have had operations. The ministry was for the operation and for the drugs taken. When you are under anesthesia, your spiritual armor is not intact and spirits can attack the body. It is similar to a person getting drunk, falling down on the floor and spirits coming into the body.

Spirits can come in with the drugs that are taken especially when the person becomes addicted to them. They answer to the names of the drugs. A demon told Pastor Win Worley that the demons love medicines.
Everyone needs deliverance that has had an operation under the influence of anesthesia.

Why minister in witchcraft? Many Christians are attacked by witchcraft. It is good to cover this area just in case that is the situation.

**PREAMBLE TO HEALING DELIVERANCE MANUAL**

**Procedure**

*I believe that we should do the following when we need healing or deliverance from diseases:*

**First,** we should seek GOD for deliverance and healing. This means applying the principles of casting out demons and anointing with oil for healing.

**Second,** we should fast and pray to the LORD for our deliverance and healing. We should allow time for GOD to answer us. This may not be a short period of time.

**Third,** if GOD does not heal or deliver us from the infirmity, seek the medical profession for curative medicines or even operations.

**Fourth,** have someone take us through deliverance (or do self deliverance) for any spiritual effects of taking pharmaceuticals or of the cutting of the flesh. Break and return evil curses that may have been put upon you.

The **Healing Deliverance Manual** is oriented to being healed through the casting out of demons primarily and anointing with oil to pray the prayer of faith secondarily. You may be healed through deliverance, or the prayer of faith, or some combination of both. GOD told me to first take someone through deliverance and secondly pray for them to be healed. *And as ye go, preach, saying, the kingdom of heaven is at hand. Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give.* (Matt. 10:7-8). This is my motto.

**Summary**

If you need healing, become a Christian, go through deliverance, pray for healing, and wait on GOD. If necessary, then go to the medical profession and finally go through deliverance.

**OVERALL: PRAYER - COMMAND - WARFARE**

*Overall Prayer*

Almighty God, please forgive us for omission - commission, known - unknown, deliberate - inadvertent sins by the blood of Jesus Christ. We forgive our enemies, pray for their salvation, and break curses placed on us. We thank God for power and authority over the enemy: satan and his kingdom. We are strong in the Lord, and the power of his might. We cover us with the blood of Jesus Christ. We make a blood covenant with the father, the son, the holy spirit. We ask God to send our guardian angels, and an army of angels for warfare. Where God uses all and shall in the bible, we agree and declare in our lives. We use overall prayer as a preface for other prayers. We pray the holy bible, and ask in the name of Jesus Christ: Lord - master - savior. Amen! So be it!
**Overall Command**

We wrestle-bind-loose-command the kingdom of evil, the power of the enemy, principalities, powers, rulers of darkness of this world, spiritual wickedness in high places.

We use the power of God given to believers. We take authority over the kingdom of evil. We bind, subdue satan's empire. We enter into spiritual warfare, assault the kingdom of darkness. We bind the forces of evil; destroy the kingdom of evil. We send armies of warring angels to attack. We use every verse in the holy bible that wars against the demonic forces. We use overall command as a preface for other commands.

**Overall Warfare**

CONCERNING THE WORK OF MY HANDS COMMAND YE ME. WE EXERCISE AUTHORITY OVER THE WORK OF GOD'S HANDS. WE BIND AND LOOSE ON EARTH WHAT IS BOUND AND LOOSED IN HEAVEN.

We command the devil's forces to destroy each other. By the blood of Jesus Christ, we take dominion over satan. We put on the whole armour of God. We close doorways to demons. We come against the kingdom of evil. We use the word of God, written and spoken, against the forces of evil. We are the army of the Lord. We exercise dominion over nations and kingdoms. We use our tactics and weapons of war against the enemy. We return curses and weapons formed against us. We use overall warfare as a preface for other warfare.

**PRAYERS**

**Prayer To Establish Basis For Warfare**

I forgive anyone that has had spiritual, secular, carnal authority over me including mental, physical, financial. I forgive ancestors and anyone that has hurt, cursed, controlled me. I break curses, control, soul ties brought upon me by them. I ask that God bless, forgive them, save their souls. I set myself free from those who would hurt me.

Forgive me Lord for my many sins. I forgive myself for sinning against my body. I break curses, soul ties that I have brought upon myself. In Jesus name I pray.

**Prayer Before Deliverance**

We ask God to send the holy spirit, the seven-fold spirit of God, warrior angels, ministering angels, twelve legions of angels. We ask the warrior angels to come with their flaming, sharp two-edged swords capable of dividing spirit and soul.

We ask God to surround us, cut off communications between the demons outside and the demons inside, remove loose demons around us.

We bind fallen angels and demons; loose ourselves from them. We call for spiritual warfare to set the captives free. We bind forces of evil, loose forces of good that we have the power and authority to do so. In Jesus name I pray.

DRUG ABUSE IN THE WORKPLACE - STARTLING FACTS IN OUR TIMES
There is growing concern among America's CEO's over the toll that our national drug problem is taking on their organizations and communities. A recent Allstate/Fortune magazine survey underscores how troubled corporate America is about this issue. The drug problem ranked second to the federal deficit in responses to the question: **What is the largest problem facing the U.S. today?**

1. The drug generation has entered the work force. Young adults tend to bring their drug habits with them. A 1986 survey showed that five years after graduating from high school, half of those who used marijuana daily in high school continue to do so.

2. One in four employed twenty to forty year old adults reported using an illicit drug in 1986; one in five reported at least one use in the past month.

3. As many as one in five American workers may have alcohol and drug problems. Ten percent of the labor force (11.5 million people) have a drinking problem.

4. A majority of employers responding to a recent survey said that between 6% and 15% of their employees have an alcohol or drug problem.

5. Approximately half a billion workdays are lost each year because of alcoholism alone, a 2% loss in productivity.

6. The federal government estimates that alcohol and drug abuse cost the economy $177 billion a year, including $99 billion attributed to lost productivity. Two-thirds of the cost is attributed to alcohol.

7. A University of Michigan study shows that lost profits as a result of abuse amount to $10 billion in the construction industry alone.

8. Nine of ten utilities, eight to ten transportation operations and over half of all sports associations and government agencies have implemented some kind of drug testing program.

9. Over half (57%) of all high school seniors had tried an illicit drug; and over a third had tried an illicit drug other than marijuana.

10. Among college students one to four years beyond high school, one in three used marijuana in the last year. Nine of ten used alcohol, and more than one in ten used cocaine.

12. Absenteeism, medical expenses and lost productivity as a result of abuse are costing employers an average of 3% of their total payroll - roughly half the typical company's payments for an employee's Social Security coverage.
13. At least seven companies in the study said they calculated the cost of alcohol and drug abuse at more than $50 million each.

14. How bad is the situation years after this study?

WHY DO PEOPLE TAKE DRUGS?

I am always interested in the reasons why we do the things we do. The Bible tells us in Gal. 6:7-8, Do not be deceived and deluded and misled; God will not allow Himself to be sneered at - scorned, disdained or mocked (by mere pretensions or professions, or His precepts being set aside). He inevitably deludes himself who attempts to delude God. For whatsoever a man sows, that and that only is what he will reap. For he who sows to his own flesh (lower nature, sensuality) will from the flesh reap decay and ruin and destruction; but he who sows to the Spirit will from the Spirit reap eternal life. If you are in trouble, the Bible tells you that you are reaping what you have sown. The Bible also tells us that God has made a way for us to recover all (some times even better that it was before). We have to apply ourselves to diligently following the instruction given in the manual (Bible).

As I have pondered, prayed and studied the problem of drugs and their destructive power, I have become convinced that the overriding problem behind the use of destructive drugs is rejection. Many children today are not allowed to bond with their parents, therefore they never feel truly accepted or at oneness with the people they are naturally supposed to bond with. One of the causes of this is early baby days spent in nursery or day care situations where the care giver changes rapidly. It is very unsettling to try to settle alignment and affections on someone and have them leave you to quickly. Because of this, we have a whole generation of young people trying to fix something but they do not know what it is that needs fixing so how can they fix it? Another reason is being brought up in an unhappy, uncaring home. God has told parents to rear children (tenderly) in discipline, wise counsel and admonition of the Lord (Eph. 6:1-4 and II Tim. 3:1-3). One reason for so much divorce is this inability to relate intimately with others. The abuse of drugs is an attempt to satisfy rejection.

Looking up rejection in the Bible, I have found that God has not rejected a single person who has not persisted in rejecting God. See I Sam. 8:7; I Sam. 10:19; 15:23, 26; 16:1; II Kings 17:15, 29; Isa. 53:2; Jer. 6:19, 7:29-30, etc. All of these scriptures reassure us that if we heed God's call to us, He will not reject us.

When people come into the world we say, What a cute, little innocent baby. As far as sins they have committed, they are innocent. But some other gifts besides life that we have given them frequently puts them in bondage before birth. Because of the sins of their ancestors, they may be in bondage due to curses lasting many generations. These curses allow demon spirits to follow them, coerce them, and try to trick them into sins that will allow demons to control them in that demon's particular area.

We have not found a single person who has escaped the problem of rejection. Even if we are not rejected, rejection works very well when demons can convince us that we are rejected. Rejection is one of the best ideas the Devil ever had and it works so well he
uses it against all people. Even Jesus did not escape rejection. He was despised and rejected and forsaken by man,....He was despised, and we did not appreciate His worth or have any esteem for Him (Isa. 53:3). Jesus was totally rejected of men. The Devil did not stop using rejection on Jesus even when He was on the cross. Jesus’ response was, Father, forgive them for they don't know what they do.

The Devil used rejection on Eve when he told her she would be like God. Was not that question in response to what Eve was probably thinking? If she had not been thinking this she would not have taken the bait.

What does rejection do to you? It makes you open to all kinds of seduction because you do not feel complete nor settled. It may be a respectable seduction like food, work, play, prestige, money or non-respectable like street drugs, abnormal sexual activities, murder, abortion, witchcraft, etc. The person is always trying to find something to fix that spot so they will feel all right.

Rejection is behind over doing, lying, greed, denying a problem exists or our ability to control it, deception, etc. The work of the Holy Spirit within us is to bring us into proper self-control, peace and joy (Gal. 5:22-26).

We have a very large portion of young people today into all kinds of self-destructive practices. They can be seen congregating in many areas across the country. They are usually rejected children from rejected parents. As rejection passes down the generations, it picks up momentum in each succeeding generation unless someone applies the Biblical process to destroy its effects in a family.

One of the main reasons we go to doctors so much is to try to fix that spot of rejection. Before I received deliverance from rejection, I used to go to doctors who seldom could find anything wrong with me. I thought some drug would fix it. I was trying to get something done about the spot that was not satisfied.

Do you know that the rejection demons that have been cast out of you are always around looking for a chance to trap you and get back in. Here's an example of rejection at work: I went to the doctor to have him check to see if I had cracked any ribs. I had a minor wreck with my car and I hit my chest on the seat belt. I was feeling great when I went in but tested with high blood pressure. I was given a medicine for high blood pressure. I took one tablet and shortly began to see a kaleidoscope before my left eye. Since the pressure was not down enough, I was given another pill to try. I am discussing with Gene whether to take it or not. In the mist of this conversation Gene tells me I have always been stubborn. I decide to take the pill and be a nice obedient patient. By the end of three weeks I have depression, diarrhea if I eat, stomach pains if I didn't eat, bad headaches, dizziness, etc. When I returned in two weeks, I was indeed very ill. I also noticed that I had the symptoms of all the things he had said the blood test suggested I might have. I am beginning to wonder if drugs to cause emotional problems and symptoms are not added to curative drugs. Since I have been off the drug for three weeks, I no longer feel any symptoms that were suggested to me.
I feel that often times the side effects of medicines are demon spirits. As you can see, I had played with one demon, Rejection, and had several of his friends come along with him.

When rejected people have not recognized that they are dealing with rejection, they will look all over, into and try a lot of things to help themselves. Their demons are so happy. The demons will help each other get into you. Of course they cannot just jump in; they have to have you give them the right to come in. Demons are just like us in that they are a spirit with a soul (mind, will and emotions) but they have no body. A body is what you have that they want. Many of the bad emotions we have are theirs. We must learn to separate our emotions and thoughts from theirs. Demons are never going to tell you that they are talking. They talk just like the body belongs to them. Ask the Lord to show you how they have worked you all this time. In James Chapter 1, God promises to give wisdom to all who ask.

Why would a person of normal intelligence do things that will destroy themselves? The Bible tells us that no man ever hated his own body (Eph. 5:29). If one desires to destroy himself, it must be someone using his mind and not him. Why do some people get on harmful drugs, become grossly overweight, work themselves to death or live in terrible fears? Often these things have roots in rejection.

GENERAL
1. Only the cleansed priest could go into the Holy of Holies. If he was not right with God he was killed and pulled out by a rope.
2. Drugs - To prescribe or administer drug mixtures.
3. Pharmacist (Greek - Pharmakia) To practice witchcraft or use medicine; also poison or medicine.
4. Pharmacological (Gr. Pharmakia) - Drugs, mania, madness, inordinately addicted to using drugs.
5. Witchcraft - One type is charmer or enchanter who uses amulets, potions or drugs to cast spells and control others for personal gain. This is the power or practices of witches, sorcery, black magic or irresistible fascination with Satan and his demons.
6. Idolatry (worship of evil spirits) - enchantment (sorcery), occultism, magic, witchery, witchcraft, charm, bewitched and medicine man; all these use drugs (poisons) to cause illness or influence others against their will.
7. God says this about witchcraft, enchanters and others who use these methods to change or control other people - see Old Testament verses.
8. Your mind is unsound when under the influence of drugs or alcohol. Satan becomes a part of your mind at those times, not God.

MEDICINE'S BONDAGE TO SATAN (EXCERPTS)
1. Medicine and physician in the Scriptures mean to cure, heal or recover completely. Satan has managed to reverse these meanings.
2. Matthew 5:34-37 forbids swearing or taking an oath to false Gods. It is interesting to see the oath Satan has most doctors taking. Although it sounds good it brings a curse from the Father Himself (Jer. 17:5).
3. The first part of the Hippocratic Oath is a covenant or solemn agreement concerning the relationship of apprentice to teacher and the obligations of the pupil. The second part is the ethical code which reflects Pythagorean ethics.

THE HIPPOCRATIC OATH (EXCERPTS)

"I swear by Apollo the physician and Aesculapius and Health and All-heal, and the Gods and Goddesses that according to my ability and judgement I will keep this oath and this stipulation to reckon him who taught me this art equally dear to me as my parents; to share my substance with him and relieve his necessities if required; to look upon his offspring in the same footing as my own brothers and to teach them this art if they shall wish to learn it without fee or stipulation; and that by precept, lecture, and every other mode of instruction I will impart a knowledge of the art to my own sons and those of my teachers and to disciples bound by a stipulation and oath according to the law of medicine but to none others.

I will follow that system of regimen which, according to my ability and judgement I consider for the benefit of my patients, and abstain from whatever is deleterious and mischievous. I will give no deadly medicine to anyone if asked nor suggest any such counsel, and in like manner I will not give to a woman a peccary to produce abortion. With purity and with holiness I will pass my life and practice my art.

I will not cut persons laboring under the stone but will leave this to be done by men who are practitioners of this work. Into whatever houses I enter, I will go into them for the benefit of the sick and will abstain from every voluntary act of mischief and corruption, and further, from the seduction of females or males, of freemen and slaves.

Whatever, in connection with my professional practice, or not in connection with it, I see or hear, in the life of men, which ought not be spoken of abroad, I will not divulge as reckoning that all such should be kept secret.

While I continue to keep this oath unviolated, may it be granted to me to enjoy life and the practice of the art, respected by all men, in all times, but should I trespass and violate this oath, may the reverse be my lot."

The word Apollyon comes from the same root as Apollo (Revelation 9:11). He is the God of destruction, medicine, archery, prophecy, music, poetry and represents the highest type of masculine beauty.

Aesculapius is the God of medicine, the son of Apollo by a demon nymph. All Gods and Goddesses: the caduceus is the staff of Mercury (twined by two serpents) God of commerce, messenger of the Gods, cleverness, lying, thievery, eloquence, travel, etc.

Satan plans the sickness, then programs the symptoms which are treated by sincere and duty-bound doctors. Because of this a believer should move to break any evil soul ties with satanic medication and pray much about use of such things.

For a real eye-opener, go to the public library and ask to see the **Physicians Desk Reference (PDR)**. It lists all the prescription drugs and their possible side effects. Sometimes the side effects produced by the chemicals are similar to the symptoms being treated.

**MEDICINE AND THE BELIEVER (EXCERPTS)**

The word *medicine* is used twice in the Old Testament (Prov. 17:22; Jer. 30:13). *Medicine* also occurs two other times (Ezk. 47:12; Jer. 46:11). The root words are Gehah (a cure); Gahah (to remove or heal); Teruwthah (a remedy) and Rephuah (heal). In each case the words mean to effect a complete cure or restoration to the one treated - to heal or restore completely.

The word *physician* is used five times in the Bible. In the Old Testament the Hebrew root word is Rapha or Raphan meaning to stitch, restore, make whole and heal thoroughly. The Greek root word in the New Testament means to cure or make whole.

Satan, as the God of this world, has introduced into the realm of medicine a group of chemicals and drugs spelled relief, relievers, tranquilizers, uppers, downers, etc. These are both prescribed and are on the shelf with the assumption they are safe to use or they would not be available. **Such drugs and chemicals in the Bible are associated with sorcery (Greek: Pharmakia) - medication: Pharmacy: means magic, witchcraft, a drug, spell-giving potion, a druggist, pharmacist, magician, sorcerer, poisoner. In other words, the uses of chemicals by sorcerers in the Bible was to make it easy for the user to be invaded by evil spirits.** Scriptures on sorcery: Acts 8:9; Rev. 9:21; 21:8; 22:15; 18:23.

In the light of these facts the question arises: **What chemicals or drugs can a Christian take without affecting his spiritual sensitivity and desire to serve the Lord?**

Scripture declares that real medicines heal or cure. Our problem arose when Satan caused worldly scientists, researchers and the medical profession to endorse reliever drugs which have no curative value but only serve to deepen the plight of the victim. So often a righteous church member may condemn alcohol as a reliever yet in her purse she carries Valium or Librium as a reliever for herself. (Have a pill dumping!)

Behind the scenes Satan's demons manipulate and interfere to bring about aches, pains, agony, diseases, etc. which afflict the minds, wills and emotions of their victims. **Reliever drugs only mask the symptoms but do not cure them.** Many of the modern pain relievers are so powerful they are capable of veiling the mind or setting up barriers between the Holy Spirit and the person's will or desire to seek the Father. This produces tension, worry and anxiety, necessitating an even stronger mind separator, i.e., tranquilizers. These can separate a person's mind from reality and (when prescribed by a reputable doctor, psychologist, or specialist) can further alienate the uninformed believer from God (Isaiah 5:13-14).
Viewed this way, many strong pain killers, tranquilizers and mind altering drugs constitute instant witchcraft, regardless of who prescribes or advises taking them. In a sense a believer taking some of these drugs while crying out to God for healing would be like a man begging the fireman to extinguish a fire while he continues to pour gasoline on it!

A mind-boggling drug produces two complications for a believer. First it may well constitute sorcery or witchcraft - seeking help from man, the flesh and the demonic. In that instance he would come under a curse from God because of involvement with the occult. It could also paralyze built-in defenses against the demonic opening the way for entrance of evil spirits just as in hypnosis, transcendental meditation and yoga.

Is all medicine bad? No, curative and healing arts which do not alter the mind or attitude toward God are what the Scripture calls medicine. But mind altering drugs are definitely in the caution area for believers.

Believers have an obligation to ask their physician or other knowledgeable person just what the function and action is for any so-called medication which is prescribed. They then have a choice and can pray to determine whether or not they should use any substance. The Bible definition of physician is one who restores (by stitching) or makes whole.

When considering the drug world it becomes obvious that we have been snared in a clever trap of Satan. Many mental institutions routinely give most inmates tranquilizers daily. Even in some schools, hyperactive children are given a pill a day to make them more controllable. Rather than following scriptural admonitions to do the work of Christ by delivering the bound person from spirits of nervousness, confusion, mind control, etc., chemical controllers are administered. Only obeying the full gospel will bring curative, rather than covering, action.

Because Satan is the God of this world (II Cor. 4:4), his philosophy and definitions, almost universally are accepted, even by the Christian community. Truly his tongue walks through the earth (Psalm 73:9). His control of the mental institutions, hospitals and their policies and procedures is often covert and cleverly hidden. This due to the widespread ignorance of God's people of the warnings and instructions of the Word of God (Hosea 4:6). When inmates are treated with daily dosages of mind-boggling pills they are further separated from reality and mental awareness and any real help.

If a believer is attempting to become more sensitive to the Father's guidance, he must realize that even the mildest pain killers (aspirin) or tranquilizers (promethazine) desensitizes the mind somewhat so as to dull sensitivity to the leadership of the Holy Spirit. In other words, the chemical changes can definitely affect areas of spiritual communication. This will be to a greater or lesser extent, depending on the strength and effects of the chemical substances, coupled with the vulnerability and susceptibility of the individual patient.
When God is dealing with a person by permitting buffeting of some nature, drugs may be employed to mask symptoms, thus delaying the showdown called for by the Lord. We routinely advise persons to leave off all drugs for at least a day before coming for prayer. Strong drugs surround and protect the demons, making it much more difficult to cause them to manifest or come out.

It must be emphasized here that, although we are quite sure of the demonic roots of many of these afflictions, we are still searching for the keys to dislodge all the intruders. The progress made thus far is indeed encouraging, but we are always learning more.

A recent pharmaceutical survey of practicing physicians shows the number one prescribed drug to be Valium for the four previous years (millions of doses). This demonstrates that nerves, tension, anxiety, worry and related problems are connected with the majority of cases they see.

Also many doctors apparently have found that rather than to attempt to probe and reprogram the real cause of worry, anxiety and nervousness it is far easier to disconnect patients from reality. With Valium or some similar drug, the mind is floated to a new level of unreality and kept there by a regulated dosage. This makes it more unlikely that the person will ever really seek and find help from the Lord.

Valium and Librium (Excerpts)

Introduced in 1963, by 1975 the Federal Drug Administration announced that Valium had become the most abused drug in the nation. In 1976, 60,000,000 prescriptions were written bringing $300,000,000 to the manufacturers.

Valium is prescribed to relieve tension; muscle aches; control spasticity; aid withdrawal from alcohol; calm presurgery patients and induce labor.

The drug is a crutch, a sister to Librium, which tranquilizes without reducing alertness. There have been no deaths from over-doses but it is highly addictive.

The drug is common among the higher income middle-aged housewives. Daily dosages range from 80-120 mg. of Valium. In forty to sixty days it brings addiction. Sudden withdrawal can cause severe convulsions.

Usually a more gentle withdrawal is cushioned with three weeks of phenobarbital to prevent convulsions. Self treatment results in seizures 30 percent of the time.

COMMENTS

There are two elements to the use of physicians and medicine. A Christian can use them when the result is curing, healing and recovering.

A Christian should not use them when they cross the line into magic, sorcery, witchcraft and spells with their related practices.

DEMONIC WOUNDS AND DISEASES

Comments

Some wounds and diseases are purely physical, and some are caused by demons. The alteration in our physical bodies caused by sin makes us vulnerable to an array of physical illnesses. What happens in our spiritual bodies affects our physical bodies. When no cause can be found medically; it is usually demonic.
Prayer
We repent for our sins, forgive others for hurting us and renounce anything we are addicted to. We anoint with oil, command the demonic diseases to leave us and pray the prayer of faith for healing in THE NAME OF JESUS CHRIST.

DOCTORS, DEMONS & MEDICINE
Medicine's Bondage to Satan
Medicine and physician in the Scriptures means to cure, heal or recover completely.

The Hippocratic Oath
Matthew 5:34-37 forbids swearing or taking an oath to false Gods. The Hippocratic Oath - I swear by Apollo the physician and Aesculapius and all the Gods and Goddesses, that according to my ability and judgement I will keep this oath ---. Apollo is the God of medicine, etc. Aesculapius is the God of medicine, the son of Apollo by a demon nymph. All Gods and Goddesses; the caduceus is the staff of Mercury (twined by two serpents) God of commerce, etc.

Because of this a believer should move to break any evil soul ties with satanic medication and pray much about the use of such things. A person may become addicted to a medicine and receive a spirit by that name.

Medicine and the Believer
Medicine: a cure, to remove or heal, a remedy, heal. The words mean a complete cure or restoration, to heal completely.

Physician: to stitch (operation), restore; means to cure or make whole. The Bible definition of physician is one who restores (by stitching) or makes whole.

What chemical or drugs can a Christian take without affecting his spiritual sensitivity and desire to serve the Lord? Scripture declares that real medicines heal or cure.

Is all medicine bad? No, for there are curative and healing arts which do not alter the mind or attitudes toward God. These are what the Scripture calls medicine.

Very few follow scriptural admonitions to do the work of Jesus in deliverance, but chemical controllers are administered instead. Obedience to the full gospel will bring curative, rather than a covering action.

PHYSICIAN

Physicians: Gen 50:2, 2 Chr 16:12, Job 13:4, Mk 5:26, Lk 8:43.

PAIN RELIEVERS

Comments

When God deals with a person by permitting some type of buffeting, drugs may mask symptoms, thus delaying the showdown called for by the Lord. When a person has a problem, the easy way in the short term is to seek the medical profession rather than God for the long term solution.

Particularly dangerous are the mind altering drugs. Certainly, mind altering drugs are in the caution area for believers. These have no curative value but may serve to deepen the plight of the victim. They treat the symptoms rather than the cause; the person is never healed.

Many modern pain relievers are so powerful that they are quite capable of veiling the mind. This can set up barriers between the Holy Spirit and the person's will or desire to seek the Lord. They may be used to control mental patients and inmates.

Pain Killers

When is it alright to use pain killers? If it is alright to use physicians to operate, then it is necessary to use anesthesia which is a type of pain killer, and to use pain killers after surgery to assist in recovery.

What about a person with a terminal illness who is in pain and is dying? We can not deny the comfort to resist the severe pain.

It depends on the person's situation and the purpose of the pain killers. If the Christian believes that God can heal on earth, then that person should seek God first before using the medical profession.

HEALTH CARE

What country spends more money and more percentage of GDP on health care than any other country in the world? Despite that, this country has the highest rates of heart disease, diabetes, autism, cancer, and all other major diseases. That same country has infant mortality rates and longevity rates worse than third-world countries. And that country's health care system ignores the causes of all this-and abysmal diet of "foods" nearly devoid of nutrition, a diet poisoned with chemicals and additives, and more toxic drugs and vaccines than most all other countries combined. What country? Ours!

We are at or near the bottom in most key areas of health: infant mortality, low birth weights, injuries and homicides, teenage pregnancies, sexually transmitted diseases, prevalence of HIV and AIDS, drug-related deaths, obesity, diabetes, heart disease, chronic lung disease and disability. Our life expectancy is lower and nearly two-thirds of that discrepancy can be contributed to deaths before the age of 50. On average, infants,
children, and adolescents in the US die younger and have greater rates of illness and injury that youth in other countries.

THE CITIZENS COMMISSION ON HUMAN RIGHTS INTERNATIONAL
1. Psychiatry monopolizes international mental health and demands trillions of dollars from governments each year for its services.
2. Insurance in the United States alone pays out $69 billion in mental health costs annually.
3. Psychiatric service costs exceed those of general medical services by almost 200%
4. International psychiatric drug sales total in the range of $76 billion per year. And what are governments and societies getting in return?
5. By their own admission, psychiatrists do not know how to cure a single mental problem.
6. They do not know how their treatments affect patients.
7. According to one study, psychiatric treatment scored a 99% failure rate in patient recovery.
8. In the last 40 years, nearly twice as many Americans have died in government psychiatric hospitals as American soldiers killed in battle in all wars the United States has fought since 1776.
9. More than 20 million children worldwide are on prescribed psychiatric drugs known to cause violence, psychosis, hallucinations, suicide, homicide, strokes, diabetes, heart attacks and death for alleged disorders that have never been scientifically proven to exist.
10. Antidepressant "wonder drugs" are so widely prescribed that more than 150 million people worldwide have taken Selective Serotonin Reuptake Inhibitor (SSRI) antidepressants. These drugs are under fire by drug regulatory agencies, not only for their potential to create violence and suicidal impulses, but because drug trials have found they perform no better than placebos (sugar pills).
11. The number of American seniors aged 65 who receive electroshock is more than three and a half times that of those aged 64. Why? Government health insurance for senior citizens becomes available at 65.
12. In 2005, the United States Food and Drug Administration (FDA) reported grievous damage from electroshock-patients sustaining severe burns, pregnant women suffering miscarriages and even death.
13. Yet while almost half of the elderly who receive ECT die within two years, psychiatrists continue to electroshock millions of people throughout the world, killing as many as 10,000 people. More than two-thirds of ECT victims are women.
UNHOLY ASSAULT PSYCHIATRY VERSUS RELIGION

Psychologists were inspired by Pavlov in their denial of the existence of the soul and denigration of man and religion. The concept of good and bad behavior, right and wrong conduct and personal responsibility have taken such a beating that people have few or no guidelines for checking, judging or directing their behavior. The war on religion waged by the materialistic practices of psychiatry and psychology charted the course of a religious and moral decline the world over. The soul was a waste of energy and that man was simply another animal. Religious ideas and feelings belonged before the tribunal of psychology. The idea of the spirit was scientifically relegated to primitive races. Psychological studies targeting religious orders had corrupted them. Religious people have been betrayed by Sensitivity Training and other psychological counseling techniques which grew from atheist roots.

The time when psychiatrists considered that they could cure the mentally ill is gone. In the future, the mentally ill have to learn to live with their illness. The high rate of criminal convictions for mental health professionals disproves any claimed expertise in understanding the human psyche. A review of more than 800 convictions of psychiatrists, psychologists and psychotherapists reveals convictions were for fraud, theft and embezzlements; sex crimes and manslaughter and murder. To adopt psychiatry's biological model, one has to believe in a materialistic non-spiritual world. The medical model claims there is no mental activity that is due to the spiritual dimension. All activity, even one's religious beliefs or the belief in GOD, are nothing more than the workings of the brain.

In short, the nature of the hallucinations of JESUS, as they are described in the orthodox Gospels, permits us to conclude that the founder of the Christian religion was afflicted with religious paranoia. Everything that we know about him conforms so perfectly to the clinical picture of paranoia that it is hardly conceivable that people can even question the accuracy the diagnosis. The failure of JESUS to develop ideas of injury and persecution rules out the possibility of a paranoid psychosis. This is not necessarily true; some paranoids manifest ideas of grandeur almost entirely. JESUS CHRIST might simply have returned to his carpentry following the use of modern psychiatric treatments.

GENERAL PRAYER
I forgive my ancestors (upwards), descendents (downwards) and anyone else (outwards) that has cursed or hurt me (those outside of me). I ask you to forgive them for their many sins and mistakes. I remit their sins, sever any demonic ties and set myself free. I ask GOD to bless them with spiritual blessings, bring them into truth and meet their needs out of His Riches in Glory through CHRIST JESUS. I ask that GOD will forgive me (Godwards) for my many sins and I forgive myself (inwards) for sins against my body.

I forgive my ancestors, descendents and anyone else that has cursed me with weakness, sickness, disease, illness, injury or trauma. Please forgive me for sins that would open me up to these attacks and I forgive myself for my mistakes.

LORD JESUS CHRIST, please forgive me for spiritual blocks to healing: unforgiveness, ignorance or lack of knowledge, no relationship with GOD according to knowledge, personal and family sins, not having faith in GOD, the need to see a miracle, looking for signs and wonders, expecting GOD to heal on one's own terms, looking to man rather than GOD, not being honest and transparent, flagrant sin or habitual sin, robbing GOD in tithes and offerings, sin of our parents, looking to symptoms and not to the Healer, letting fear enter your heart, failure to get away in prayer and fasting, improper care of the body, not discerning the Lord's Body, touching GOD's anointed leaders, immoderate eating, pure unbelief, failing to keep our life filled up with GOD, not resisting the enemy, just giving up, looking for repeated healings instead of divine health, rejecting healing in the Atonement as part of the covenant for today, trying to bypass the penalty of the curse, murmuring and complaining, hating and not obeying instruction. I ask this is THE NAME OF JESUS CHRIST, LORD, MASTER AND SAVIOR.

In THE NAME OF JESUS CHRIST I command the spirits to come out of the Unconscious, Subconscious and Conscious Mind. I command families of demons to come out of me and bring their works with them as your name is called.
BASIC DELIVERANCE
It is good to start with BASIC DELIVERANCE because these families of demons are precursors to disease. Rejection, Bitterness and Rebellion are the most important demon families that get us into trouble. See the DELIVERANCE MANUAL, Mass Deliverance Manual for Lists of Demons which may be applicable to lessons.

We have learned to repent and forgive in preparation for deliverance. Be honest with yourself and GOD. Cast out demons after you have forgiven and repented. Take time to let THE HOLY SPIRIT lead you since everyone has their particular problems. The lists are for those commonly found associated with these problems. You will discover demons not on the lists. It is good to read scriptures on deliverance during the deliverance sessions.

Rejection
Feelings of being Rejected, Refused, Repudiated, Declined, Denied, Rebuffed, Repelled, Renounced, Discarded, Thrown Away, Excluded, Eliminated and Jettisoned.

Bitterness

Bitterness: Resentment, Hatred, Unforgiveness, Violence, Temper, Anger, Retaliation, Murder.

Diseases: Cancer, Arthritis and diseases that come in through Bitterness and Unforgiveness.

Rebellion
Feelings of being Disobeyed, Transgressed, Violated, Disregarded, Defied, Infringed, Shirked, Resisted, Mutiny, Rebelled and Revolted.

Tranquilizers, Effeminate Men, Taking Drugs, Insecurity, Restless, Frustration, Witchcraft, Depression, Unholy Sex, Doubt.

**BALDNESS - BEARDS - HAIR**

**Prayer**

**Everybody**

LORD JESUS CHRIST, I forgive my ancestors and any others for any sin they may have committed that would have brought the curse of baldness on men and my descendants. I ask that you forgive and bless them with long life and a full-head of hair. Forgive me where I have sinned and cursed my head. Forgive me for mocking those with baldness, having a false personality, living in fantasy, trying to be something I am not, and being rejected, bitter and rebellious. GOD please protect every hair from Satan.

**Women**

Forgive me for my pride, super spirituality, false prophecy, usurping the role of my husband, acting and looking masculine, being haughty, and doing anything that would open me up to baldness and female problems. Please deliver me from psoriasis, female diseases, burning, fear, cancer, baldness, rotting flesh, excessive hair on the face, and female problems. I forgive my father, husband, sons and any other men who have mistreated me.

**Men**

Forgive me for my pride, letting the wife be head of the home, acting and looking feminine, being false in my position as a man, long hair and vain glory.

**Curses**

I break the curses of baldness, pride, falseness, fantasy, Jezebel, Ahab and female problems. Heal me of any medical treatment which causes loss of hair.

PERFECTING LOVE

Prayer

Dear HEAVENLY FATHER, I come to you in THE NAME OF JESUS CHRIST to ask for your help and guidance at this time. I want to thank you for loving me enough to die for me so that I might have your life. I thank you for continuing to teach me to understand your love. I thank you for forgiving me for holding unforgiveness against others, you and myself. I do forgive these people (....) freely from my heart, I also forgive myself in like manner. I will forgive all others as THE HOLY SPIRIT reminds me of them. I repent of using the fear of loosing my love to dominate others, to get them to do what I want them to. I repent of manipulating others. I repent of rejecting others, especially those in my family, and causing them to feel the loss of love. I repent of loving the admiration of the world and for doing crazy things to try to get love. I repent of not loving myself properly as one of your creations. I have loved myself and others in the phileo sense and not in an unselfish and Godly way. I let go of all resentment and bitterness which I have held against people for rejecting me. I break the curse of incest, bastard and occult on me and my family line. As I go through deliverance, help me to understand how these demons have worked me in the past and how I have used them to work on others. Help me to make amends where you tell me to. Help me to understand more about your kind of love and help me see how to work this love into my life.

PREFACE
The author, Daniel G. Amen, M.D., went to medical school at Oral Roberts University in Tulsa, Oklahoma. That Christian school was established to combine the practice of medicine with the practice of prayer for divine healing in the Name of Jesus Christ.

This book was reviewed to see how it could be used for emotional and physical healing using the practice of Christian deliverance. Healing and deliverance go hand-in-hand. In many cases, the names of symptoms are names of demons. The comments highlighted were added by me.

I highly recommend it for purchase to use as a Christian reference to better understand how to minister to those who have these problems.

FIVE OF THE BRAIN SYSTEMS
The following are five of the brain systems that are most intimately involved with our behavior; listed are some key problems of each system:
Deep Limbic System: moodiness, negativity.
Basal Ganglia: fearfulness, conflict avoidance, nervousness, anxiety, panic.
Prefrontal Cortex: bad decisions, attention span.
Cingulate (sing-u-lat): rigidity, overfocused, getting stuck, worry.
Temporal Lobes: temper flare-ups, rapid mood shifts.

Possible Diagnoses: head trauma, dementia, strokes, seizures, the impact of drug abuse on brain function, and aggressive behavior and mood disorders that are not typical or responsive.

Pseudodementia (depression masquerading as dementia) can cause a person to appear demented (i.e., having a demon). Dementia can be described variously as madness, insanity, mad, out of one's mind, impairment or loss of mental powers, melancholia, withdrawal, hallucinations, delusions, mental unsoundness, devoid of reason, etc. (Webster's New Twentieth Century Dictionary Unabridged). The same problems often run in families (i.e., ancestral curses).

PROBLEMS IN THE DEEP LIMBIC SYSTEM

THE DARK SIDE
The violent or aggressive person may have trouble thinking, getting stuck on thoughts, have a short fuse or have anxiety and moodiness.

BRAIN POLLUTION
Caffeine: Heavy daily usage (more than three cups of coffee a day) is a problem and needs to be stopped in order to maintain a healthy brain.
Nicotine: If you want to have full access to your brain, don't smoke.

THE MISSING LINKS
1. Using drugs, especially alcohol, methamphetamines, cocaine, phencyclidine, and anabolic steroids, may directly elicit aggressive behavior.
2. Drug or alcohol usage may impair executive function and increase the likelihood of aggression.
3. Drugs or alcohol may be used as self-medication for underlying brain problems involved in aggression.
4. Cingulate problems, in conjunction with prefrontal cortex and temporal lobe problems, can exacerbate addictions and potentially violent situations.
5. Drug or alcohol usage may be involved in poor decision-making processes or provocative behaviors that put a person in high-risk situations.

HELP!
Relationships
1. Depression can cause a person to feel distant, uninterested in sex, irritable, unfocused, tired and negative. Unless the partners understand this disorder, they often have severe
relational problems. People who suffer from depression have divorce rate six times higher than those who are not depressed.

2. Anxiety causes sufferers to feel tense, uptight, physically ill and dependent, and to avoid conflict. Partners often misinterpret the anxiety as physical symptoms as complaining or whining and do not take seriously the level of suffering.

3. Obsessive or overfocus tendencies, as we have seen, cause rigid thinking styles, oppositional or argumentative behavior, holding on to grudges and chronic stress in relationships. Seeking help is essential to establishing a new ability to relate effectively.

4. Prefrontal cortex problems, such as ADD, often sabotage relationships because of the impulsive, restless and distractible behavior involved. Without help there is a high degree of relational and family turmoil.

5. Temporal lobe problems may be associated with frequent attacks of rage, angry outbursts, mood swings, hearing things wrong and low frustration tolerance. I have seen these problems ruin otherwise good relationships.

**Work**

1. Depression can cause people at work to be negative, unfocused, tired and unmotivated, and to take things too personally or the wrong way. Such employees may negatively affect others' morale and unknowingly skew everyone's perceptions at work so they see positive things in a bad light. Depressed people have more sick days than people without depression.

2. People with anxiety are often tense, physically sick and conflict-avoidant. Their level of anxiety often cause them to be dependent and require too much supervision. Their anxiety tends to be contagious and those around them may also begin predicting negative outcomes to situations. They can negatively affect a work group and tend to be fearful rather than hopeful.

3. Obsessive or overfocus tendencies cause rigid thinking styles, and employers or employees tend to be more irritable, oppositional or argumentative. They often hold grudges and can be unforgiving, causing long-term workplace problems.

4. Prefrontal cortex problems, such as ADD, cause many problems at work, including chronic lateness, inefficiency, missing deadlines, impulsive decision making and conflict-seeking behavior.

5. Temporal lobe problems often affect work. I am willing to bet that most workplace violence is associated with temporal lobe disorders. More commonly, temporal lobe problems are manifested at work by mood swings or unpredictable behavior, low frustration tolerance, misperceptions, auditory processing problems and memory problems. The anger, misperceptions, and mild paranoia can wreak havoc in a work group.

**Significant Negative Effects**

1. Depression (limbic system) clouds a sense of accomplishment (even with incredible accomplishment) and causes intense sadness and internal pain. Depression is not the absence of feeling but rather the presence of painful feelings. Depression is one of the most common precursors to drug abuse and suicide. Depression often compromises immune system function, leaving people more prone to illness.
2. The tension and panic associated with anxiety (often a result of basal ganglia problems) can feel like torture. I have known many patients with panic attacks who become suicidal in hope of escaping their fear. Anxiety is often associated with physical tension and an increase in illness. Many anxious people self-medicate by drinking alcohol, taking drugs, overeating, engaging in inappropriate sex and other potentially addictive behaviors.

3. Overfocus (cingulate) issues cause repetitive thoughts and worries that are often self-medicated with drugs or alcohol. Internal torture by constant worry is common. When someone says one negative thing, they may hear it in their minds five hundred times. They cannot get away from negative thoughts.

4. People with prefrontal cortex issues, such as ADD, often feel a tremendous sense of underachievement, repetitive failure, and low self-esteem. People with prefrontal cortex issues may use internal problems for self-stimulation and be chronically upset. The stress associated with these problems is often accompanied by increased illness.

5. Temporal lobe problems can wreak internal havoc. The internal violent mood swings and thoughts often torment the soul. Unpredictable behavior, low frustration tolerance, misperceptions, and memory problems are often associated with an internal sense of damage. Anger often alienates others and loneliness is common.

DISEASES WITH NO KNOWN MEDICAL CURE
Pastor Henry Wright says that about 80% of all diseases have no known medical cure. They are psychosomatic, including both psychological and biological diseases. If this is the diagnosis, then try deliverance to rid the person of evil spirits. We know that deliverance from demonic bondage often cures medical or mental problems that have "no known medical cure" in the literature. The person has a spiritual root to the disease or ailment which must be dealt with before the person can be healed.

SPIRITUAL BLOCKS TO HEALING
Prayer may not have any effect if some are just not saved, sometimes the sickness is unto death, and our allotted time in life is fulfilled. 80% of all diseases are spiritually rooted which means that there is a sin behind the disease:
1. Unforgiveness
2. Ignorance Or Lack Of Knowledge
3. No Relationship With God According To Knowledge
4. Personal And Family Sins
5. Not Having Faith In God
6. The Need To See A Miracle

MASTURBATION, PROSTATE CANCER AND PROSTATITIS

**Masturbation** can come out of tension and strife leading to uncleanness, guilt and condemnation. **Prostate cancer** can come out of anger, guilt, self-hatred and self-bitterness. Hate leads to death. When a tumor does not become malignant, it involves bitterness against one's self. When a tumor becomes malignant, it involves bitterness against others. **Prostatitis** can come from fear, anxiety, self-rejection, self-hatred and guilt.

FEAR, ANXIETY AND STRESS

Many diseases come out of fear, anxiety and stress. The family of fear can include many things that a person is afraid of such as the 210 phobias recognized by psychiatrists. Fears can include the families of jealousy, sensitiveness, persecution, paranoia, worry, and many other spirits.

THE CONTINUING WORKS OF CHRIST

**Hypothalamus**

The hypothalamus lies just above the pituitary, the main endocrine gland. When the hypothalamus detects certain changes in the body, it releases chemicals called regulating factors that stimulate or inhibit the anterior pituitary gland. The anterior pituitary then releases or holds back hormones that regulate carbohydrates, fats, proteins, certain ions and sexual functions.

1. It controls and integrates the autonomic nervous system, which stimulates muscles, regulates the rate of contraction of cardiac muscle and controls the secretion of many
glands. Through the autonomic nervous system, the hypothalamus is the main regulator of body activities. It regulates heart rate, movement of food through the digestive track and contraction of the urinary bladder.

2. It is involved in the reception of sensory impulses of the fasera.

3. It is the principle intermediary between the nervous system and the endocrine system, the two major control systems of the body.

4. It is the center for the mind over body phenomena. When the Cerebral Cortex interrupts strong emotions, it often sends impulses along tracks that connect the cortex with the hypothalamus. The Hypothalamus then directs impulses by the autonomic nervous system and also releases chemicals that stimulate the interior pituitary gland. The result can be a wide range of changes in body activity. For instance, panic impulses leave the hypothalamus to stimulate the heart to beat faster. Likewise, continued psychological stress can produce long term abnormalities and body function that result in serious illness. These are the so-called psychosomatic disorders and psychosomatic disorders are real.

5. It is associated with feelings of rage and aggression.

6. It controls normal body temperature. Certain cells of the hypothalamus serve as a thermostat.

7. It regulates food intake through two sensors. It contains a thirst center. It is one of the centers that maintains the waking state and sleep patterns. This one gland is the facilitator of something called the Limbic System.

I have just quoted from a medical textbook that tells us that our thoughts and emotions can dramatically effect our health. **The hypothalamus gland is the facilitator and the originator of the following life circumstances, all expressions of fear, anxiety, stress, tension, panic, panic attacks, phobia, rage, anger and aggression are released and facilitated by this one gland. It only responds to you emotionally and spiritually.** The hypothalamus is called the brain of the endocrine system, but it is a gland. **It is a responder to thought.** It is a responder to the environment of your life. It only will produce what is happening deep within the recesses of your soul and your spirit.

The endocrine system includes 9 glands that secrete over 23 different hormones and neurotransmitters. Our thoughts and emotions control the secretions from these glands. The over or under secretion of these hormones or neurotransmitters causes most of our diseases.

One of the major emotions that we deal with is anxiety and stress. The Biblical definition of anxiety is fear. Fear is equated in scripture with unbelief or faithlessness. Fear is the opposite of faith. If we are in fear, we are not in faith. If we are in faith, we cannot be in fear. The above textbook teaches that the following organs are targets for anxiety and stress. The words in bold are from the textbook, the non-bold words are my comment.

**Cardiovascular System**

**Coronary Artery Disease:** The Bible says, **In the last days men's hearts shall fail them because of fear** (Luke 21:26).
Hypertension

**High Blood Pressure:** Fear and anxiety is the root for high blood pressure. The Bible and medical science agree. What we teach is not opposed to medical science. In fact, what I see in the Bible only proves medical science and medical science only proves the Bible.

Stroke And Aneurysm

**Strokes and Aneurysms** are the result of rage and anger, but behind the rage and anger is also fear. Do you know why people go into rage and anger? First of all, they have a root of bitterness. They are really afraid to deal with issues. Rather than being confronted on an issue and having to deal with it, they just blow up because that is their defensive mechanism. They don't want to be confronted on an issue because they are afraid of men and they are afraid of rejection.

Disturbances Of Heart Rhythm

**Rhythmic Problems: Irregular heart beat and Mitral Valve Prolapse** are the result of anxiety and stress.

Muscles And Tension Headaches

We rub the back of our necks when we are under stress and tension to relieve the pain. Why not turn to God and deal with the fear and anxiety?

Muscle Contraction Backache

Again anxiety and stress is the issue. I have witnessed many healings when people have repented for the lack of faith in God and then learned to trust Him.

Rheumatoid Arthritis

There is a direct relationship between the tremendous stress of self-hatred and all autoimmune diseases. The person is afraid of themselves. They just don't want to face themselves. Out of that comes self-hatred, out of that comes guilt, out of that comes conflict that causes the white corpuscles to attack the connective material of the bones, eat at it and produce rheumatoid arthritis.

Pulmonary System

**Asthma and Hay Fever:** Johns Hopkins University is now teaching that Hay Fever and Asthma are not caused by air born allergens. It has nothing to do with breathing, dander, dust, pollen, etc. Anxiety and fear cause it. It can be inherited, but it's coming out of deep-rooted anxiety and fear. I have proved this many times over.

Immune System

**Immunosuppression or Immune Deficiency and Autoimmune Disease:** Over secretion of cortisol and catecholamines destroy the immune system, and the result is autoimmune diseases. The Hypothalamus controls over 23 hormones including these two. Autoimmune diseases occur when the white corpuscles attack living flesh and destroy it. **Lupus, Crones, Diabetes, Rheumatoid Arthritis and MS** are examples.
We have learned that the body attacks the body as a person attacks themselves spiritually in self-rejection, self-hatred, and self-bitterness. The body agrees with the mind and starts attacking itself. That is a high price to pay for not loving yourself.

Gastrointestinal System
Ulcers: For years the medical community believed that stress and anxiety caused an irritation in the stomach, which eventually caused the ulceration. Recently they have begun to prescribe antibiotics and are telling us that a bacteria or virus causes ulcers.

People who have ulcers also have compromised immune systems because of the anxiety and stress. When you have a compromised immune system, you don’t have the ability to defeat bacteria and viruses. The fear and anxiety come first and the bacteria and viruses show up after the immune system is compromised.

There are a number of gastrointestinal problems that are caused by anxiety and stress. They include Irritable Bowl Syndrome (IBS), diarrhea, nausea, vomiting and ulcerated colitis.

Every single malfunction in the gastrointestinal tract is caused by anxiety and stress. The peace of God in your heart regarding issues in your life is the cure with the exception of Crones disease, which is an autoimmune disease.

Genital Urinary System
Diuresis, Impotence and Frigidity are caused by anxiety and fear.

Skin
Eczema, Acne and Dermatitis: Adolescent acne is caused by fear coming from peer pressure. It is not a genetic or biologic problem by itself, but in most cases the kids are afraid of other kids. That level of fear and anxiety triggers increased histamine secretion. It also increases white corpuscle activity in the epidermis thus causing acne.

Endocrine System
Diabetes and Amenorrhea: Central Nervous System - fatigue and lethargy, Type A behavior, overeating, depression and insomnia are all caused by fear, anxiety and stress.

LETTER OF OCTOBER 27, 1991

As you know, Earline and I have been in the deliverance ministry for about fifteen years. We have worked with thousands of Christians in the area of healing and deliverance.

Recently, Earline was stricken with kidney failure. Otherwise, she is in fine shape for a woman who is fifty-nine years old.

We have known personally, or have known of men and women of God who have been stricken physically with infirmities. They may have even died before becoming seventy years old. These were people that we felt really tried to follow God and were doing a fine work in His Vineyard. They were also people that believed in the Whole Word of God.

Generally speaking, the ministry teaches the blessings of God and not the justice of God. We get the "bless-me club" personality. Generally speaking, the ministry does not teach about what Christians will go through as they follow Christ and obey His Word. The
impression is "Once I become a Christian, I will have no more problems." This seems to be an area of the Bible that is primarily ignored. Many times Christians are taught this philosophy; then when it doesn't work, they leave the church.

My question to you is Why are these Godly people stricken before their time of seventy years? In other words, what should we as Christians expect in the battle for the Lord? If we are living a Godly life, should we expect to go through life without having any mental, physical, spiritual or material problems? What does the Bible teach about the lives of Christians? A good example is Paul. With the Love of Christ, Gene and Earline

REPLIES TO LETTER
We received replies from the following people to whom we are very grateful: Jo Anne Nystrom, Glen and Erma Miller, Dorthy and Harlan Deem, Ted Haggard, Edwin Edgerton, Frank Hammond, Lorraine A. Kupper, Buz Milosh, Dennis Mulder, Blanche Reynolds, Linda Sutter, Al Dagger, Norman Parish, Martin and Janice Turnbull, and Ann Pigg. We kept the letters and records of telephone conversations. It was quite an effort for those to try to answer our difficult questions. Thank you for your love and concern!

PRAYERS FOR US
We want to express our heartfelt thanks for those who have prayed and interceded for us through the years. It is wonderful to hear that we are being prayed for our well being by those who love us and have compassion on us. Only God knows how your prayers may have helped to sustain us.

OUR MINISTRY
We have now been in the deliverance ministry for about twenty years. It has been about five years since Earline had her kidney failure. God has seen us through all the difficulties that we have faced in our lifetimes. We have seen God do many wonderful things around the world using us as his servants. Even though we have probably cast out thousands of demons, Satan does not leave us alone. In fact, he probably attacks those who are very active even more because they are a greater threat to his kingdom.

FUTURE FOR CHRISTIANS
The wind may blow in your face to stop your progress now, but may be behind you in the future after you have worked your way through the problem. Move forward with the Lord. Our God is faithful and we must relinquish control to Him. Praise breaks certain bondages put on us by Satan. By all means repent; it is a way of life. We are comforted by the Word of God; steadfast and trust in Jesus. Keep on ministering by faith and depend on the leadership of the Holy Spirit. God loves us and cares about us; He has all power and authority to direct our lives.

GENERAL COMMENTS
Earline and I have discussed, thought and prayed about this subject, both before and after Earline's failure of her kidneys, a considerable amount of time. There are many lessons to be learned by us and other Christians in this difficult area. The communications of others
helped us to understand what we were going through. It is a real blessing to see what others go through in real life. It is an untruth to tell the Christian world that you, and your family, business and ministry have no problems, and that you are perfect just like Jesus Christ. We are still praying for answers for ourselves and for others. When Earline was in the hospital initially, we read the Book of Job seeking answers. Pay attention to what Job says as well as his so-called comforters.

This lesson was really written by others. We only compiled and edited it so that it could apply to the Body of Christ. It will give you a lot to think about as you ponder your life and the thoughts contained herein. This may be the most profound lesson that we have taught.

ANSWERS TO QUESTIONS
Do you believe that you have all of the answers to the problems we face here on earth? Are you living a perfect life in complete accord with the Bible? We don't believe that anyone has a complete understanding of the Bible. Everyone has problems; if you don't now, you will later. This includes those in the ministry and their families. God is sovereign and we can't change that fact of life. Rest assured that God's Word is a wonderful source of strength and comfort to suffering, hurting, poor people, as well as to those who are wealthy, all around the world. If we want life, we must keep His Commandments. We are all aware that if there was an easy answer, everyone would already know. Volumes could be written to properly answer the question raised, even in a general sense. Word of Wisdom, Word of Knowledge and Discerning of Spirits could be God's way of answering specifically for each of us. Inwardly, there might be the sins of the fathers or some break in Job's hedge; outwardly, there might be an onslaught from some coven or occult source that is getting through; and these are just a few possibilities. There are some valid truths coming from the "bless-me club" but they need to be balanced: God's love balanced by God's justice. There are no pat answers.

GOD IN CONTROL
It may be God's purpose, not some other cause. What lessons can be learned? God can turn it around eventually; the future is in his hands. God understands and is rooting for us. We accept God's dealings with us and resist the Devil. Do not doubt God, who knows what we need. Jesus was not spared from suffering and has compassion on us. He gives us grace and sense to learn; God is teaching us. It may be for our good - for life and death situations. God can do whatever he chooses for greater glory and purpose. Jesus intercedes for us while we are going through the fire. Our peace comes when we rely on Jesus, even if it means that we die.

Satan is not in control. Satan will retaliate; we get wounded. There are occult attacks by witches and warlocks. We must know our enemies. There are curses, hexes and spells that are inherited, as well as received in the nasty now and now. Satan can not kill our spirits or souls, even if he is able to kill our bodies.

What about repressed feelings, used to being blessed, many causes of diseases and judgmental? We are susceptible, sickness is common, not immune to suffering and there
are hindrances which may be mysterious or harmful. Do not get impatient. Control your emotions; we can not control the events. Keep our spirits clean before God. Do not go on a guilt trip. It may be a simple lesson of trusting, not just an exercise of faith. We are not immune to attack. It rains on the just and unjust. How do we respond to tragedy? We must have faith that all things work together for good. We will learn or not learn. Wait before God without doubting; die triumphantly. Sometimes it is nothing we do. Good comes out of our experiences. We are more understanding, compassionate and patient, not judging others. Our faith is joined with others. Have conviction that God heals and does recreative miracles.

SOVEREIGNTY OF GOD
God allotted seventy years to all humanity, not just believers, which is about the average age at death. Life may be lengthened or shortened; our body is not redeemed. It is subject to the curse of sin, old nature, physical defects and curse applies to body. Perfect health will come in Heaven. We must relate to the world, demonstrate our faith, believe in redemption and maintain hope. The environment effects our bodies. The dead are all right in God, sleep in Christ and awake to resurrection. Walk by faith; don't worry about tomorrow. God meets our basic needs, not our wants. Food, clothing and shelter are blessings by God's grace. Our bodies are subject to failure. Death has its way with all flesh; God can intervene if He chooses. Pray for God's Perfect Will in our lives. Have an overcoming attitude and draw close to God. There is more to life than just having perfect health. God wants to cleanse us from sin, get our attention and test us to strengthen our faith. Sickness is not immoral and will be in the Millennium. Our spirit and soul are redeemed; our body is not resurrected. Sometimes we may recover from sickness through prayer. It is difficult in dealing with God; his ways are not our ways. Acknowledgment of reality of life is faith. Age brings susceptibility to disease and death.

TRIALS AND TESTINGS
Lord, what do you want us to learn from our trials and testings? Certainly the Bible nowhere promises that Christians will go through life without problems. In fact, a careful reading of the Bible indicates that Christians will face many difficulties and trials. There are at least two biblical reasons as to why Christians suffer. One of them has to do with the fact that we are a fallen human race. The effects of sin, including illness, will come to Christians as well as non-Christian people. The fact that we suffer physical ailments, disease, etc. in some sense has little to do with the fact that we are Christian, it is simply the state of the fallen human race. It is the effects of sin in the world in which we live. Christians are not immune to those effects.

Secondly, there are times when disaster falls into our lives because God is testing our faith. He allows the Devil to have relatively free reign. While at the same time promising that He will never give us a burden too heavy to carry. An obvious example of that would be Job. The Book of Job teaches the above very clearly. Certainly the apostle Paul is a good example. He struggled with a thorn in the flesh all of his life. God chose not to remove that. We may never know the exact reason why, but God had a purpose in doing what He has done.
The Bible does not promise health, wealth and prosperity to all who believe in Christ. There are many Christians around the world who live in poverty. The Bible talks about taking up our cross and following Jesus Christ. In many parts of the world that cross is big and heavy, even to the extent of having to pay for faith, on occasion, with their lives. Those are the kinds of demands and sacrifices that the Scriptures place upon us as Christians. Without question we have been blessed in this country, living in relative freedom and prosperity. God has certainly not promised that we are immune from suffering. In fact, the scriptural teaching is that suffering brings with it many benefits. It is sometimes for those benefits that God allows us to go through these things.

Any Christian who thinks that they will not face tribulation or persecution in this life is sadly mistaken. Satan asked to sift Job and Peter, and he asks to sift the Body of Christ. Consider Job's attitude as well as that of his wife and friends.

FAITH OF THE SAINTS

It takes faith to believe in healing, deliverance and salvation; everything we receive from the Father comes through the Grace and Mercy of God and the Lord Jesus Christ with the interaction of the Holy Spirit. God answers prayer; things happen when we pray that don't happen when we don't pray. We interact with God through prayer. He acts according to His pre-determined will and purpose as we enter into communication with Him through silent and vocalized prayer.

The Lord Jesus Christ is a repository of virtue and righteous power, to meet our needs. It has already been bought and paid for at Calvary; the victory is assured. But it is not automatic without conflict or effort of mind, will, emotions, body strength and spiritual involvement. For instance: fasting, prayer, worship, praise, spiritual warfare, meditating, reading the Word, and submitting to God and one another with a determination to glorify God.

Consider the woman with the issue of blood. The virtue deposited in Jesus for this woman was released through her faith. It brought about the desired results of her being made whole. Consider the man at the gate beautiful. He wanted alms; he didn't appear to have faith for healing. Was anyone else interceding for him? He was caught off guard. Peter reached down and lifted him up. Peter's and John's faith had to be sufficient. God's purpose was to show Himself alive by doing the miraculous. Consider the man crippled from his mother's womb. He heard Paul speaking and Paul perceived he had faith to be healed. He needed to be healed and God purposed a revival.

CHRISTIAN SCOREBOARD

Christians are not any better or worse than anyone else. Job's friends knew that there must have been something wrong in his life, or why else would he have to suffer? Was there a tradition around Israel that the Galileans who suffered such things and the eighteen upon whom the tower of Siloam fell must have been worse sinners than others? But, this is not what Christ taught. We have not come to the measure of the stature of the fullness of Christ. But we have hope for the coming of Christ and his kingdom.
PRESENT CHURCH AGE

Do you believe that we are living in the Laodicean Church age? We think that we are so increased with goods, have need of nothing and we're so rich in the things of God. We don't realize how great our spiritual need really is. Are you prepared for physical death? Which group of the ten virgins do you belong to: those whose lamp is full or those whose lamp is empty? This is an hour that we must use wisely. Return to the simplicity of true devotion to Christ. We should be warriors for Christ.

Jesus has limited His visits to us in relationship to how obediently we provide Him that opportunity by being His Body for Him to fill with His Spirit and presence. As we yield to Him to be locally in fellowship with the other regenerate ecclesians, under His Headship proper and potent healing, etc. will be present in much greater fullness than we presently experience. The problem is we are churchgoing instead of being the local ecclesia and membered together with others by the Holy Spirit. The body is dismembered by locality, hence all the confusions, weaknesses, etc. If we ourselves don't live to enjoy the restored Ecclesia, we should be working on it for our posterity.

The church is full of people who are not well but they are praising God. He is in their midst polishing lively stones for His Tabernacle. God is building a rock house with narrow mortar joints which is pleasing to Him. Have peace in God; there is tribulation in the world.

THIS WORLD

Earth is earth, and does not become Heaven for anyone when one gets saved. In other words, God's perfect plan, the full manifestation of His Kingdom, is fully manifested in Heaven. When we get saved, a ray of his Kingdom shines through our hearts with the provision for that glow to provide healing, deliverance and other manifestations of His Will. Certainly, He wants all to be saved, healed, delivered, filled with His Spirit, etc. and that will all be complete in heaven. Here on earth we get a taste, but not the entire package.

We need to seek God, live saved, be filled with His Spirit, walk in His Fullness all that we possibly can, be as healed as we can, and walk in the greatest degree of freedom and deliverance as possible. But, until Jesus physically returns, we will struggle, suffer and strain for the full manifestation of redemption in our lives.

The Bible reveals God's perfect plan for us in Christ. Now, Christ is here only by His Spirit. Soon we shall see Him face to face. When that happens, all of His Plans for His People will be fulfilled.

So, what should we Christians expect in the battle for the Lord? Exactly that - a battle. As for victory; absolutely. As for timing; some now, the balance later.

Not having any problems is neither biblical nor practical. Living a Godly life means that a person can expect to live a Godly life. As for mental, physical, spiritual and material problems, those all come in varying degrees to all who live. Living a Godly life should
minimize those problems and it certainly should open the door for the operation of the Holy Spirit which will help with the solution. But the problems will remain until Jesus settles the sin nature and Satan problem.

This is not defeatist. The powerful manifestation of the Holy Spirit does remarkable things in all of our lives. The authority of the Word of God can do powerful things. The enforcement of God's plans during this present age takes constant prayer, faith and involvement of the Holy Spirit. Hope is there and power is there; but so is the enemy and the world.

**TEN THOUGHTS FOR YOU**

Each person must seek for himself for a clear understanding of what he believes and how God works in each conflict. We that minister must be careful we do not add to the confusion and minister condemnation:

1. God can and does heal His people.
2. It is God's Will that we be healed for the Glory of God. Therefore, glorify God in your body.
3. There are only two things: blessings and cursings. You are either increasing or decreasing.
4. The pure Word of God without mixture.
5. The non-pure Word of God with mixture.
6. God's medicine for us is His Word for us.
7. God is love.
8. God loves you.
9. You are healed because you were healed by the Stripes of Jesus.
10. Bottom line is agape love in the Master's Service.

**CRUCIFIXION OF THE FLESH**

Fasting is a way to crucify the flesh and seek God. It is also a way to rid the body of toxins which can kill you. Depression will lower your resistance to disease. We are also required to follow other practices for Christians outlined in the Bible. Doctors may not make any difference if it is time to go and be with the Lord. Fasting may cause the burden to be lifted. Nutrition is a function of healing and a walk of health.

**SERVANTS OF GOD**

Many have served God faithfully and are in the call of God's purpose for their lives. They know the Gospel, have on the full armor of God, doing spiritual warfare, teaching and demonstrating biblical principles, and are faithful servants. Now the test is on; God removes the consciousness of His presence. The heavens are brass and you can't seem to rouse Him to work for you. You hear condemnation, failure, guilt, what have I done to deserve this, I thought God had a hedge around me and I was untouchable, and on and on until we become filled with despair. Our life is passing from us and there is nothing we can do except turn to the arm of flesh.

We search our souls, examine ourselves and try to find the key that will unlock the mystery of God's Grace. For all we are in Christ, all we do in the kingdom and our ability
to stand in the face of the enemy is by God's Grace. The walk we walk is by God's grace: love, mercy, ministry, peace and health. God chose us in trespasses and sin, and seated us in Christ Jesus. He has given us a walk worthy of that Name and armed us to stand against the wiles of the Devil. No one can pluck us out of His Hand. We will not see the death angels, for God's angels will come for us that belong to Him. We will ever be with the Lord.

We can not earn that grace, keep it, improve on it, add to it, take from it or embellish it. Wages are earned and gifts are received. Just praise God and thank Him for Grace. When we are not established in grace, we go into confusion as did Job. He thought he did everything right and believed his works would keep him and his family protected, but it was God who had him hedged about. He could not understand why these things were happening to him and was overwhelmed by confusion.

**DELIVERANCE WORKERS**

A deliverance worker is a front-line warrior. The front line warrior receives the first strength of any attack. In the case of a couple, it is usually the wife who is attacked first as she is the weaker vessel. Sometimes, it is the man who is called into the ministry and not the wife. She goes along to support her husband, who leans on her for support. It takes a special couple to minister together for years avoiding or defeating Satan's attacks.

Sometimes we get puffed up in the idea of who we really are. We think that we are undefeatable and press on without really taking the time to stop and think that we are just His Servants by grace. We are ministering in His Name, Power, Strength, Might, Suffering, Love and guidance of the Holy Spirit.

Then comes Satan's attack and we get mad at God. This is not supposed to happen to God's warriors. We warriors get wounded. When we fail to turn to the Lord in praise, we stumble. Have you a hole in your armor? Are you spending time in prayer and in the Word everyday? Have idle thoughts found a way to get you to stop praying without ceasing? Have vain imaginations penetrated your armor? Examine your armor for weaknesses.

Continue on to the goal of hearing Jesus say, **Well done my good and faithful servant.** It could be that God is getting ready to do a greater work in your ministry once you overcome this trial. We must praise God in every circumstance. It is the praise, even unto death, that lifts the bonds that hold this earthly body in captivity. No one can separate us from the Love of God except ourselves. Regardless of what happens, we must always follow the Lord in spirit and truth.

**APOSTLES SUFFERED**

The apostles suffered, were God's saints, were persecuted, weak in body and had infirmities. Consider what Paul and Timothy went through. There are little things that affect the body. It is not a reflection on our spiritual condition if we get sick. Those with bodily weaknesses have been effective witnesses for Christ. The world can identify with their infirmities. They can be strong in the spirit. We are not perfect; we age, die, suffer
sickness, are attacked by germs, our cells die every seven years and we are susceptible. Ask God for discernment and do not go on a guilt trip. Do not judge others outwardly; there is only one righteous judge. Show love and compassion; help others who are weaker. The church was persecuted. All apostles were martyred except for John in exile. God's heroes endured by faith even to torture and death.

**PRIDE, EGO AND VANITY**

God needs to cleanse our lives. Pride stands in our way of obtaining the blessings of God. We need God's wisdom and understanding. We must seek God and search our souls. We will always battle the forces of evil in this world. We need to try to live a balanced life: mentally, physically, spiritually and financially. Anything you neglect in life will cause you problems. Anything you omit in the Bible will cause you problems. Don't be puffed up; pride opens the door to demons.

**CONFUSION OF MIND**

Many Christians are confused about this subject. Why do they have to suffer in life when it seems that the heathen do not have to suffer? What are God's provisions and promises of healing? The concerns as to why terrible things happen to good people are quite natural and occur to us all. We must have faith and trust in our Heavenly Father, and know that we are loved by Him. The Scriptures are a source of comfort, strength and hope. What lies have we been told by our parents, spouses or children that we believe and affect our lives?

**TESTIMONIES OF OTHERS**

We hear of stories of those who read the scriptures every day, stand on them and are healed of terminal illnesses. We also hear of those who did the same thing and die. Can you judge and say that one person did not have the faith - absolutely not! There are those who seek the Lord for healing over some period of time, finally yield to surgery and are doing well. Can you condemn them for going to the doctors - absolutely not!

**STANDING WITH EACH OTHER**

We need to stand with each other, not only as Christian brothers and sisters, but also with other ministries. We are not in competition; there is plenty of work for everyone. This is especially true in the ministry of deliverance; there are few who perform this service. Ministers, just like everyone else, may have a difficult time with stability.

Ministers have a variety of styles and methods of ministry. Just because they don't perform the ministry just like we do, doesn't mean that we can not fellowship with them or support their ministry.

**HUSBANDS RESPONSIBILITY**

Have respect for your wife for her forced labor in the ministry. Don't put burdens on her so great she can not bear them. Repent to your wife for forced labor. Put her on the altar. God is faithful to honor the husband's proper relationship to the wife.
HUSBAND'S ASKING WIFE'S FORGIVENESS

Husbands and wives please stand together and hold hands. As your husband, I ask you, my wife, to forgive me for forcing you to labor in this ministry and to do things that God did not call you to do. Forgive me for placing burdens on you that were so great that you could not bear them. Forgive me for not showing the respect for you that you deserve as my wife. I place you on the altar of God and ask that He forgive me for sinning against Him in the way that I have misused you. Lord, help us to have the proper relationship as husband wife in all walks of life including the ministry. Will you, my wife, forgive me? In Jesus Christ's name we pray. Amen.

CREDIT TO OTHERS

We give credit for this lesson to those who comforted us during our time of illness. We give credit to those who have prayed for us over the years when we have been faced with injuries, illnesses and tragedies. We give credit to everyone who called, wrote or provided material for this lesson. However, we all give credit to the Father, Son and Holy Spirit for working through each of us to bring about God's purpose in our lives. We have taken some editorial liberties with the input to make this into a lesson for others.

PRAYERS BY GROUP

We bind the spirit of infirmity. We command you and all your underlings to leave our bodies now in the name of Jesus Christ. We break every curse of sickness, infirmity and organ failure. We command our bodies to respond to the blessing of healing and health. Our bodies are the temples of the Holy Spirit. We desire a clean temple for the Holy Spirit to dwell in. Father, we confess to you our sins, weaknesses, failures and lack of faith. We ask you to make your grace strong in our weaknesses. Help us to trust you in the things we don't know. We command the spirit of confusions to leave now in the name of Jesus Christ.

Lord, we ask you to grant us the blessings of long life and good health in the service of the kingdom of God. The seventy years, plus blessings, and the abundant life Jesus came to bring is your purpose for believers. We cancel out the purpose and plan of the Devil to kill, steal and destroy. We refuse any part of his plan and send all his curses back to the sender now in the name of the Lord Jesus Christ. In the name of Jesus Christ, we command the body's detoxification system to be healed and every spirit that is working to be destroyed or cause to fail. You must leave us now. All doubt and unbelief must leave. We rebuke you now in the name of Jesus Christ. We loose the ministering spirits for the heirs of salvation to come and minister to us now.

Thank you Lord Jesus for providing us victory over hell, death and the grave, and power over the spirits of sickness and over all the power of the Devil. We ask to live to accomplish all the God has purposed in our lives. Let us be a positive influence for Christ each day.

We break the curses of sickness, infirmity, organ failure, Godlessness, nests of demons, doorways for demons, idolatry of possessions and ungodly holidays.
We break the curses listed in Deuteronomy 27 and 28, in the rest of the Bible, from diseases of Egypt, of every sickness and plague in Book of Law, and every curse and disease not written in this Book of the Law that we have the legal right to do so. Lord we ask that you show us any legal rights that Satan has in our lives so that we may repent and break these curses. In the name of Jesus Christ, we pray.

**LIST OF DEMONS**

We command that the demonic characteristics and spirits leave in the name of Jesus Christ of Nazareth as your name is called along with your family of repressed feelings, judgmental, impatience, uncleanliness, guilt, lack of faith, doubt, unbelief, seat of emotions, hidden spirits, beast nature, bestiality, uncleanliness, immorality, unreality, condemnation, failure, despair, idleness, pride, ego, vanity, lying, confusion, overindulgence, selfishness, lust, perversion, greed, lesbian, lawlessness, iniquity, preying, witchcraft, jealousy, dolls with pins, Voodoo, enchantments, serpents in weight, thin veil, poison emotions, demonic reins, retardation, incest, pride, idolatry and condemnation.

Spirits of diseases, susceptible to disease, sickness, poor immunity, death, illness, infirmity, poisons, poor elimination, spirits in stomach - liver - kidney - bladder and other organs, hormone imbalance and related spirits. Every family of disease represented by the thirty-nine stripes that Jesus Christ was beaten with must come out of our bodies.

SUMMARY

Healing Recommendations are provided because there is a lot of sickness in Christians, even those who believe in divine healing: anointing with oil and praying for the sick. Reading the PREAMBLE TO HEALING DELIVERANCE MANUAL will shock you about the physical and mental condition of Americans. The other articles are eye openers too.

America is no longer a Christian nation with a culture of life but now has a culture of death since it has turned against ALMIGHTY GOD. You have to be proactive in your health and educate yourself. Otherwise, you are at the mercy of the world and the world is not merciful about your health. It is not easy to be healthful in America considering what we are exposed to and what we put into our bodies.

Good health requires proper nutrition, supplements to the nutrition, bodily exercise and detoxification of impurities. Supplementation is required because we can not get the nutrition out of the foods we eat. Exercise is a necessity to keep our bodies functioning. Our world is polluted and we must detoxify to remove the chemicals.

There are evil forces at work that want to prevent our obtaining supplementation except from doctors who prescribe supplementation as pharmaceuticals. There are also forces that want to limit the world population and are using methods to do that.

If you can afford the cost of organic food, it is the most healthy but was it grown in depleted soil? Our bodies are not designed to handle the modern pollution and unhealthy food.

The above tabulated information follows after 77 SMART DIET & EXERCISE STRATEGIES.

77 SMART DIET & EXERCISE STRATEGIES

Eat Smart

Don't think you have to eat individual foods you don't like. Don't rely on a single food for good health. Food - to prevent disease, keep it colorful! Dietary sources of vitamin D. Consume your K. Kick up your calcium. Make magnesium a part of your diet. Get your C’s. The Mediterranean diet - a key to longevity? Spice up your food - and boost your health. Research continues to document the anti-cancer benefits of a diet rich in fruits, vegetables, beans, and whole grains. Broccoli: eat it raw. Up your immunity. Get your fiber.

Eat Fish. East good vegetable oils high in unsaturated fat. Avoid trans fats, or partially hydrogenated oil. Limit dietary cholesterol. Cut back on salt. Alcohol - indulge a little. Those nuts. Eat smaller meals. Start the day off with breakfast. Get adequate amounts of vitamins and minerals. East well to sleep well - for increased energy and brain power. Have your iron levels checked. Up your intake of omega-3 fatty acids from fatty fish. Avoid saturated and trans fats. Think about getting extra vitamin B12. Chocolate, wine, and tea for the brain?

PREFACE
This lesson is meant for ministry to children and also adults who have been treated with drugs to control the mind. It could also apply to street drugs which have similar effects on the person.

The saddest thing to us is that the Christian World looks to the psychiatric profession and associated occupations rather than to the Holy Bible and Almighty God about how to handle illnesses of the mind and raise children. God's Word shows you how to do these things.

INTRODUCTION
There are countless children in this country on very dangerous psychiatric drugs. They are the unwitting guinea pigs of an experiment which is turning into a nightmare of monstrous proportions. In the past five years alone, the number of children committing suicide is up over 600%. Evidence is mounting, on a daily basis, that this tragedy is directly related to psychiatric treatment of children at an early age. Even if you have no children, children are the future of this nation. You doubtlessly have been and will be affected by what is going on.

Over the past ten years, psychiatry has shifted its income base from primarily treating adults to primarily treating children. This has been made possible by group medical plans which have recently (over the past 15 years or longer) included coverage for psychiatric treatments.

As a result, there are over 400% more children in psychiatric hospitals today than in 1980. It is estimated that the number of school children carrying psychiatric diagnoses of mental illness is up over 1000% in the same time period. In today's society, hanging a label of mental illness on a child is like hanging a sign around the child's neck saying, GARBAGE: TAKE IT AWAY!
HOW CHILDREN BECOME MENTALLY ILL
Under psychiatry's invented criteria, there isn't a single normal childhood behavior which doesn't fall within the broad symptoms which comprise so-called mental illness.

Psychiatry has implanted into our lives their solution to the age-old problems of life, as well as their solution to the problems encountered in the education of children.

Psychiatry's solution is to medicalize, label and then to cash in on the most common problems of life, including those experienced daily by people who educate and live with children.

HOW THE CHILD IS LABELED
The American Psychiatric Association published a test called the Diagnostic and Statistical Manual of Mental Disorders. In the psychiatric industry it is known as the bible of psychiatry. It is so highly regarded because if a mental illness is not in this book, insurance companies will not pay the bill.

WHOSE OPINION COUNTS?
Whether any of the above CRITERIA fit any particular child, depends only on the subjective opinion of the ADULT making the DIAGNOSIS.

As anyone can observe, some adults are better able to tolerate activity in children than others. This tolerance or intolerance for that matter can even vary, in the same adult, over a period of time.

GETTING PARENTS TO BUY THE DIAGNOSIS
The real trick is to get the parents to buy the DIAGNOSIS of MENTAL ILLNESS. Parents are often told or led to believe that there is a REAL SCIENTIFIC BASIS FOR THE DISEASE. This is an utter falsehood.

The only criteria are those listed above and the obvious financial benefits to the psychiatrist and other so-called mental health professionals.

The truth is, psychiatrists say they DON'T KNOW WHAT CAUSES CHILDREN TO ACT AS THEY DO. The main criteria for having the disease seems to be the parents' willingness and ability to pay for treatment and often whether the parents have psychiatric coverage on their medical insurance.

HOW TO PROTECT YOUR CHILD
We also want any parent who still believes a child is too active, to know there are alternatives to drugging the child. In fact, there is extensive information available on handling active children without drugs.

However, the first alternative to drugging a child, which the parent must recognize and choose, is NOT DRUG THE CHILD.

Ritual Abuse
Preface
Ritual abuse is primarily oriented at children and is mainly sexual in nature. It also includes adults but the main emphasis is to affect the lives of children for Satan if they are allowed to live. It is said the this is a three billion dollar business.

We are in a life and death war with the forces of evil. Churches are vandalized, desecrated, and Bibles and churches are burned. Evil people are criminal, stealthily, organized, deadly, selfish, disregard life, devil worshiper, lust, unrestrained indulgence and forbid things of GOD. This is clearly demonic influence.

Many churches and youth groups are clueless and powerless, and kids are toxic. Since there is no power in the churches, the youth look to Satanism for power. The children are lonely, hurt, crying, fearful, lost and looking for love with anyone who will give it to them. Hurting teenagers are rejected from church because they don't fit the mold. Churches fall into sedition, gossip, false teaching, secretiveness, exclusivity, pride and arrogance.

DEMONIC CHILD ENTERTAINMENT
Thirteen Doctrines Of The New Age

1. The children of the future will serve a One World (Planetary Government) and live in a One World Culture.
2. Patriotism to one's country must be abolished and all national barriers destroyed in order to build a New One World Order.
3. Children will accept that Eastern mystical religion is to be married to the Christianity of the West to forge a new, unified social and religious order of Universal Truths.
4. Teenagers and youth will rebel and revolt against their parents and against authority to help usher in the New Age World Order.
5. Youth and all of humanity must accept that the time will inevitably come when grown-ups who refuse to become part of the New Age will have to be killed. They are to be considered as lowly germs, an infection or blot on humanity that must be stamped out and eradicated.
6. The traditional family unit is not desirable for the Aquarian, or New Age. Children belong to the government, to the world and the community--the human group--not to their parents. A new kind of family unit must inevitably come into existence.
7. Young people must be taught to believe in reincarnation and karma (the Law of Rebirth) rather than the resurrection and judgment teaching of the Bible. This belief must guide behavior, especially the sexual conduct.

8. Absurd and immature notions of sin and guilt must not be imparted to children by parents, teachers, pastors and other adults. A more permissive and worldly attitude must be adopted. (9) Children are to be taught that all religions--Christianity, Witchcraft, Hinduism, Buddhism, Islam, Judaism, Paganism, etc.--are equally worthwhile and that it doesn't matter in which God one believes.
9. The new generation of youth must recognize that Jesus did not come to save or convert anyone; because no one is lost.
10. The Christian doctrines, such as that of heaven, hell, and judgment, must be discarded and theology of the Old Testament must be repudiated.
11. A New Age World Religion must be established without Jesus Christ as Lord and Savior. The Christian Church is dead and must be replaced.
12. The coming New Age World Religion will emphasize the unity of all religions while rejecting Jesus Christ's profound Biblical statement, I am the way, the truth and the life.
They plot to decompose and destroy the family unit, subvert Bible doctrine, and promote a One World New Age Religion and Government. The roots of New Age occultism can be traced all the way back to ancient Babylon. The unholy trinity has three divinities: Father, Mother, Son. We see in these events the roots of several **cardinal New Age doctrines:** evolution, human divinity, spirit worship, reincarnation, and sexual license.

Many other doctrines, rituals, practices and symbols have been revived from the past by the New Age movement. There is a gigantic conspiracy underway. Billions will join the Jesus-hating forces of the New Age Beast. **Regrettably, most Christian leaders do not even understand the most basic rudiments of what the New Age is all about.** The word occult simply means hidden or concealed, kept from view.

Here is just a partial list of ancient satanic teachings, practices and symbols now in vogue and being pushed on the children and teens: **color therapy, heavy metal music, unisex dress, sadism, sorcery, incest and immorality, hypnotism, New Age mood music, palmistry, rebellion, astral travel, mystery teachings, ESP (psychic powers), God as Mother, astrology, nature worship, rhythmic breathing, visualization, psychedelic drugs, sodomy, feminism, necromancy, dragons, pyramids, chanting, yoga, demonic music, fortune telling, levitation, self-love, fire walking, body tattoos, numerology, pedophilia, mental imagery; the unicorn, pegasus and other magical beasts; communication with the dead; mediation (other than on God's word); and satanic symbols (pentagram, triangle & circle, etc.).**

**Twenty Warning Signs Of Satanism**

1. A sudden or rapid change in attitude toward authorities.
2. A rebellious, sullen spirit toward parents.
3. Possession or intense interest in occult and magical books; The possession of the Satanic Bible or a similar book on rituals is of special importance.
4. A philosophy or attitude that shows a reversal of norms; for example, bad is good and good is bad.
5. Animosity and cynicism towards Christianity, including GOD, JESUS CHRIST, The Bible, The Church, pastors, youth leaders, and Christian ideals and ethics.
6. Severe mood swings, a drop in grades, intense introspection, depression, loss of sleep, frequent nightmares, paranoia or excessive fear, restlessness.
7. Possession of specific Satanism-related items, which might include knives (especially daggers and knives with bizarre or medieval handles and blades), small pots, cauldrons, or incense burners; special salts or herbs; bells or gongs; tribal drums; animal parts; bones; candles; incense; amulets; talismans; charms.
8. Intense interest in, study of, or dabbling in New Age philosophies, practices, and rituals, such as ESP powers, spirit channeling, crystals, acupuncture, reflexology, reincarnation and karma, etc.
9. Morbid fascination with the dead or with death.
10. Self mutilation, including cutting oneself or marking with tattoos or body paint.
11. Black colored clothing, when worn almost exclusively, or when combined with the wearing of jewelry, buttons, or paraphernalia with occult symbology. Also, the wearing of such jewelry and
paraphernalia with any clothing, T-shirts with pictures of heavy-metal album covers or Satanic symbols, and black fingernail polish. (12) Intense interest in heavy-metal rock music, including the worship or admiration of rock stars, and the hanging of posters of these stars and their albums. Also, interest in New Age mood music.

(13) Use of illegal drugs of any kind, or alcohol abuse. (14) Obsession with fantasy role-playing games, such as Dungeons & Dragons. (15) Unusual body movements and effects such as twitching, tics, rocking, glazed eyes, head banging, moaning or groaning, chanting. (16) Lack of empathy toward the hurts in other people's lives. (17) Cruelty or inhumane acts against people and animals, or acts of vandalism. (18) Fascination or obsession with horror, slasher and occult movies, or with occult symbols. (19) Use of Satanic nicknames. (20) Fascination with blood.

**Seven Steps To Overcoming Occultism And Satanic Involvement**

(1) Confess the involvement. (2) Break the contact--and contract--with evil. Renounce your involvement by first identifying each and every act or behavior, then stating aloud to God that you permanently renounce and cast away from your life anything connected with Satan. (3) Get rid of all Satanic articles and items.

(4) Ask the Lord Jesus Christ to forgive you and cleanse you of all the sins in your life. (5) Acknowledge to God verbally the He is your deliverer. Praise Him for your deliverance. (6) Pledge to obey God, to read your Bible, to pray frequently, and to witness to others. (7) Stand daily against Satan, always with the full assurance that God is almighty and that His strength is always sufficient. Lean on God and he will protect, inspire, and lead you to victory in all things.

STUDY OF CURE - CURED - CURES

Action By God Or Physicians

 Jeremiah 33:6 Behold, I will bring it health and cure.
 Jeremiah 46:11 In vain shalt thou use many medicines - not to be cured.
 Hosea 5:13 Yet could he not heal you, nor cure you.
 Matthew 17:16 And they could not cure him.
 Matthew 17:18 And the child was cured from that very hour.
 Luke 7:21 Cured many of their infirmities and plagues.
 Luke 9:1 Power and authority over all devils, and to cure diseases.
 John 5:10 The Jews therefore said unto him that was cured.

Old Testament (Medicine And Healing)

1. A medicine, healing (cure).
2. To mend, to heal (cure).
3. Heal it, to remove (cure).
4. Bandage as placed on a wound (cured).

New Testament (Relieving And Making Whole)

1. To relieve of disease.
2. To attend (cure, cured).
3. Healing, make whole (cures).

Conclusion

I made a study of cures in the Bible; here is what I found. Either you can pray to God or you can go to the physicians to be cured. Medicine is used to relieve diseases. God is displeased when Christians do not seek God first for their cures. We have
found that demons come into a person when they have an **operation and are given an anesthetic**. Demons also come into the child during **birth by operation and drugs**.

**EXCERPTS FROM THE BIBLE**
The following are excerpts from the Bible that show how the body can be cured and healed by the casting out of demons:

- Matt. 4:23-24  **Torments, lunatic, possessed with devils - healed.**
- Matt. 8:16-17  **Possessed with devils - healed sick.**
- Matt. 12:22  **Possessed with devil, blind and dumb - healed him.**
- Matt. 17:14-21  **Rebuked the devil - child was cured.**
- Luke 4:38-39  **Rebuked the fever and it left her - healed.**
- Luke 6:17-19  **Vexed with unclean spirits and they were healed.**
- Luke 7:21  **And plagues and of evil spirits - cured.**
- Luke 8:2  **Of evil spirits and infirmities - healed.**
- Luke 9:37-42  **Rebuked the unclean spirit - healed the child.**
- Luke 13:11-17  **Spirit of infirmity - healed.**

Apparently the casting out of demons is considered healing by the Bible; it frequently says that demons were cast out and they were healed. Other verses make a strong reference to this phenomenon.

**Demons can lie dormant while waiting for the right opportunity to strike.** They can be in the body due to inherited sins from the ancestors.

**POSSIBLE ROOTS OF INFIRMITY (EXCERPTS)**

- John 10:10  **The thief cometh not, but for to steal, and to kill, and to destroy.** We have seen people exclaim they were healed when the casting out of demons is taking place and there was no prayer for healing. There are **evil forces (demons)** behind many illnesses from minor to life threatening.

**Behind a screen of bitterness, rebellion, ingratitude, and rejection hide evil spirits which work on the mind and on body chemistry and cause disturbances in physical, mental and emotional health.**

God has designed all the parts of the human body to work in harmony.

In some cases a person will repent of their sins, forgive all who have hurt them and receive healing, but will later allow themselves to get into a pattern of **unforgiveness again and allow the problem to reoccur.**

Here are a few scriptures which show the correlation between attitudes, sins and actions with sickness or disease:

- Proverbs 12:4; 14:30  **Rottenness in bones - incurable disease, stink, cancer, etc.**
- Psalms 6:7  **Eyes dim because of grief.** While I was grieving for Earline, my wife, Marie, my daughter, said that my skin turned grey.
II Chronicles 21:12-15 **Intestinal disease** because of **idol worship and murder**.
Isaiah 3:16-26 Ladies who are **haughty, undisciplined, flirtatious, and proud** may suffer **scabs** on the crown of heads, **stench of rottenness** and/or **baldness and poverty**.
Deuteronomy 28:21-35 **Disobedience** brings many consequences; some are **physical and mental illnesses**.

**ALTERNATIVE HEALTH PRACTICES**

**Healing Through Deliverance**
Alternative medical practices are not necessarily spiritually dangerous. **Whether they are spiritually safe or not, depends on the beliefs of the practitioner and the spiritual history of the practice.**

The following are some of the alternative medical practices which are known to have spiritual origins or guiding principles of New Age, Occultic or otherwise non-Christian nature:

**Acupuncture, Aromatherapy, Bach Flower Remedies, Color Therapy, Crystal Therapy, Faith Healers, Guided Imagery, Homeopathy, Hypnotherapy, Iridology, Kinesiology, Magnetic Healing, New Age Medicine, Past Lives Therapy, Psychic Healers, Psychic Surgery, Pyramid Healing, Radiesthesia, Rebirthing, Reflexology, Spiritualist Healing and Zone Therapy.**

**The Hidden Agenda**
There have always been healers proclaiming the message of herbal remedies, spiritual healing guides and a distrust of Western medicine. We recognize them as witch doctors, shamans and medicine men who practice primitive healing methods in remote tribal areas of the world.

Today the homeopath, psychic healer or alternative physician promoting visualization, acupuncture, crystal healing, iridology, reflexology or many other methods of today's alternative medicine movement would have us embrace unproved unscientific methods and occult philosophies.

These alternative health practices run the gamut from innocent, even scientifically proven beneficial techniques such as hypnosis, biofeedback and natural foods, to outright occult practices, such as spirit guides and psychic surgeons. The holistic health industry includes Rolfers, colonic hygienists, shamans, faith healers, herbalists, polarity therapists, reflexologists, naturopaths, homeopaths and psychic surgeons.

Many alternative practices are heavily steeped in false spirituality, Eastern mysticism and New Age thought. From acupuncture and aromatherapy to shamanism, yoga and Zen macrobiotics, alternative medical practices span the alphabet. They run the gamut from clever blending of fact and fancy to complete foolishness.
Failure to diagnose and treat, physical threats, toxic effects, emotional harm, wasted money, diverted resources and loss of reality can hurt or kill due to mystical interpretation of reality and pursuit of occult practices.

Are these therapies scientifically proven, medically safe and spiritually sound? See The Hidden Agenda and its Appendix for more detailed answers. The fact that doctors are combining occultic spiritual practices with modern healing produces medical quackery and false spirituality. Just because something works doesn't make it right especially for Christians.

Natural Therapies - Ayurveda, Colonics, Herbalism, Naturopathy, Homeopathy, Macrobiotics and Osteopathy.

Energy Manipulating Therapies - Acupuncture, Applied Kinesiology (muscle testing), Crystals, Flower Remedies, Iridology (iris of eye), Reflexology, Reiki, Therapeutic Touch and Universal Energy (New Age, self-transformation, metaphysical, electromagnetic, polarity, quasi-religious, oriental wisdom, cosmic radiant energy, chakras, ancient sacred knowledge, Eastern mysticism and religious concepts, Chinese and Indian philosophy, Buddhist spiritual principles, Taoism, Confucianism, Monism, Legalism, esoteric occultism, prana, face reading, hydrotherapy, manipulative, bio-force, chi, jin shin do, physiotherapy, prophetic healing, trigger point therapy, sorcery, white magic, wizardry, Acupressure).

Supernatural Therapies - Channeling, Psychic Surgery, Shamanism, Spirit Guide and Visualization (occult, spiritual and faith healing, spiritual awareness, demonic influence, clairvoyance, psychokinesis, crystal ball, fortune telling, witchcraft, tarot cards, phrenology, worship of nature, spiritual attunements, yin and yang, astral projection, alchemy, out-of-body experience, communication with dead, spiritists, spirit guide, seance, create own reality, magical healing, seeking forbidden knowledge, psychoanalysis, hypnotherapy, rituals, somatic therapy, magic, metaphysical, past life incarnation / regression, UFO contact, sacred science, palm reading, aura, pendulum, witch doctor, medicine man, past-life regression).

ACUPUNCTURE
Stay away from Acupuncture, Acupressure, Spiritualism and Christian Science for healing. According to recent medical reports, it has been found that treatment by acupuncture brought relief to only one-third of the people who have used this procedure to cure chronic pain. (Does that make it all right?)
According to Encyclopedia Britannica, acupuncture comes from two Latin words acus meaning needle and pungere to prick. Five thousand years ago, the Chinese used this method to relieve pain. According to The New Family Encyclopedia it is the yin/yang theory and many investigators attribute its effects to hypnosis. This information alone should warn a Christian not to allow these methods to be used on them. The practice of medicine was limited to the occult priests in the Hindu religion; the oldest recorded medical information comes from them. Because of this we know acupuncture is Witchcraft. The ancient Chinese were expert in the use of Acupuncture and Acupressure. Acupressure which uses pressure points and massage instead of needles, but is still based on the occult.

Often when a person receives a healing through some occult practice, they will soon find themselves with a greater illness. My (Earline's) father used an occult practice of tying knots in a string and burying it in the drip of the house to cure one of my brothers, Wilburn, of warts. Later he had spinal meningitis which killed him. He went to Heaven and GOD sent him back to earth. This could have been the swap of demon of warts for demon of spinal meningitis. (Can you be healed by witchcraft? Yes, but you swap a lesser demon for a greater demon.)

SICKNESS AND DEMONIC SYMPTOMS
Call out the symptoms of the disease as names of demons. Some examples are as follows:

**Epilepsy**
According to Taber's Cyclopedia Medical Dictionary epilepsy is a recurring paroxysmal disorder of cerebral function characterized by sudden, brief attacks of altered consciousness, motor activity, or sensory phenomena. Convulsive seizures, hyperpyrexia, metabolic disturbances, recurrent attacks of abdominal pain, headaches, falling, dizziness, vomiting, emotional instability, fainting spells and the like. Psychomotor attacks cause mental confusion, staggering, purposeless movements, may make unintelligent sounds, may have occasional outbursts of irrational and even violent behavior.

**Schizophrenia**
One out of eight people probably have some degree of Schizophrenia. Since Schizophrenia starts with the families of Rejection then Bitterness and then Rebellion, probably everybody has some degree of Schizophrenia. This personality problem begins when a person withdraws from friends, has morbid introspections, reduced initiative, strange behavior, delusions, hallucinations, and thought disturbances. Three main groups: Catatonic will have one or more of the following problems: catatonic stupor, mutism, negativism, rigidity, excitement, and violence. Paranoid will have these problems: delusions of grandeur, persecution, jealousy, or hallucination of these. Undifferentiated will have some of these: delusions, incoherence, and grossly disorganized behavior. We have seen all these types of schizophrenics freed by the casting out of demons. Most of the time the thoughts these people have are the thoughts of demons and are always meant to incapacitate the individual. In James 1:8, the Bible calls this double mindedness.
Coprolalia
This disease was recognized by Gilles de la Tourette a, French neurologist. It is the compulsion to scream obscenities. The afflicted person may have a lack of muscle coordination, involuntary purposeless movements, facial and muscle ticks, incoherent grunts and barks may accompany the obscenities. They may appear to be very vulgar, drunk or psychotic. There is little or no help in medicine. This ailment usually begins in childhood with uncontrollable twitching, especially of the facial muscles. This is usually helped by repentance and deliverance from spirits of swearing, hate, obscenities, etc.

MUTILATION
(Written by Earline Moody)
It is strange that some people seem to be needing operations on a fairly routine basis. There have been a number of times we have found Mutilation to be the ruler. He often has a partner named Accident Prone; they seem to work together to bring a person accidents and operations. (Earline had many operations until the demon of Mutilation was cast out.)

Traumatic Shock opens the way for many demons to enter. Some of the natural ones are Paranoid Fear, Depression, Despair, Discouragement, Suicide, Paralysis, Affliction, Death, Fear of Death, etc.

I (Earline) was prayed for many times in an attempt to overcome demons who had come in at our son's death. These demons strengthened those already in my mind and body. Every Sunday for almost two years I was prayed for and the demons would be quiet for a week or less. I became convinced that my problems were too much for God, I had not repented enough or God hated me. After God told me to ask Gene to pray for me in deliverance, only then did I realize I had not been prayed for correctly. Prayers of faith don't do much good unless when deliverance is needed.

SPIRIT OF PARALYSIS (EXCERPTS)
It is not strange that in the realm of healings there are relatively few among the paraplegics and quadriplegics? Although demons do not know everything about the future, they certainly know a great deal more than we do.

Spirits called Accident and Accident Prone work with others named Bone Breaker and Back Breaker to open the way for a character called Traumatic Shock.

Once the base is established and the headquarters in the nervous system is secured, Paralysis calls in spirits of Crippling, Deformity, Atrophy, Depression, Discouragement, Hopelessness, Despair, Suicide, Death and many others, and begins the systematic destruction of the victim.

Paralysis sneered at the many preachers and others in healing ministries who had prayed for this man in the wheelchair and others in similar bondage with little or no
results. He called them fools because they refused to recognize the presence and the work of demons, and thereby could not deal with the problem adequately.

Apparently, there were ruling demons of Paralysis, Affliction and Spinal Cord Scar Tissue present. I'm sure that there are others yet to be rebuked and cast out.

I am convinced that some people have such a strong gift of faith for healing that when they pray, evil spirits are literally thrown out whether the person praying knows this or not. On the other hand, if the demons are only stunned or immobilized temporarily by believing prayer, then there is always a possibility of a later revival of their work and activity. (And there is the possibility of the demons coming back in again if the sin has not been dealt with in the person's life.)

WITCHCRAFT AND SORCERY: PHARMACY - MEDICATION - POISON

Now the works of the flesh are manifest, which are these: adultery, witchcraft, fornication, uncleanness, lasciviousness, idolatry, hatred, variance, emulations, wrath, strife, seditions, heresies, envying, murders, drunkenness, reveling, and such like: of the which I tell you before, as I have also told you in time past, that they which do such things shall not inherit the kingdom of God (Galatians 5:19-21).

That word witchcraft is not the word that is used in the Hebrew. It is found only one time in the New Testament. It is the Greek word pharmakeia, Strong's number 5331. It means medication (pharmacy, sorcery) and is taken from the Greek root word 5332 pharmakeus, which means a drug, a druggist (pharmacist or poisoner, that is sorcerer).

Pharmakeia is used in Ex. 22:18, Gal. 5:20-21, Rev. 9:21, 21:8 and 22:15. The literal meaning primarily signified the use of medicine, drugs, spells; then poisoning; then sorcery. It most commonly means medicine, drugs, spells and poisoning. This is where we get pharmacy (pharmakeia).

Put pharmaceuticals in Rev. 9:21: Neither repented they of their murders, nor of their pharmaceuticals (sorceries), nor of their fornication, nor of their thefts.

BIBLICAL CURSES OF SICKNESSSES AND PLAGUES

But it shall come to pass, if thou wilt not hearken unto the voice of the Lord thy God, to observe to do all His commandments and His statutes which I command thee this day; that all these curses shall come upon thee, and overtake thee (Deut. 28:15).

Also every sickness, and every plague, which is not written in the book of this law, them will the LORD bring upon thee, until thou be destroyed (Deut. 28: 61).

ANALYSIS OF MATTHEW 5:44
But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you.
1. **Love your enemies.** We do not have to love Satan! Love in a social or moral sense: beloved. Enemy is an adversary: foe.
2. **Bless them that curse you.** Speak well of: thank or invoke a benediction upon. Curse is to execrate: to doom.
3. **Do good to them that hate you.** Do good honestly: full well. Hate is to detest: especially to persecute.
4. **Pray for them that despitefully use you and persecute you.** Pray earnestly for: supplicate. Despitefully is to insult: slander and falsely accuse. Persecute is to pursue: to suffer.
5. Forgive your enemies; there are no excuses! Whites forgive blacks, blacks forgive whites and other races forgive each other.
6. **You would have a lot fewer infirmities, weaknesses, sicknesses and diseases if you would forgive your enemies.**

ANALYSIS OF MATT. 18:21-35
**Law Of Forgiveness**
1. Forgive your fellowman 70 x 7 = 490 times. Actually there is no limit to forgiving others. How would you like it if God only forgave you for 490 sins?
2. God sends demons to torment these with unforgiveness.
3. Tormentors are Satan and his demons.
4. Prison is being in jail with Satan as Warden and his demons as guards.

**Kingdom Of Heaven Is Likened To**
The parable is: God (is The King), the Rich Man (is You); and the Poor Man (is anyone you have not forgiven).

**Value Of Money**
Talent = 750 oz. of silver; Pence = 1/8 oz. of silver.
10,000 talents x 750 = 7,500,000 oz. = $52,800,000.
100 Pence x 1/8 = 12-1/2 oz. = $44.00.

**Value Of Your Salvation**
Your salvation is worth $52,800,000.
Your unforgiveness is worth $44.00.
This is a ratio of 600,000 to 1.
God forgave you 600,000 times as much as you are willing to forgive others.

**UNFORGIVENESS**
**Spiritual Bondage**
Generally a person's demons can not be cast out if he has unforgiveness in his heart!

This is the crucifixion of the flesh until you come to your senses and forgive your fellowman and then ask God to forgive you!
Consequence Of Unforgiveness

The consequence of unforgiveness is the most important lesson that God has taught us about deliverance. The corollary is the importance of forgiveness.

Cancer, arthritis and certain other diseases can come in through the sin of unforgiveness. If you know a Christian with cancer and arthritis, see if they have unforgiveness. They cannot be healed if the demons have a legal right before God to be there.

Pattern For Being Delivered And Healed

Forgive ancestors, descendents and others, ask God for forgiveness, and forgive self. Cast out the family of bitterness. Cast out cancer and arthritis. Anoint with oil and pray for healing. Try this pattern on all diseases: first do deliverance then pray for healing.

FORGIVENESS
(Conquering The Hosts Of Hell)

Forgiveness is hard to give because it hurts to extend it to undeserving and hard-hearted ones. To release a wrong-doer instead of exacting a just penalty requires that we reach out in love, rejecting the temptation to hold bitterness and resentment. This is contrary to our natural inclinations, thus the old adage, To err is human, to forgive divine.

Forgiveness is not forgetting the wrong done; some hurts are so deep that this would be impossible. We can forget the anger and hurt we felt, but the act is branded in our minds. Forgiveness takes place when the victim accepts the loss and/or injury done him and deliberately cancels the debt owed him by the offending person. This is an act of your will and God will honor it.

Anger must be dealt with openly and honestly, not denied or ignored. Either it must be vented in retaliation or the injured party must accept his own anger, bear the burden of it, and confess it in prayer to release himself and to set the other party free. Revenge always hurts the revenger far more than the one at whom it is leveled!

In other words, our pattern must be the grievous and substitutionary death of Christ. He willingly received the hurt and evil of the entire human race in His own body on the tree (I Peter 2:21-24) to pay the debt for our guilt. He now offers what He has wrought as a free gift to undeserving and guilty persons so they can be free (Rom. 6:23; John 10:28-30).

As nothing else will, forgiveness takes us into the mysteries of grace where God forgives unconditionally on the basis of the substitutionary payment by another (Mark 11:25-26).

One of the fruits of the Holy Spirit's work in a life is the quality of meekness. It is a quality which is nurtured and abetted by practicing forgiveness.
This highly prized quality will cause us to be able to accept God's dealings with us as good, without disputing or resisting them. Meekness will also cause us to be able to bear one another's burden's cheerfully and for Jesus' sake, enabling us to enter into the mystery of Christ's sufferings.

Because unforgiveness, and the resentment and bitterness it generates is so deadly, it is not optional, but necessary that it be dealt with. Cancer and arthritis spirits definitely root into this fertile ground. To be bitter and unforgiving costs far more than it is worth.

Husbands forgive your wives. Wives forgive your husbands. Children forgive your parents. In Jesus' Name, I forgive my wife or husband my parents. Amen.

TESTIMONIES
Our testimonies are found in the Deliverance Manual and are illustrative of deliverance and healing. They were written by Earline or myself about our experiences.

Earline's Testimony About Indian Curses
What are the effect of curses? I had a heart condition which was unusual. It never occurred with regularity nor under any specific condition.

While taking a tread mill test, I experienced tremendous pain in the chest, arms and neck. Having been examined by a "heart specialist" in Minneapolis, who told me that my heart was good but he had written "death by heart attack" on many people's certificates like myself. These were people who didn't really have anything wrong with their hearts.

A year or so after my dad's death I found my heart acting up again. Sometimes one to five years would elapse between seizures. I began to ask God to show me why my brothers, dad, dad's brothers and his dad all had heart problems.

He showed me Ezekiel 18 & Exodus 20. He told me to repent for my ancestors and myself for the sin of idol worship in Leviticus 26:40-41. The curse of idol worship follows the blood line. I did these things and have been free for over eleven years. I was only the second generation from previous generations that sinned before God.

Earline's Testimony About Heart Condition
Earline's Comments
(How many of you have Indian Ancestors?)
I had a heart condition which was unusual. It never occurred with regularity or under any specific condition.

God gave me a vision of a shaman or witch doctor at an elevated funeral pyre which was burning dead bodies. He was chanting and waving, and saying on the descendents and descendents. This was supposed to be a blessing, but in actuality was a curse, because Indians worship demons. This was a curse that came down on my family causing heart problems.
**Gene's Comments**
This is a sign of demonic symptoms of disease brought about by a curse. It doesn't follow the medical guidelines. All they can say is that it is inherited.

**Earline's Comments**
While taking a treadmill test, I experienced tremendous pain in the chest, arms and neck. I was examined by a heart specialist in Minneapolis who told me that my heart was good but he had written death by heart attack on many people's certificates like myself.

**Gene's Comments**
These were people who didn't really have anything wrong with their hearts physically but had a spiritual root to the disease. The prayer of faith will not heal a disease that has a spiritual root that must be dealt with as sin to be confessed. Then the curse can be broken and the person prayed for to be healed.

God is beginning to show the Christian world spiritual roots of various diseases. Pastor Henry Wright of Molena, Georgia is a pioneer in this area. Also Art Mathias who is in Anchorage, Alaska.

**Earline's Comments**
A year or so after my dad's death, I found my heart acting up again. Sometimes one to five years would elapse between seizures. I began to ask God to show me why my brothers, dad, dad's brothers and his dad had heart problems.

God showed me Exodus 20 and Ezekiel 18. He told me to repent for my ancestors and myself for the sin of idol worship in Leviticus 26:40-41. The curse of idol worship follows the blood line down to the descendants. I did these things and have been free from these attacks for over twenty years. I was only the second generation from previous generations of Indians that sinned before God.

**Gene's Comments**
You have to forgive your ancestors and ask for forgiveness for yourself. Earline took her older brother, Clyde, through breaking the curse and he is still alive after a heart attack.

Exodus 20 lists the Ten Commandments which are still applicable today. The scriptures about worshipping other Gods are verses 3, 4 and 5. This outlines the curse for idol worship which lasts three or four generations according to God's purposes. (Does anybody know why God curses some sins for three generations and some sins for four generations?)

Ezekiel 18 shows the equity of God's dealings with us. The sin of idol worship is defined as eating upon the mountains (in the groves), lifting up the eyes to the idols (worship), and not walking in God's statutes and judgments (disobedience).
This was a revelation of the sins of the ancestors that God gave Earline through prayer about why her family was plagued by heart attack and death by heart attack. This was primarily the men that were attacked but even Earline, a woman, was attacked. The revelation was the effect of the sins of the ancestors in her family coming through the Indians to cause heart problems and early death. The sin was disobeying the Ten Commandments of having no other Gods before you, which is idol worship, that the Indians committed. Up to that time, we had never heard about the sins of the ancestors.

Earline had Cherokee Indian ancestry coming through her father and mother. We were raised in and around Chattanooga, Tennessee which was not far from Cherokee, North Carolina which had a demonic draw upon Earline. We were drawn to make a pilgrimage to the Smokey Mountains every year although we did not make it every year. In the fall, Earline would long to go to the mountains. After Earline was delivered from Indian spirits, she did not have that draw to go to the Smokey Mountains.

When you are a person of mixed races, you inherit the curses coming down through the different races, languages, customs, religions and nationalities. If you have Indian ancestry and are Caucasian, you receive the curses from the Indians and the Caucasians.

The curse would come from those ancestors that had sinned. This means that you can be cursed for ten generations (2046 ancestors) from both sides of your family.

Which of your ancestors didn't sin or that you know didn't sin? It is a good assumption that you have the curse of incest and the curse of the bastard on you. It could come from any of 2046 ancestors back to the tenth generation that sinned assuming it has not been properly broken. You will see the sin repeating itself generation after generation such as bastard after bastard.

We worked with one Indian woman who was a Christian. She had a hard time getting free of Indian curses and demons brought upon her by her ancestral lineage and sexual abuse. She was cursed by being an Indian and by incest which is very hard on a woman being abused by her blood relatives.

Earline's Testimony About Eating
1. I was sitting on the couch after eating a good breakfast. I had this urging to go and get more food, but I was not hungry. I asked The Lord why and He forced the demon within me to say, My name is "I Like To Eat", go and get me some food.
2. After casting out the demon, I Like To Eat, I told God how I had tried dieting and I knew that was hopeless.
3. I was told Obedience is better than sacrifice, and I knew how to eat but was not doing it. Plenty of fresh fruits and vegetables, not much meat and very little sweets is the basis of a proper diet.
4. Asked if I'd do what I was told, I assured God that I would. He said that food can be divided into two groups: God's and Devil's. Devil's foods include sweets to excess, junk food, and liquids which are mostly empty calories.
5. It's not bad manners not to eat sweets or any other food when you know your body has not used up the last meal. I was intelligent enough to know if I truly needed food.

6. Here are the rules in summary:
   a. Eat fruits and vegetables; include leafy greens.
   b. Do not eat much meat - three or four servings weekly.
   c. Don't eat unless you truly need to.
   d. Don't let others stuff you.
   e. Seldom eat sweets.
   f. Almost never eat junk food.
   g. Remember those whose God is their belly.
   h. Cook all foods simply.
   i. Use little fat and cut fat from the meat.

Gene's Comments
1. Earline lost about seventy pounds and weighed less than she did when we got married and before she had two children. She weighed 100 to 110 pounds which was less than Marie, our teenage daughter, who had not had any children. It was like having a new wife!
2. Do you realize that the body has enough energy for you to fast for forty days? Marie fasted for forty days on water taking only vitamins, minerals and supplements.
3. You must take care of your spirit, soul and body. You can not neglect any part of your tripartite being and be in health. You can not neglect your body and expect God to take care of it or heal you every time that you pray. One of Earline's sayings is, **If you don't brush your teeth, God will let them rot out of your mouth.**
4. Healing and deliverance go hand in hand. You can get healed by anointing with oil and praying the prayer of faith, or by casting out demons of infirmities. The Lord told me to take a person through deliverance and then pray for healing. You have a double possibility of getting the person healed.
5. Sometimes the demon of infirmity manifests as it is being cast out and you know that there was an infirmity demon in the person. If the infirmity is there because of sin, you won't get healed by the prayer of faith, because the demon has a legal right to be there. You must take away the legal right and then cast out the demon.

Our Testimony About Marie's Broken Shoulder
One Sunday after going to church, we decided to get Marie's horse, King Fox, and go to the park. After enjoying an afternoon in the sun, we told Marie to ride back and stable the horse so that we could go to Sunday evening services. She rode thru the woods and we rode around the woods in our car.

When we got back to the stables, the horse was tied up and Marie was lying in a car. She had fallen off King Fox and broke her arm. Her face was white and her lips were blue. This shocked Earline and I, but we had the presence of The Holy Spirit, so we prayed for Marie; nothing happened outwardly.

After putting the horse in the stable and Marie in our car, we headed for home. We didn't know whether to take her to the hospital or to the doctor or to depend upon God for
healing. As we rode back home, the Lord quickened this verse to my mind, **The steps of a good man are ordered by the Lord: and he delighteth in his way** (Psalm 37:23). I asked God to order our steps about what to do.

After we reached home, Marie sat in the car and felt the bones in her arm. She could feel the dislocated broken bones. We called our family doctor, but he was out and his backup was not to be found either, which was good because we sought The Lord about what to do, PRAISE GOD!

Earline said that one of us should be in the car with Marie. I said I would go and went back to my study to get the anointing oil. As I came out, Earline said, Go get your oil and pray for Marie. God had given us a Word of Wisdom, one of the nine gifts of the Holy Spirit, **For to one is given by the Spirit the word of wisdom; to another the word of knowledge by the same Spirit** (I Cor. 12:8).

We were familiar with anointing with oil and praying the prayer of faith. **Is any sick among you? let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord: And the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him.** (James 5:14-15). I then anointed Marie's forehead, held her hand of the broken arm, and we all prayed again. **Her arm tingled and she could feel the bones moving within the arm, PRAISE THE LORD!**

We then took her to the hospital where she was x-rayed and attended by a bone specialist. He was very talkative and showed us the x-ray. He could see a complete break thru the shoulder socket. The bone was perfectly set and a chipped bone was perfectly in place. We told him about praying for her arm and he said that it was unusual to see that type of break and not have to set the bone.

He put a cast just past Marie's elbow and said come back in three weeks. Earline and Marie prayed that she would be completely healed by then. He examined her and took another x-ray to prove she was not healed. **PRAISE THE LORD, she was healed, the cast was taken off, and she rode King Fox three weeks after the arm was broken!** Any doctor will tell you that it takes six to eight weeks to heal an ordinary break and longer for complicated breaks.

We had memorized a verse in church the Sunday before the accident, **Behold I am the Lord, the God of all flesh: is there anything too hard for me?** (Jer. 32:27). The answer naturally is, No!

Since then I have heard of three other cases where God set the bones, I personally know two of the individuals.

The Lord taught us a number of lessons:
1. Anointing with oil is important to Him.
2. Pray The Blood Of Jesus over your family everyday.
3. He will heal injuries as well as sicknesses.
4. Be ready to pray at all times.

To God be the glory, honor, praise and credit for everything that was done!

GENERAL OPERATING PROCEDURES

Work this lesson with Deliverance Manual or How To Do Deliverance Manual. I can not say that all cancer and arthritis is demonic, but I can say that some is the result of sin. Holding Bitterness, Resentment, Hatred, Unforgiveness, Violence, Temper, Anger, Retaliation and Murder in your heart are sins in the Sight Of God and you will pay a bitter price for those sins. Either you forgive others or God will not forgive you. Arthritis and cancer take root in bitterness; this is fertile ground for diseases to grow in.

When I was in Florida and Alaska, God showed me that we had setup a hospital with an operating room and a recovery room in the church to spiritually operate on the people in deliverance and healing. Think of this as God's Hospital with His Operating Room and His Recovery Room. In individual deliverance, I have cast out cancer and arthritis spirits. I know they were spirits because they manifested when their names were called out.

1. Anoint yourself, deliverance team and the patient with olive oil which is symbolic of The Holy Spirit. This is not magic.
2. Have one of the deliverance team open up with prayer. Train the deliverance team and give them a chance to minister.
3. Ask the patient about bitterness, resentment, hatred and unforgiveness against others, husband or wife, and themselves.
4. Ask the patient if they know of any open door for Satan to attack them with cancer or arthritis. Were there any traumatic events in their life that left scars especially in the emotions?
5. Ask the medical name of the cancer or arthritis so that it can be specifically called out. It is more powerful to call out specific rather than generic names of demons. They want you to call out their name, probably due to pride. It doesn't do any good to say that I command every demon to come out of this person in The Name Of Jesus.
6. If it is female cancer, did she have an abortion? Breast cancer can be a result of an abortion. Female diseases can be a result of a promiscuous life style.
7. Ask the patient if the deliverance team and minister can lay hands on them. You need their permission and cooperation.
8. For more power, the deliverance minister shall place their hands on the front and back of the patient's head while casting out demons. You can cast out demons from across the room.
9. Women can lay hands on women, and men on men in places where it would be inappropriate for the opposite sex to do so. Sometimes I will ask women to lay hands on a woman's chest or stomach for more power.
10. Start with Basic Deliverance: Rejection, Bitterness and Rebellion families.
11. After calling out a family of demons, have the patient take three deep breaths to help expel the demons.
12. Observe the manifestations of demons and alter the deliverance process as the need arises. Be led by The Holy Spirit.
13. Leave infirmities, weaknesses, sicknesses and diseases for last. Go after cancer and arthritis in particular. The unusual names are the spiritual names of demons known to them in the spirit world. Call out spirits of death.
14. If the situation is appropriate, take the patient through Fifty-Three Common Demon Groupings found in How To Do Deliverance Manual, Prayers And List Of Demons For Mass Deliverance or found in the book, Pigs In The Parlor.
15. Have one of the deliverance team pray the prayer of faith for healing. They need the practice of praying for others.
16. Have the deliverance team take the patient into the recovery room and continue working with the person so that you can start with the next patient.
17. In this manner of operation, the deliverance minister can work with a lot of people. Time periods can be two hours, one hour, thirty minutes or even fifteen minutes as the situation dictates.

FATHER'S BLESSING
I am an ordained minister, apostle, teacher and counselor. I have been a spiritual father to many through the years. I am now a spiritual grandfather due to my age. Many problems are caused in the spiritual realm because the person did not have a father or the father did not act the way he should have. This starts a cycle of problems for the person that will go throughout their life if not dealt with spiritually.

My child, I love you! You are special. You are a gift from God. I thank God for allowing me to be a father to you. I bless you with the healing of all wounds of rejection, neglect and abuse that you have suffered. I bless you with overflowing peace, the peace that only the Prince of Peace can give, a peace beyond comprehension. I bless your life with fruitfulness--good fruit, much fruit and fruit that remains. I bless you with success. You are the head and not the tail; you are
above and not beneath. I bless you with health and strength of body, soul and spirit. I bless you with overflowing prosperity, enabling you to be a blessing to others. I bless you with spiritual influence, for you are the light of the world and the salt of the earth. You are like a tree planted by rivers of water. You will prosper in all your ways. I bless you with a depth of spiritual understanding and a close walk with your Lord. You will not stumble or falter, for the Word of God will be a lamp to your feet and a light to your path. I bless you with pure and edifying relationships in life. You have favor with God and man. I bless you with abounding love. You will minister God's comforting grace to others. You are blessed, my child! You are blessed with all spiritual blessings in Christ Jesus. Amen!

DEFINITION OF REINS

1. **nephros**, a kidney (nephritis, etc.), is used metaphorically of the **will and the affections**. The feelings and emotions were regarded as having their seat in the **kidneys**.
2. **kidneys and loins**, nephros - kidneys, loins - waist - heart - mind, pierced within or inward parts.

DEFINITION OF KIDNEY

To the Hebrews, the kidneys, because of their sensitivity, were believed to be the seat of desire. Scripture contains many eloquent assays referring to this. When a man suffers deep within himself, he is **pierced within**; when he rejoices, it is within his **inmost being**; and when he earnestly longs, his **heart** faints within. The kidneys also seem to provide knowledge and understanding where THE WORD is rendered **mind**. **Job complains that God has split his kidneys open.**

DEFINITION OF LOINS

Ancient people commonly used **loins** figuratively for the center of emotions such as pain or terror. It is used by euphemism for the reproductive power. The loins were especially dressed with sackcloth symbolizing a mourning heart.
Loins is used in the natural sense as the seat of generative power, metaphorically of girding the loins in readiness for active service for the Lord with truth. Bracing up oneself so as to maintain perfect sincerity and reality as the counteractive in Christian character against hypocrisy and falsehood; of girding the loins of the mind, suggestive of the alertness necessary for sobriety and for setting one's hope perfectly on the grace to be brought at the revelation of Jesus Christ.

EFFECT ON THE BODY
In the above biblical definitions of reins, kidney and loins you can see the importance of various effects on the body: will and affections, feelings and emotions, heart and mind, pierced within or inward parts, sensitivity, seat of desire, suffers deep within, pierced within; within inmost being; earnestly longs, heart faints within, knowledge and understanding, mind, center of emotions, pain or terror, reproductive power, mourning heart, seat of generative power, and hypocrisy and falsehood.

From these effects come diseases of the body and soul (mind, will and emotions). You can see how your thoughts can affect your being mentally, physically and spiritually.

PREFACE
Kidney failure is a very difficult area to work in. I have found little in the medical or Christian literature about healing of kidneys when they fail. You can go on dialysis or have a kidney transplant but this does not heal the kidneys, it only maintains life. There are side affects associated with these methods of treatment. I am not aware of anyone who has been healed supernaturally, when the kidneys failed completely, by the prayer of faith and/or the casting out of demons.

It only takes 25% of one kidney to maintain life. Less than 25% results in death unless one of the two treatments is used. The accumulated toxins and fluid in the body kill the body.

If the kidneys have not failed completely, there is more possibility of being healed. This may take the form of diet and/or alternative medicine, pharmaceutical medicine and/or operation, anointing with oil and/or the casting out of demons or some combination of these methods.

SPIRITUAL PRINCIPLES
The teaching contained in this lesson could be applied to other diseases. The principles are the same but the individuals are different and have different diseases. Each person is unique with unique problems. Each person needs to be ministered to as an individual given special attention.

SPIRIT - SOUL - BODY
We are a tripartite being composed of a body which contains the soul and spirit. When we die our spirit and soul will go to be with THE LORD. To be in complete health, you must take care of these three parts. You can not neglect any one of these and be in health.
The spirit comes from GOD and will go back to GOD. Your soul is your mind, will and emotions, and all that they contain. Your body is the physical part which contains your brain where the soul resides.

To take care of the spirit requires first becoming a Christian and then following THE HOLY SPIRIT in living a holy life free of sin. To take care of the soul requires training the brain how to follow GOD and THE HOLY BIBLE and then disciplining your body. To take care of the body requires proper use of the body and feeding the body with proper food.

A lot can be said about taking care of the body. THE BIBLE has dietary laws which are worth studying. Are you feeding your body with healthy food and drink? Are you exercising and using the body correctly in areas of sex and other areas? For instance, THE BIBLE forbids the eating of blood. What effect could eating blood have on the person: mentally, physically or spiritually?

**SIN'S EFFECTS**

THE BIBLE teaches that if you sin it will affect your body. Many times the cause and effect is clearly presented. For instance, consider the occult, witchcraft or Satan worship. These will affect your spirit, soul and body here on earth and eventually send you to Hell. **If you repent over THE SCRIPTURES for some particular part of your body, you may be healed.**

**SPIRITUAL WARFARE**

We are in a life and death battle with the forces of Satan. It is necessary not only to pray but to enter into spiritual warfare where you fight against the forces of evil. This should be done on a daily basis.

Spiritual Warfare Personal shows how I apply these principles to my life. Spiritual Warfare General shows how anyone can apply these principles to their lives. I use these almost daily.

**KIDNEY DISEASE**

Some medical terms for this disease for you to research are glomerulonephritis, kidney and nephritis. Renal means kidney. There are a list of names pertaining to symptoms of disease in each category.

**DIABETES**

Diabetes is called autoimmune disease, hyperglycemia and diabetes mellitus. The spiritual root behind diabetes: extreme rejection and self-hatred coupled with guilt. There is direct rejection by a father and sometimes, a husband, or a man in general. Fear, anxiety and stress is a root cause and the unloving spirit that allows self-hatred, self-rejection and guilt. Fear can be inherited. Scripture: Eze. 18:17, Exe. 20:4-5.
HIGH BLOOD PRESSURE
It is caused by fear and anxiety. High blood pressure is hypertension caused by fear, anxiety and stress. Scripture: II Tim. 1:7.

PLEASANT VALLEY CHURCH
A letter from the church stated, We are still learning, but so far our experience with kidney failure is that the spiritual dynamics behind it can be rejection, self-rejection, envy, bitterness, fear, and a spirit of death, hell and destruction. These are some areas you might want to explore.

Pleasant Valley Publications has some books and tapes that are recommended for purchase. The church also conducts training and seminars.

SPIRITUAL ROOTS OF DISEASE
GOD has shown Pastor Henry Wright of Pleasant Valley Church about spiritual roots of disease. If there is a spiritual root to the disease, the person can not be healed but has to be delivered. The sin that opened the door to the disease must be dealt with first. This is either the sins of the ancestors, someone who had spiritual authority over the person, the person or some combination of these open doors to disease.

WELLSPRING MINISTRIES OF ALASKA
I had a telephone discussion with Art Mathias, author of Biblical Foundations of Freedom. He stated that kidney failure may be from many different causes; he had nothing specific. He suggested working through his book and also the book, A More Excellent Way. Start with bitterness which is an open door to diseases such as cancer and arthritis. Bitterness is a strong demon, a principality.

OTHER DISEASES
(The Continuing Works of Christ)
Cardiovascular System, Coronary Artery Disease: The Bible says, In the last days men's hearts shall fail them because of fear (Luke 21:26).
Hypertension: High Blood Pressure. Fear and anxiety is the root for high blood pressure. The Bible and medical science agree. What we teach is not opposed to medical science. In fact, what I see in the Bible only proves medical science and medical science only proves the Bible.
Stroke and Aneurysms: Strokes and aneurysms are the result of rage and anger, but behind the rage and anger is also fear. Do you know why people go into rage and anger? First of all, they have a root of bitterness. They are really afraid to deal with issues. Rather than being confronted on an issue and having to deal with it, they just blow up because that is their defensive mechanism. They don't want to be confronted on an issue because they are afraid of men and they are afraid of rejection.
Disturbances of Heart Rhythm: Such things as rhythmic problems. Irregular heart beat and Mitral Valve Prolapse are the result of anxiety and stress.
Muscles and Tension Headaches: We rub the back of our necks when we are under stress and tension to relieve the pain. Why not turn to God and deal with the fear and anxiety?
Muscle Contraction Backache: Again anxiety and stress is the issue. I have witnessed many healings when people have repented of the lack of faith in God and then learned to trust Him.

Rheumatoid Arthritis: There is a direct relationship between the tremendous stress of self-hatred and all autoimmune disease. The person is afraid of themselves. They just don't want to face themselves. Out of that come self-hatred, out of that comes the guilt, out of that comes the conflict that causes the white corpuscles to attack the connective material of the bones, and eat at it, and produce rheumatoid arthritis.

Pulmonary System: Asthma and Hay Fever. John Hopkins University is now teaching that Hay Fever and Asthma are not caused by airborne allergens. It has nothing to do with breathing, dander, dust, pollen, etc. Anxiety and fear cause it. It can be inherited, but it's coming out of deep-rooted anxiety and fear. I have proved this many times over.

Immune System: Immunosuppression or Immune Deficiency and Autoimmune Disease: Over secretion of cortisol and catecholamines destroy the immune system, and the result is autoimmune diseases. The Hypothalamus controls over 23 hormones including these two. Autoimmune diseases occur when the white corpuscles attacks living flesh and destroy it. Lupus, Crones, Diabetes, Rheumatoid Arthritis, and MS are examples.

We have learned that the body attacks the body as a person attacks themselves spiritually in self-rejection, self-hatred, and self-bitterness. The body agrees with the mind and starts attacking itself. That is a high price to pay for not loving yourself.

Gastrointestinal System: Ulcers. For years the medical community believed that stress and anxiety caused an irritation in the stomach, which eventually caused the ulceration. Recently they have begun to prescribe antibiotics are telling us that a bacteria or viruses cause ulcers.

People who have ulcers also have compromised immune systems because of the anxiety and stress. When you have a compromised immune system, you don't have the ability to defeat bacteria and viruses. The fear and anxiety come first and the bacteria and viruses show up after the immune system is compromised.

There are a number of gastrointestinal problems that are caused by anxiety and stress. They include Irritable Bowl Syndrome (IBS), diarrhea, nausea, vomiting, and ulcerated colitis.

Every single malfunction in the gastrointestinal tract is caused by anxiety and stress. The peace of God in your heart regarding issues in your life is the cure. (With the exception of Crones disease, which is an autoimmune disease.)

Genital Urinary System: Diuresis, Impotence, and Frigidity are caused by anxiety and fear.

Skin: Eczema, Acne, Dermatitis: Adolescent acne is caused by fear coming from peer pressure. It is not a genetic or biologic problem by itself, but in most cases the kids are afraid of other kids. That level of fear and anxiety triggers increased histamine secretion. It also increases white corpuscle activity in the epidermis thus causing acne.

Endocrine System: Diabetes and Amenorrhea
Central Nervous System: Fatigue and lethargy, Type A behavior, overeating, depression, and insomnia are all caused by fear and anxiety and stress.

PASTOR RON TIFFIN

I had a telephone discussion with Pastor Ron Tiffin of British Columbia, Canada concerning the healing of chronic kidney disease of various people that the church has ministered to; they had amazing success. God showed him that kidneys are mentioned as reins in THE BIBLE. The deep roots are jealousy, envy and rejection which must be overcome.

You are set free by THE TRUTH OF THE BIBLE which is an ongoing process of learning: line upon line, precept upon precept, a little here a little there. The person must be taught THE TRUTH OF GOD, ministered what was taught and prayed for. John The Baptist said to clear the pathway for JESUS CHRIST. As we follow the pathway to GOD, we rectify sins and clean up our lives opening the pathway for healing. Through the teaching of THE WORD OF GOD, a person needs to know how they got into trouble and how they got out of trouble, or they will go back into trouble.

You must turn to GOD rather than man. THE BIBLE IS first and foremost rather than men's books which are to only be used as support for THE BIBLE. You must agree with THE TRUTH OF GOD and receive it into your heart.

You need to believe that you are accepted, loved and worthy. Every person needs individual ministry. You can not heal a broken heart; it must be mended by a father's love either by GOD or man. This could be a pastor or minister with the heart of the Father.

There is tremendous turmoil and need in THE BODY OF CHRIST JESUS. Many times it is father or mother who didn't do their parenting properly and the person has turned against them in some way. There can be denominational bondage due to false teaching. There are generational curses, abuses in the family line, racism, and other means that opens the person's spiritual armor to penetration by diseases and demons.

The person needs to recount their problems to the minister. This is the spiritual profile of the individual who must be brutally honest.

VICTORIA WEBB

Conversation

I had a telephone discussion with Victoria Webb of British Columbia, Canada who had a healing of her kidneys. She used the methods of her church and Pleasant Valley Church along with THE HOLY SPIRIT teaching her. Kidney disease is like a planter wart with many spiritual roots. This is a delicate and difficult matter. She received a Miracle of Mercy.
Positive Actions
Positive things to do are: line up with GOD in repentance, live up to GOD's WORD, walk in resurrection life, die to self, live for Him, agree with THE WORD, exercise the power of prayer, control your reins, read scripture and pray. Get the elders of the church to anoint with oil, lay hands on the sick, have the church to pray for healing and receive beauty for ashes.

Negative Actions
Negative things not to do are: make a bitter-root judgment, speak death, don't love self, blame GOD, be angry with GOD, think and talk death, and make a covenant with death.

Effect Of Others
You can be affected by your family or others who have spiritual authority over you: generational curses and curses in immediate family; family alienation, strife, bitterness and bad blood; mental and emotional abuse; medical diagnosis speaking a curse; living in a death world; and betrayal, abuse and lying.

Names Of Demons
She mentioned the following which can be used for names of demons: root of bitterness, kidney stone, cancer, nephritis, unforgiveness, deep hurt, self-hatred, rejection, bitterness, destruction, high blood pressure, fear, trauma, heart disease, broken spirit, unloving spirit, murderous rage, anger, guilt about bondage, rebellion, witchcraft, black magic, hypertension, broken heart, and other related ailments. Assume the names of what is wrong with the person are the names of demons.

MEDICAL DICTIONARY
A handy tool to use in deliverance is a medical dictionary. You can look up the name of the disease and its symptoms. Use the name as the ruler demon and the symptoms as the lesser demons. Think of it as a family with a head and members of that family. This method has proved successful in some instances.

NEPHROLOGY FAMILIES OF DISEASES
Kidney failure has certain families of diseases. Consider these families because they have different symptoms in each grouping. These come under the category of nephrology. The following are conditions: acute glomerulonephritis, chronic glomerular, hypertension nephrosclerosis, nephritis, acute interstitial nephritis, acute renal failure, acute tubular necrosis, chronic renal failure, diabetic nephropathy, hematuria, ischemic nephropathy, kidney stones, nephrotic syndrome, polycystic kidney disease, proteinuria and microalbuminuria, renal artery stenosis and renal vascular hypertension.

The kidneys can be affected by high blood pressure and diabetes which destroy the nephrons in the kidney and cause fluids to be retained in the heart. Other families that need to be considered are hypertension and diabetes.
WORK BOOKS

THE BIBLE is your main book. You have to study the whole BIBLE for mental, physical, spiritual and material health. It is recommended that you work your way through the books, A More Excellent Way, Biblical Foundations of Freedom, and Deliverance Manual. Healing and deliverance go hand-in-hand together; they compliment each other. You can be healed by deliverance, divine healing or a combination of both. Completely read the books and follow the instructions. The time spent is worthwhile if you want to be delivered and healed. It may be the only way to rid yourself of disease because these are complex areas and humans are complex beings.

SECTION 16 - TESTIMONY - JESUS SET MARIE'S BROKEN ARM

One Sunday after going to church, we decided to get Marie's horse, King Fox, and go to the park. After enjoying an afternoon in the sun, we told Marie to ride back and stable the horse so that we could go to Sunday evening services. She rode thru the woods and we rode around the woods in our car.

When we got back to the stables, the horse was tied up and Marie was lying in a car. She had fallen off King Fox and broke her arm. Her face was white and her lips were blue. This shocked Earline and I, but we had the presence of The Holy Spirit, so we prayed for Marie; nothing happened outwardly.

After putting the horse in the stable and Marie in our car, we headed for home. We didn't know whether to take her to the hospital or to the doctor or to depend upon God for healing. As we rode back home, the Lord quickened this verse to my mind, The steps of a good man are ordered by the Lord: and he delighteth in his way (Psalm 37:23). I asked God to order our steps about what to do.

After we reached home, Marie sat in the car and felt the bones in her arm. She could feel the dislocated broken bones. We called our family doctor, but he was out and his backup was not to be found either, which was good because we sought The Lord about what to do, PRAISE GOD!

Earline said that one of us should be in the car with Marie. I said I would go and went back to my study to get the anointing oil. As I came out, Earline said, Go get your oil and pray for Marie. God had given us a Word of Wisdom, one of the nine gifts of the Holy Spirit, For to one is given by the Spirit the word of wisdom; to another the word of knowledge by the same Spirit (I Cor. 12:8).

We were familiar with anointing with oil and praying the prayer of faith. Is any sick among you? let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord: And the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him. (James 5:14-15). I then anointed Marie's forehead, held her hand of the broken arm, and we all prayed again. Her arm tingled and she could feel the bones moving within the arm, PRAISE THE LORD!

We then took her to the hospital where she was x-rayed and attended by a bone specialist. He was a very talkative and showed us the x-ray. He could see a complete break thru the shoulder socket. The bone was perfectly set and a chipped bone was perfectly in place. We told him about praying for her arm and he said that it was unusual to see that type of break and not have to set the bone.

He put a cast just past Marie's elbow and said come back in three weeks. Earline and Marie prayed that she would be completely healed by then. He examined her and took another x-ray to prove she was not healed. PRAISE THE LORD, she was healed, the
cast was taken off, and she rode King Fox three weeks after the arm was broken! Any doctor will tell you that it takes six to eight weeks to heal an ordinary break and longer for complicated breaks.

We had memorized a verse in church the Sunday before the accident, **Behold I am the Lord, the God of all flesh: is there anything too hard for me?** (Jer. 32:27). The answer naturally is, No!

Since then I have heard of three other cases where God set the bones, I personally know two of the individuals.

The Lord taught us a number of lessons:
1. Anointing with oil is important to Him.
2. Pray The Blood Of Jesus over your family everyday.
3. He will heal injuries as well as sicknesses.
4. Be ready to pray at all times.

**To God be the glory, honor, praise and credit for everything that was done!**

   BYRON'S DEATH
   From Death Into Real Life

   This is the testimony of my family: Earline, my wife; Marie, my daughter; and Byron, my
   son. We were married in 1955 by Dr. Lee Roberson, who had a practice of not marrying
   anyone who was not a Christian. Little did we realize then what a difference it makes for
   both spouses to be Christians and for God to control your family. We give God the credit
   for our successful marriage of 25 years.

   We were average Christians who never had really done anything very bad or very good.
   Although I had held most of the positions in the church, there was not much love in my
   heart for others. Nor did we see much love in the many churches we attended as I moved
   around the United States following the engineering profession. Worship services were
   more of a formality.

   Earline had a number of miscarriages. Thyroid and parathyroid were completely
   removed as a teenager. The doctors said that we could not have any children. Earline
   began praying, and in 1960 God rewarded us with a beautiful baby boy we named Byron.
   Two years later, God gave us a beautiful baby girl we named Marie. They were all the
   children we could have because of Earline's health.

   We went to traditional churches. They did not teach us about the miracle-working God.
   We did not see the miracles of God for twenty years. After several medical checkups
   culminating in a $500 one in 1973, it was conclusively proven that Earline had no thyroid
   or parathyroid. According to the doctors, she could not be alive, but was doing fine at 40
   years of age. We later recognized that our children were medical miracles.

   We had a near perfect family for 12 1/2 years, then tragedy struck. Byron climbed a tree
   and touched a 4000-volt power line and fell 50 feet. We really began to see God at work
   in our lives. I would like for Earline to tell what happened. We still don't understand why
   it had to happen or what all God has done for us.

   On May 22, 1973 my world came to a crushing halt! As the children played, two
   neighbors came over to join me for tea. The children came in for cookies and went out
   again. Byron stood by my chair, his arm on my shoulder, gave me a little hug and said
   some day he would climb a tree to the very top. Turned, on the run, and said, "You're a
   nice mom", went out the door and climbed a tall cottonwood.

   Soon, one of the children said that Byron had fallen out of the tree. One look at Byron
   and I knew only God could help him. Marie and I began to pray as never before.
   Nothing in my life had prepared me for this moment. No faith in God rose to meet this
   crisis.
On the way to the hospital, we became sure that God didn't love us or He would never have let this happen. Having nothing else to cling to, we clung to God anyway (Ps. 50:15).

At the hospital, I accused God of not living, not caring, not being. He so lovingly said, "I love you, Gene and Marie more than you love each other, more than you love yourselves. I love Byron more than you do". I couldn't believe Him. I told God, if He didn't do something to prove He loved us and that Byron was in Heaven, I would kill them and myself. I told Him if Byron was not in Heaven I didn't want any part of it either.

With all this fussing at God, I could only feel love coming to me. He said "All things are His including the tree, the power line and all the earth" (Ps. 50:10-12).

I heard myself telling Satan to remove death from Byron in the name of Jesus. Byron lived on as a miracle. I didn't know this was possible (rebuking Satan in Jesus' name).

After Gene arrived, I told all God had said. We could not believe that God really was talking. We didn't know He talked today.

As we prayed together, God assured us of His love and His everlasting knowledge. He knew Byron's future and asked if we did or would be responsible for it. A real belief and reliance in God's words sprang up in us and we were able to give Byron into the hands of this loving God. At that moment, he died.

One glance at the doctor's face and we knew before he spoke "death". I had been in the hospital with an extremely rapid heart beat. Now I could hardly see and my heart had gone mad - beating wildly. As I stood, God acted. Something very wonderful began at the top of my head, eyes were suddenly clear, heart suddenly regular. I was so calm I was startled. Peace had come over me so that I could hardly bear it. I didn't understand "peace that passes understanding" (Phil. 4:7). Now I knew this peace and understood Jesus more.

People came to console us. All we could do was tell them about this Jesus we had just experienced and all He had done for us. We had no need for the pills that were offered. We had just met the God of power and were sure we could rely on Him for all things. God had become greater than our loss and fears. He is real, He is alive, He has power, He loves us.

We saw visions, had dreams and interpretations of dreams, and had words of knowledge and words of wisdom. We didn't know where these things came from. In John 16:13 we found the answer. Later on we met people who could explain the Baptism of the Holy Spirit. We received this Baptism, a prayer language, a new joy in reading the Bible and understanding. Isaiah 16:14 is a promise which God has richly kept.
Once it seemed that Byron visited me - whether in a dream or vision I'm not sure. I asked about his death; he said it was terribly cold but now everything was fine. I asked if he had seen Jesus; he said Jesus was nearly always with the children but was not there - and then Byron left.

God came to Marie in a terrible dream that showed Byron coming out the casket, sitting in a wheelchair and talking out of the side of his mouth. God gave me the interpretation. If we had not let God's perfect will be done, Byron would have been a living vegetable. We would have regretted praying for him to live.

God did many kindnesses for us to show that He was alive and loved us. Before we knew about raising our hands and praising God, He held our hands and walked with us. God spoke audibly to Earline several times. Byron had only been dead a short time when God told us that we must share what He had done for us with others. God told us when Byron accepted Christ and that Proverbs 20:11 changed him from death to life.

Jesus Christ was Savior but not Lord and Master for 20 years. We dedicated ourselves totally to God in 1973 and things began to happen. We had never tithed. We started tithing 10% after deductions and God cut my salary to 10 times the tithe. After we searched the Bible and found out that we owe God a tenth of gross income, then God found me another job. He had cut my salary $2,000 a year but he gave back $5,000 a year after my heart was right.

God has given our family divine health for the past seven years. The first major miracle was to heal Earline's back. She had been losing calcium for five years and was becoming a cripple. In addition to healing her back, God lengthened her leg 1/2". Then God healed Earline of her allergies. She went to a world renowned doctor, Dr. Browning, who found that she had 175 allergies and he said that she could never be cured. One night when she was about to take her shot, God spoke and said she didn't need her shots. She has not taken a shot since and is completely healed. When I saw God heal Earline, I decided by faith to stop taking my shots; God faithfully healed me from my allergies. Marie has been healed of many minor ailments by prayer such as a broken tail bone and ear ache. We could spend many days telling about people that we have seen God heal.

One Sunday afternoon, Marie decided to get her horse, King Fox, and go riding. When we got back to the stables, Marie had fallen off King Fox and broken her arm. This shocked Earline and I but we had the presence of the Holy Spirit so we prayed for Marie.

We didn't know whether to take her to the hospital or to the doctor or to depend upon God for healing. As we rode back home, the Lord quickened Psalm 37:23 to my mind, "The steps of a good man are ordered by the Lord". I asked God to order our steps.

Marie sat in the car, she could feel the dislocated broken bones. We called our family doctor, Dr. Lee. He was out and his backup was out too.
I went to my study to get the anointing oil. As I came out, Earline said, "Go get your oil and pray for Marie". God had given us a "Word of Wisdom" (I Corinthians 12:8). We were familiar with James 5:14 and 15 about anointing with oil and praying the prayer of faith. I then anointed Marie's forehead, held her hand of the broken arm, and we prayed again. Her arm tingled and she could feel the bones moving within the arm.

We then took her to Doctor's Memorial Hospital where she was x-rayed and attended by Dr. Kilroy, a bone specialist who showed us the x-ray. We could see a complete break through the shoulder socket; the bone was perfectly set. He said that it was unusual to see that type of break and not have to set the bone.

Earline and Marie prayed that she would be completely healed in three weeks. The doctor took an x-ray to prove she was not healed. PRAISE THE LORD, she was healed, the cast was taken off, and she rode King Fox three weeks after the arm was broken! Any doctor will tell you that it takes six to eight weeks to heal an ordinary break and longer for complicated breaks.

Jeremiah 32:27 says, "Behold I am the Lord, the God of all flesh; is there anything too hard for me." God is only limited by our faith. Since then, I have learned of three other cases where God set the bones. To God be the glory, honor and praise for everything that was done.

We were baptized in the Holy Spirit at the Full Gospel Business Men's Fellowship International meeting in Baton Rouge. We have received the fruit of the Spirit: love, joy, peace, long suffering, gentleness, goodness, faith, meekness and temperance. Spiritually God has filled our cups to overflowing with His love and grace. Materially God has met all of our needs out of His riches in Glory through Christ Jesus.

The first year after the Baptism we went to as many meetings as we could attend to learn and be blessed. Then God began to deal with us about helping others. Now, we minister to whoever God puts in our path. We pray for the sick and those needing deliverance. We have seen the sick healed and God grow out arms and legs as much as 2”. We have seen demons cast out and the dead raised (Matthew 10:78).

**Gene's Testimony About Byron's Death**

After Byron's death, the world seemed unreal. I wanted to leave this world and I asked God to kill us. This was an improper prayer and it was a selfish action on my part. Losing Byron was like losing an arm or a leg. We searched the Bible to see if we could commit suicide, go to heaven and be with Byron, and also to be out of our misery. The Bible says that you have no right to commit suicide and you may end up in Hell. We prayed that the plane would crash in the Atlanta Airport. There were one-hundred tornadoes in Atlanta that day and the plane shook on its take-off. My grief really was for my loss and for myself. God told us that Byron was in Heaven. I would sit and hold Byron's picture and cry; I did this many times. I felt like I had to grieve over Byron's death or I was not showing proper love for him. I would drive to work praying and
crying. I cry often now but they are tears of joy. I have found that there is nothing wrong with a man crying in the sight of God.

I did not want to work but God told me that I must support my family. I tried to go to the mission field but nobody wanted me; they only wanted me to go to the seminary. God told me to continue to be an engineer and to start helping others who were in need.

After Byron's death we really started seeking God. Jesus was our Savior but He became our Lord and Master also.

Byron's death caused us to reach out and help others who were experiencing death in their families. God has helped restore our lives as we have helped others. Now we have a ministry of helping others centered around deliverance.

It took four years to write our testimony "From Death Into Real Life" and to overcome our grief. I handled my grief by the following steps: I quit looking back at Byron's death, I ministered to the needs of my family, and I went on with what the Lord wanted me to do.

Earline's Testimony About Byron's Death
There are days you never forget. Some are joyful, happy, fun days and others are terrifying, horrible days. May 22, 1973 was one of those terrifying days.

It started off as a lovely day. Spring in Minnesota is a beautiful, delicate time of year. It begins in lovely pastels and flows into stronger hues. This day was so lovely in its beginning. The children are off to school. I spend some time reading my Bible and praying for the members of my family. Then it's time for the housework. I've been busy all day and in a hurry to finish so that I'm free by the time the children come home from school.

Here they are at the door eager to get in and tell all about the day's events. Byron hits the back steps on the run with the usual "Hi Mom!" Marie is not far behind. They have some snacks, change clothes, and run out to play.

Our pastor's wife and children, and a neighbor come by. I make tea for the adults and the children go off to play. Byron comes in, hugs me where I sit, tells me "I'm a good Mom," and sneaks a cookie out of my saucer. Tells me as he rushes out the door that, "Someday I'm going to climb to the top of a tree". He's gone but I hear me saying, "Don't climb the tree at the top of the hill". He doesn't hear.

The talk among adults begins again, pastor's wife leaves, and neighbor stays. The door slams and the pastor's son says "Byron fell out of the tree". I rush up the hill to where he lays. One look and I know there is no hope except in God. We begin artificial respiration but there's no response. I hurry to call the rescue unit. They are here in no time. The route to the hospital is cleared; we're there in a matter of minutes. All the way Marie and I pray begging God to help him, to heal him.
Now he's in the emergency room; they are trying so hard to help him. We're in the waiting room praying; praying as we have never prayed before. They've called Gene; I'm praying for him. His children are the light and joy of his life, and now only God can restore his son. Oh God, please help him!

During this wait, I hear myself thinking, "Where in God's Word can I find help?" By a miracle He has given this child, how can He let him die? How can I let him die? I hear my voice asking God, "How can you say you love him and us if you will not hear and heal?" And God said, "I love him more than you do". I tell God I don't understand it. I reason with Him that Jesus didn't have children here so how can He understand? All He says is, "I love you, Gene and Marie more than you do. I know the present, past and future of all things". Not once did I feel He did not love me or them but I truly could not understand.

Gene is here now; a moment I've desired and dreaded. He is told everything; I tell him what God has said. We still cannot say "Lord we trust you, have your way here".

As in a distance, I hear myself tell the Devil to remove death from this child; that in Jesus' name he cannot have him. And Byron lives on in a coma.

As time passes, God's love and assurance penetrates us; at least we are able to say, "He is yours". At this moment God removed his spirit. We never had been able to dedicate our children to God. Somehow we were afraid of God. He had not become a God of love and power to us but He is becoming so now.

Now I am letting all my fear out to God. I tell Him, "If this child dies, I will kill myself, Gene and Marie because I know with certainty that I cannot help it". Even knowing what the Bible says about suicide and murder, I know I cannot help myself.

Byron had never been down the church isle nor had he joined the church. When he was a baby, he was loving and a joy to behold. All of his life he excelled in all things: school, sports, etc. Instead of growing away from his family, he seemed to grow closer.

In the year before his death, he was happiest when we did things as a family. At night he would study or pretend to until Gene finished his work in the study and came down to the den. He had a favorite chair. He would get up and walk around the room and his dad would sit in Byron's favorite chair Byron jumps in his dad's lap and sits there during the news. He's 12 years old and we're wondering when he will start to rebel.

I'm remembering how Byron, Marie and Gene play together, and now one will not be present anymore. The pain is so great that I tell God, "If Byron does not make it into Heaven, I don't want any part of your Heaven". I tell Him that He must do something for me so I will know where Byron is and that God himself really exists and has a personal love for each of us because if He does not I don't need Him or want Him.
For 2 ears before Byron's death, I had begun to feel there must be more to being a Christian than I saw in myself or in any other Christian I ever knew. If there was no more than what I had and had seen in others, it was not enough.

One Sunday I issued God an ultimatum; He had three Sundays to do something to prove His existence. Now I couldn't see that He performed at all that first week nor the second week. At last the third week came and I was truly expecting something to happen. I didn't know what but something--nothing happened. I quit church that day spiritually.

Friends had started a Bible study group. They were going to skip around and study different books of the Bible. I told them, "No, I'd quit". Their shocked faces amazed and amused me. They didn't seem to have anymore of God in their lives than I did. I retorted that, "If I ever read again in that Book, I'll start with Genesis, and go all the way through the Book. If I found no more than I had before, I'd burn the Book and think of it no more".

Well, they started in Genesis and found some very interesting things. Like that group in the desert that was at least as big a group as all the people in Houston (where we lived at that time) plus all the surrounding area. Now Houston had 2 million people there.

That set me off. I had just been hearing how much water we used in Houston including food, clothing, etc. I was in amazement at how God cared for the people. I got my Bible and I read, "Did your clothes get threadbare or your shoes wear out?" I then am truly amazed because I do already know about the manna and quail. Well, I didn't stop going to church but I did begin to look at the Bible differently. I learned a lot about the Bible and believed in God more.

But here I am living by Baptist standards and by then my child may be on his way to Hell; only God knows and I must know. I asked God for a sign or I told Him that I would die and my family also.

The doctor comes in now. One look at his face and I know his words will be "death". As I try to get up, I realize my heart is beating so hard I cannot see. As I stand up and grab for his jacket to hold on to, something begins to happen. I can see and besides there is a sweet, sweet peace coming over my head. It's down to my shoulders and now my heart instantly begins to beat properly. The sweet peace continues until I am strengthened even to my feet.

At the moment the doctor says he is gone, that sweet peace begins to flow down over me--assurance unshakeable that comes from God. Byron is with Him, God exists, Hallelujah! He loves us, will strengthen us, will be with us, and preserve us. No one has ever been able to shake this answer in my mind or spirit.

As we go in to tell Byron good-bye, our hearts realize that he is already with God--what can I say to his body? I love him so much I cannot cry. I want to scream it cannot be so. I want to grab him up and run away where no one can take him from me but that sweet,
sweet peace comes. I cannot shake it--I want to--I don't want to. We are told we must leave. It is like ripping us into shreds but we know we must go.

There are things we must take care of. As the problems appear, we pray that God shows us what to do. Where do we bury Byron? Our home then was in Minnesota but we didn't believe we would stay there long. We could not bear to leave him there. God gives me a vision of a place I had not seen since I was about five years old; didn't know where it is or even if it exists. Mother tells me it is where my grandparents on my dad's side are buried. It's a family plot in Tennessee. As questions come up, God gives the answers.

As we are going through the church services, I am numb. I can only feel pain and that sweet, sweet peace. All the children from his school come to the funeral. Gene has asked the pastor to tell the children of God's love and Jesus' provision for salvation. God anoints the pastor and it is a truly inspired service. It is over; I still am numb and in great pain but that sweet peace refuses to leave.

We fly to Tennessee to complete the service of burial; now it's over. Still I cannot sleep; I pray and wait. I cannot see how I can go on living. I'm always asking God just to give me strength in body, soul and spirit for the next job and after that the next.

I am very pained because we had planned for Byron to have a jet ride; now he is but he cannot see or enjoy it. The pain is too great to cry--only moans come out. Marie reminds me that his spirit has already flown higher than jets.

I don't want to go home to Minneapolis but I know I must. I'm the type that if I run from pain or unpleasantness, I will continue running. This is why I have to guard against anything which gives artificial help like drink, drugs, people, etc.

We drive to Atlanta to the airport. Atlanta has over one hundred tornadoes that day--some big, some small. The plane sits on the ground for hours. At take-off it labors and shakes until we are beginning to wonder if it will make it. I'm thinking that maybe God will answer my prayer and help us to get to Heaven together: all three of us right now. So I don't pray for the plane or even the other people because my pain is too great.

Later on I ask God to reveal to me when and how Byron was saved. He flashed an incident across my memory. Byron had read Proverbs 20:11 one day in Sunday school. The lesson was not interesting so he read on in his Bible. On arriving home (then I'm suffering from allergy) he was glowing and he told me this verse. From then on his life was changed.

I am sharing these events in my life with you so that you may know of the love of God for your personally. He has asked all saved people to tell others of this great love which welcomes all people regardless of condition to the Savior who loved us so much that he died on the cross to redeem us to Himself.
In a few nights I'm praying and asking God if I might see Byron in a dream or vision if it wasn't against His rules. As I was sleeping this night I heard a loud sound like a knife falling on concrete. I think I'm awake; even now I'm not sure. I feel this presence at the head of my bed. I cry out, "what are you?" Byron says, "It's me, Mom". I immediately asked Him, "How is everything with you?" He says, "It's fine, so very fine". Then I asked him if Jesus is there. This had been an important question on my mind and only Jesus could answer it. He said, "Jesus was not there just then but was there most of the time". I asked, "How was death?" He said "It was so cold and terrible when the accident happened", but hastened with much joy to add that "everything is wonderful and fine now".

A few days later I am so close to the brink of despair or insanity. I asked God why He let this happen to us. I know a family with several children they do not want. The children are pitiful in every way. "God why didn't you take one of them?" He only answered, "I began to prepare your family for this time 2 years ago. I drew you back, Gene back, and Marie was saved. I love and prepare my children for all things." But why he died, God did not say.

We knew nothing of the Gifts of the Holy Spirit, yet they were operating in our lives then. I had dreams, Marie had a vision, and Gene had the interpretation.

There were many times I would reach points of no return knowing that easing into insanity was next and that was welcome. I'd just scream "Jesus" until it became a whisper, and peace and strength would return. There is more power in that name than any man has yet understood.

It is now four years later. We have found out much more about the God of love and power. About 1 years to 2 years after Byron's death, we were still earnestly seeking God. We had discovered that God heals and baptizes in the Holy Spirit. Now we know He loves us, cares for us, and protects us.

I received a healing in my back in 1975. Later on in that year God told me that I need not take any more allergy shots. I had 175 severe allergy problems and had been treated over five years by doctors. I didn't take any more shots. Now in 1986 I am still healed--Praise The Lord!

**Earline's Testimony About Grief Over Byron's Death**
I grieved over Byron's death and worried over my family. I became a dominating Jezebel, trying to fix everything for everyone except myself. This action tended to make everything worse, even creating more problems. I prayed and fasted a lot to get God to straighten them out, but forgot to ask for wisdom and understanding to straighten myself out. I did not follow I Peter 5:7-11. I would cast my cares upon Him but because there was no quick-fix, I took them all back and did not follow on to believe v.9, that after a while He would finish the work He planned in us. We would be established, secure, settled and strengthened.
I had been taught about good confessions. I confessed, until I was worn out, that the problems would be taken care of by God. Things got worse rather than better. I did not take scriptural care of my part of the problem. I was ignorant of the Bible's instruction so God could not act. I did not qualify due to ignorance and disobedience (Hosea 4:6). I began to say to God, "If I must go through this, please teach me all that I need to learn. I don't want to go through this over and over."

Grief is a normal reaction to loss or pain. It is not normal grief when two, five or ten years later, it is as great or greater then when it happened. Grief becomes rebellion when it controls our action to the point we do not obey God.

In John 10:10 we find out who wants to kill, steal and destroy us. The Devil never lets up when you have trouble; that's when he pounces the hardest through his demons.

**EARLINE'S DEATH**

**Gene's Testimony About Earline's Homecoming**

**Job's Test**

When Earline had kidney failure, the LORD impressed me to read the Book of Job in the hospital to Earline. We didn't realize that GOD was telling us that we were going to be put through a major test, especially Earline. We were at the height of our ministry but we did not spiritually discern what was happening. After Earline's death, GOD told Marie, our daughter, that He had put Earline through a seven-year Job's test for rewards in Heaven. Earline had suffered for seven years from kidney failure, kidney transplant and related problems from not having a naturally-functioning kidney. She also had a broken hip, two broken arms and a broken elbow. It seemed like she had one problem after another which never ended. It seemed many times that prayer or deliverance did not work. Now we can look back and see that GOD was allowing these things to happen to test Earline's faith.

**Hospital Experience**

We were told that Earline would be able to recover from fluid in the lungs. Marie and I started fasting for Earline after she had a near-death experience in the hospital. We had turned Earline over to GOD. We wanted His Perfect Will to be done. We told GOD that we would serve Him even if He did not heal Earline. Earline would not have wanted to be in a wheelchair. There were two times in the hospital that Earline seemed to indicate that she wanted to go and be with the LORD.

Many people came to comfort the family and to pray for us and Earline. Earline was anointed with oil, and healing and deliverance were prayed for her. There were other people around the nation and on the Internet that were praying for Earline. There was sufficient prayer power to heal Earline or to raise her from the dead.

The presence of GOD was wonderful in the hospital and the power of GOD was there to heal. We were having a prayer circle in the waiting room. GOD sovereignty chose to heal Marie's neck. She had injured her neck ten years ago when she fell off a horse and hit a
post. Spiritually you felt good due to the presence of the LORD. Physically you were crying for Earline as you watched your loved one die.

After death, we spent a day at home praying for Earline to be raised from the dead. Earline's spirit was with us until we finished praying.

Sometime after the burial, we had a family prayer meeting. GOD healed Marie of TMJ, a jaw problem, which had been bothering her for some time. He then healed Nat, my grandson, of allergies. GOD was showing us that He still healed people. He could have healed Earline or raised her from the dead, but He chose to take her to be with Him.

We kept waiting for Earline to sit-up in bed or sit-up in the casket. It seemed like our faith was high for GOD to heal and to raise Earline from the dead. We had a wonderful funeral celebrating Earline's homecoming. It was like no other funeral that I know about. The burial in the family cemetery plot was good with a gentle alter call made by Clyde, Earline's brother. Many good things have come out of Earline's death. There was reconciliation in the Moody and Chauncey families from previous hurts.

**The Perfect Number Seven**
The number seven was prominent in Earline's death. From kidney failure to Earline's death was seven years. Earline had seven different kinds of doctors trying to keep her alive. Earline was buried seven days after her mother was buried. Marie and I fasted seven days to Earline's death. Everything seems to indicate that it was GOD's PERFECT WILL for Earline to be taken to be with Him.

**The Future**
The LORD has told me to spend more time with my family, and to continue the ministry and the business. He said that He has a lot for me to do. I have chosen to be a spiritual eunuch, THE BRIDE OF CHRIST, and devote my time to THE LORD.

**Gene's Memorial For Earline**
**Persecution**

I want to honor Earline for her ministry and the persecution that she received primarily from Christians about deliverance. **Yea, and all that will live Godly in JESUS CHRIST shall suffer persecution** (II Tim. 3:12).

**Testimony About How GOD Taught Us Deliverance**
After Byron, our only son died, our marriage was breaking up and Marie, our daughter, was in rejection and rebellion because she felt that we did not love her. We were all
trying to recover from Byron's death. We fasted, prayed and sought the LORD for about two years for GOD to help us in our terrible situation.

One night, Earline told me that she threw her BIBLE across the family room into the corner and told GOD that she was going to quit Christianity if He didn't do something for our family. The LORD then appeared to Earline in a series of visions. A window shade came down and He told Earline to get me to pray deliverance. She argued with GOD; she didn't want me to pray or anyone else. Many people had prayed for us with no results. The window shade came down the second time and GOD repeated the command. Earline argued with GOD again. The window shade came down a third time; GOD laughed at Earline and told her, "Didn't I tell you to get Gene to pray deliverance?" She came back to the bedroom where I was in bed, but not asleep, and told me what GOD had said.

I made my arguments too about not knowing about deliverance and why not get our pastor to do it. Finally, I gave in and prayed in English and then in Tongues, The Heavenly Language. Then THE HOLY SPIRIT began to call out names of demons through my voice which then came out of us. Marie was in the next bedroom but she also received deliverance. The next day she was a smiling teenager. Deliverance saved our marriage and family, and began our ministry.

THE HOLY SPIRIT personally taught us basic deliverance, the families of Rejection, Bitterness and Rebellion, in the middle of the night in the middle of our bed. We did not learn from reading a book or listening to someone teach us. We did not receive any books or teaching by man until about six months after our supernatural deliverance by GOD. Then we heard Frank and Ida Mae Hammond teach about deliverance and discuss the book, Pigs In The Parlor. The churches we went to did not teach deliverance which was about a third of JESUS CHRIST's ministry here on earth.

People wanted to know what had happened to us; we were different. Then GOD began to send people to us for help. We knew very little about deliverance and GOD began to teach us as we helped others. That started us in a deliverance ministry about twenty-five years ago.

Earline gave her deliverance testimony in public. Women would look at her and say "She had a demon!" This was hard on her to be ridiculed in public. People began to talk about us in charismatic Christian circles. We were made fun of from the pulpit by pastors.

Persecution is harder on the woman than it is on the man. Likewise, ye husbands, dwell with them according to knowledge, giving honour to the wife, as unto the weaker vessel, and as being heirs together of the grace of life; that your prayers be not hindered (I Peter 3:7).

After Byron died in Minneapolis, we really started trying to follow GOD. We moved to Baton Rouge and went to many Christian meetings in our area to be fed spiritually.
We gave our testimony in public and became popular. After GOD taught us deliverance, we went from being two of the most popular Christians to two of the most unpopular Christians. We were no longer sought to give our testimony but were shunned. We were pioneers for the LORD to bring deliverance to the Greater Baton Rouge Area in our time.

It was very hard on Earline what people said about her. She decided that she would not say anything about deliverance to stop the talk. GOD spoke to her and said that if she denied her deliverance that she would lose it. She decided not to deny her deliverance but to speak about it as GOD directed.

Marie decided not to follow deliverance because of the persecution that we received. After Marie and Nathan were married, GOD brought her back into deliverance and then her family into deliverance.

What Satan fights hard against is the question, "Can a Christian have a demon?" The answer is yes, absolutely. Christians have many demons. Deliverance is growing around the world as the Church rediscovers what the early Christians practiced regularly.

At first, the LORD used deliverance to save our marriage and family. Then we began to help people in our home. Then we began to have meetings in homes, motels and churches. Then we started to go to Lake Hamilton Bible Camp for a month out of the year. We would spend about two months out of the year in the ministry. We did this until Earline had kidney failure.

After Byron had been with the LORD for about four years, we wrote our family testimony. Then the LORD led us to start writing the Deliverance Manual which took about twenty years to write. It took about a year of my life and a year of Earline's life to complete.

Out of our teachings came audio tapes, video tapes and booklets. These were sent around the world. We see the tip of the spiritual iceberg here on earth about what GOD is doing in our lives. I feel confident that GOD, through us, has helped thousands of people around the world. Earline has an equal share of the ministry and will get her rewards in Heaven.

Declaration

All the credit, honor and glory goes to GOD. We glorify THE FATHER GOD, JESUS CHRIST THE SON, AND THE HOLY SPIRIT. Finally, we honor Earline for her ministry, the persecution that she received, and the many people that GOD has used her to help. Her ministry will live on through her writings and teachings, and continue to help people around the world.

**EARLINE'S TESTIMONY**

**Earline's Main Testimony About Deliverance**

In July of 1975 I came into deliverance. **Do you know it is truly possible to have peace in your mind?** For most of my life, I was your average daughter, wife, mother and woman. In my mind there was never any real peace, only a sort of make-believe peace. I was not particularly moody, not often angry and not often depressed.

Life for me after I married was a continual move - new places - new people - new houses, all of which I enjoyed. Our homes were among the best and most beautiful around. Decorating them was a lot of joy for me. Taking my children to new places and introducing them to new experiences was exciting. We toured all of the U.S., Canada and Mexico. The greatest fun was watching the children enjoy all the new and unusual things we came across. Life was very exciting.

On May 22, 1973 we were devastated. Our son died from an accident at play. Now all of these lovely homes, beautiful furniture, exciting places, fun people and fun times seemed like trash. At this time we came to know the love of Jesus and the power of God. Never would we be the same again.

After five months passed, we returned south from Minneapolis. In Baton Rouge at the Full Gospel Business Men meetings, we heard about divine healing and the Baptism in the Holy Spirit; I needed both. In time I was healed of my allergies, bad back, etc. and got the Baptism in the Holy Spirit.

Gene and I went to meetings, testified and prayed for people, and saw miracles of healing and Baptisms. For about six months things went fine but as time passed, some attitudes and hurts began to show up and I was very unhappy, moody, and depressed.
I spent hours telling Gene how badly he had treated me. I came to believe he had done things that he had not. If you look at my previous statement, you'll see I enjoyed moving. One time when I was ill, I didn't want to move. The rest of the time I enjoyed it. So, I let myself come to believe that he moved just to hurt me and to make life bad for me. I accused him of shutting Marie and me out of his life since Byron died. Gene never knew what to expect when he got home -- maybe a frying pan on the noodle. No amount of Bible reading, prayer or fasting helped for more than a week or two at the most.

I was trying to help Marie who was going through all kinds of adjustments to her brother's death but only made matters worse. She also became full of resentment and hurt, and was bitter and angry.

Gene, Marie and I fasted, prayed and talked. I was fasting and praying that God would fix Gene up. I was so blind I was sure that I was perfect - well almost.

After a year or so, I was sitting reading Psalm 91. I had always loved it but suddenly like a bucket of ice water it hit me. The Psalm was not true for me. I had no peace, and was always angry and moody. I (when you are persuaded by the Devil to look on others as the problem) was even beginning to wonder if God was just being bad to me.

I sat on the couch and began to pray: "God if you don't help me tonight I am going out of church, and into the world for good". I told God that Gene is worse off than me; he's all of my problems. God just stopped talking so I started praying again the same prayer. God said again, "Get Gene to pray deliverance for you". I asked about having our pastors do my deliverance. God didn't answer; it was like he pulled down a shade or veil. Being one of determination I started out again "God I must have help tonight; if I don't get it, I flat quit. He said, "Get Gene to pray deliverance for you". God was not harsh, neither was he condemning. He seemed to be pleased that I had finally asked for help and really meant it.

I called Gene; he didn't seem particularly impressed. He also suggested the same people and the same excuses. But the best one was "I don't know what deliverance is; I don't know how to do that".

After some discussion, we decided to go to the bedroom and get in the middle of the bed. We were sitting facing each other, Gene starts praying, and my mind starts wandering. He prayed a while in tongues and started saying strange things such as, "You come out of my wife in the name of Jesus". One thing I remember well was that at the beginning when each demon was named, I had a thought, "I don't have that".

As he called out Rejection, its hurts and kindred spirits, I was being shown by the Holy Spirit how these spirits had gained entrance into me, and how they had checked and bound me in all attempts to be myself. Rejection kept me just short of my goals in life. Mostly it kept me from doing what God said to do due to a fear that the other person
would disagree or reject me and my idea. I always worked better and succeeded best in those things that I did alone.

Next came Bitterness; I never even considered myself bitter. But as he called out demons under this ruler, I saw hate, violence and anger. I had much trouble with temper. Not that I was always violent, on the contrary I was seldom angry to the observer. When I did get angry or lose my temper, my husband children usually found some other more suitable place to be.

At the naming of Rebellion, I thought I surely don't have this spirit. As he called it out again, I balled up my fist, drew back to back-hand him, and was consumed with a fit of coughing and mucus.

As this was going on, I was shown how there is only one real rebellion, and it is pointed toward God. Even if we say, "My husband just does not accept God's way so I am going to---". In the end when it's traced back, it is rebellion to God for God gave directions about how to live with an unsaved mate. If it is against circumstances, God says, "This is the will of God in Christ Jesus concerning you. In whatever circumstances, I am therewith to be content".

One of my rebellions was against circumstances. I had always had such lovely homes with rooms to spare, so that Gene always had an office, and I always had a sewing and craft room. When we came here, Gene bought a three bedroom house with only two baths. His reason was that I couldn't set up Byron's bedroom; I became bitter. I said, "Yes, but you still have your office; I don't have a room. You always get what you want." And I became more rebellious.

When I first moved here I didn't hate this house but little by little it crept up on me. At first it was just the things packed together. Then it grew until I hated the house twenty-four hours a day. Then my ingratitude reached other branches of my life. My wheels were the wheels of a camper truck. I didn't like the truck anymore. Next came Gene, and then living in this bug-infested hot climate with people who can't speak good English. Next the ungrateful person begins to blame others even if he sees it's as much his fault as the other persons. He lies to himself until in his eyes, at least, the other person is entirely at fault.

God showed me my attitude in light of His attitude letting me know that He could take even this house away; that He had provided it and I was ungrateful for His provision. Oh my, this really was sobering me up. After these three main ruler demons were cast out, I gave up if he called a demon out. I just agreed and became free of it.

I had a habit of getting my work done as fast as I could because I didn't like being in the house alone. So, I roved all over this town looking for plants and cloth to work on the house, but I never worked on it. I did a lot of visiting with other Christian women which is not necessary.
Since neither Gene nor I knew anything about this turn of events, I asked God to teach me so I wouldn't go backwards. I rather liked the changes in my mind and attitude.

I found Romans 12 contained my answer. In verse 2, I am told to renew my mind and attitudes with God's instructions. By doing this, I would prove for myself what is the good and acceptable and perfect will of God. In response to your obedience and surrender, God will help you change bad attitudes and habits.

Attitudes submitted to God's word will follow with actions of obedience.

In studying Eph. 5:25-32, I saw how my home was meant to show Christ's relationship with the Church. To my dismay, I saw it reflected my relationship with Christ. It was not a relationship to bring others to Christ.

I also saw how the Church is rebelling against Christ just as in our family members were in rebellion.

The morning after this experience I came down the hall to the kitchen and was greeted pleasantly by my daughter. Now, this was a surprise because she was not so pleasant at that time either. I noticed that she began to change. I asked God about this often and learned that my condition had put such a strain on her that she was being broken under it. I didn't tell her about my deliverance; I didn't know I should. She became a very obedient and joyful person. I began to enjoy Marie and not worry about her so much.

**Earline's Testimony About Rejection**

Rejection is the basic cause of abuse. All types of rejection work to destroy the mental and emotional health of an individual.

I had often wondered about certain problems I had: (1) an inordinate desire to please, (2) inability to say no to things I didn't want to do, (3) always setting goals, working hard to accomplish them and then stopping short of success, (4) always feeling I had to do things better than anyone else, and (5) trying to make everything around me and about me look better than I thought it was.

I cut off part of my finger in an accident loading a horse into a trailer. It was the first time I had need of a hospital in many years. I was put to sleep and my finger was sewn into my palm. The next day I was supposed to be quiet and take it easy.

For five years, I had been trying to help my mom get resettled after my dad's death. At times she would tell me what she wanted me to do and I would start to do it. Right in the middle of my doing it, she would suddenly, without telling me, change her mind and have one of my brothers doing an entirely different thing.

Two years ago I took her to Maine to see my brother. Back in Chattanooga she accused me of wanting and trying to kill her. This really puzzled me because I thought we got along very well.
After the operation, I was being still on the sofa praying. I asked God **Why can't I help mom? Why does she think I want to kill her?**

**I had a vision.** (Have you had visions?) I was standing in the room I had as a child. I was high near the ceiling. I was witnessing a terrible thing. A woman was beating, not whipping, a child. I went down to see who this was and to stop it; I saw it was my mom. I went beside the bed, bent down and looked; the child was me.

Thinking I was hallucinating because of the drugs from the operation the day before, I quickly decided to get up and get busy. One-handed work was hard to find, so I swept the carport.

My brother called me or I called him. Since I sounded a little funny, he asked what was wrong. I told him next time they could sew me up awake. Then I related this story to him. He was silent, then he asked me if I remembered that day.

He said he had told my dad that if my mom didn't stop beating me for no reason, he would kill her. The only words said in the scene were by my dad; he said to my mom that he would kill her if he ever heard of this happening again. I was not a small child. I was ten or twelve years old when the beatings stopped.

**For some reason, I simply cannot remember this today.** He thought her fear that I wanted to kill her came from the guilt for what she did to me.

**About eight to nine years before this incident, Gene and I had fasted and prayed for me for two years.** When I got the Baptism of the Holy Spirit, there was only initial joy. Immediately, I began to have more fears than before, my emotions were out of control and I couldn't think clearly. God does not give us a spirit of fear but a spirit of power, love, calm, well-balanced mind, discipline and self control.

**Neither of us knew about deliverance from demons, so God had to teach us.** After a long time of praying one night, Gene began to call out **Rejection, Rebellion, Bitterness, etc.** I was very different after this.

I had to learn how to stay free by studying the Bible. No one in our town believed a Christian could have a demon, so we had to rely on God and His Word.

**I was doing very well until the scene passed before my eyes and I learned of my early life.** Immediately, I began to have times of panic for no apparent reason. I was hostile. I noticed a panic when those who had authority over me were present. I would become fearful if a policeman came near me, and when the pastor or principal came into my school room. I felt I had to challenge Gene's decisions.
We prayed and felt that I needed more deliverance. Gene was led to call out the same things as before. **We realized at this point that we were working on my subconscious mind.**

**Earline's Testimony About Ancestral Background**
The following testimony will help you understand how the soul (mind, will and emotions) works. It will also show you how Satan attacks the physical body with demons by curses.

I have an Indian - English - German - French background. There are curses on each of these people. Indians worshipped demons; some English and Europeans were Druids - they worshipped Satan.

In innocence, my father participated in some occult practices: **wart removal** and water witching. From my father came curses of Masons and Indians. Physical problems came as a result of curses on Indian worship: inactive thyroid, female disorders and heart disease.

My father removed the warts from my brother by mountain medicine (witchcraft). This occult practice was something in the order of tying strings, going out under the drip of the eave and burying the strings. The occult practice removed the warts but he got spinal meningitis. **Apparently, a demon of spinal meningitis was swapped for a demon of warts.**

Satan doesn't give anything away for free; there is a greater price to pay. Spinal meningitis killed him. He went to Heaven and saw two siblings which had died early in life; God sent him back to earth. I had to nurse him back to health.

My mother was a paranoid schizophrenic with an Indian - English background. Her emotional illness caused me to need a lot of deliverance from emotional problems.

**Earline's Testimony About Heart Condition**

**Earline's Comments**
I had a heart condition which was unusual. It never occurred with regularity or under any specific condition.

God gave me a vision of a shaman or witch doctor at an elevated funeral pyre which was burning dead bodies. He was chanting and waving, and saying on the descendents and descendents. This was supposed to be a blessing, but in actuality was a curse, because Indians worship demons. This was a curse that came down on my family causing heart problems.

**Gene's Comments**
This is a sign of demonic symptoms of disease brought about by a curse. It doesn't follow the medical guidelines. All they can say is that it is inherited.
Earline's Comments
While taking a tread mill test, I experienced tremendous pain in the chest, arms and neck. I was examined by a heart specialist in Minneapolis who told me that my heart was good but he had written death by heart attack on many people's certificates like myself.

Gene's Comments
These were people who didn't really have anything wrong with their hearts physically but had a spiritual root to the disease. The prayer of faith will not heal a disease that has a spiritual root that must be dealt with as sin to be confessed. Then the curse can be broken and the person prayed for to be healed.

God is beginning to show the Christian world spiritual roots of various diseases. Pastor Henry Wright of Molena, Georgia is a pioneer in this area. Also Art Mathias who is in Anchorage, Alaska.

Earline's Comments
A year or so after my dad's death, I found my heart acting up again. Sometimes one to five years would elapse between seizures. I began to ask God to show me why my brothers, dad, dad's brothers and his dad had heart problems.

God showed me Exodus 20 and Ezekiel 18. He told me to repent for my ancestors and myself for the sin of idol worship in Leviticus 26:40-41. The curse of idol worship follows the blood line down to the descendants. I did these things and have been free from these attacks for over twenty years. I was only the second generation from previous generations of Indians that sinned before God.

Gene's Comments
You have to forgive your ancestors and ask for forgiveness for yourself. Earline took her older brother, Clyde, through breaking the curse and he is still alive after a heart attack.

Exodus 20 lists the Ten Commandments which are still applicable today. The scriptures about worshipping other Gods are verses 3, 4 and 5. This outlines the curse for idol worship which lasts three or four generations according to God's purposes. (Does anybody know why God curses some sins for three generations and some sins for four generations?)

Ezekiel 18 shows the equity of God's dealings with us. The sin of idol worship is defined as eating upon the mountains (in the groves), lifting up the eyes to the idols (worship), and not walking in God's statutes and judgments (disobedience).

This was a revelation of the sins of the ancestors that God gave Earline through prayer about why her family was plagued by heart attack and death by heart attack. This was primarily the men that were attacked but even Earline, a woman, was attacked. The revelation was the effect of the sins of the ancestors in her family coming through the Indians to cause heart problems and early death. The sin was disobeying the Ten
Commandments of having no other Gods before you, which is idol worship, that the Indians committed. Up to that time, we had never heard about the sins of the ancestors.

Earline had Cherokee Indian ancestry coming through her father and mother. We were raised in and around Chattanooga, Tennessee which was not far from Cherokee, North Carolina which had a demonic draw upon Earline. We were drawn to make a pilgrimage to the Smokey Mountains every year although we did not make it every year. In the fall, Earline would long to go to the mountains. After Earline was delivered from Indian spirits, she did not have that draw to go to the Smokey Mountains.

When you are a person of mixed races, you inherit the curses coming down through the different races, languages, customs, religions and nationalities. If you have Indian ancestry and are Caucasian, you receive the curses from the Indians and the Caucasians.

The curse would come from those ancestors that had sinned. This means that you can be cursed for ten generations (2046 ancestors) from both sides of your family.

Which of your ancestors didn't sin or that you know didn't sin? It is a good assumption that you have the curse of incest and the curse of the bastard on you. It could come from any of 2046 ancestors back to the tenth generation that sinned assuming it has not been properly broken. You will see the sin repeating itself generation after generation such as bastard after bastard.

We worked with one Indian woman who was a Christian. She had a hard time getting free of Indian curses and demons brought upon her by her ancestral lineage and sexual abuse. She was cursed by being an Indian and by incest which is very hard on a woman being abused by her blood relatives.

**Earline's Testimony About The Curse Of The Bastard**

Great grandfather marries great grandmother in church. All seems well; they have three children. Great grandfather dies. Great grandmother discovers she can not get his railroad pension because she is his fifth wife. My grandfather becomes very bitter and a little paranoid. My mom is paranoid and schizophrenic (like father - like daughter). She abused me physically.

Here are some of the problems created for me by this bastard curse. Never feeling at home in any church for long. Never feeling good about myself. Being ashamed for people to look at me even though I didn't know what I wanted to hide, overriding fear, striving excessively to succeed and stopping short of realizing the goal, fear of failure, fear of authority, resisting authority, fighting verbally and physically, demonic pressure to sexual activities, and not much joy in natural or spiritual life.

(Raise your hand if you were born out of wedlock (marriage). Raise your hand if you conceived a child out of wedlock. Raise your hand if your child conceived a child out of wedlock. Notice the continuation of the curse of the bastard.)
Earline's Testimony About Eating

1. I was sitting on the couch after eating a good breakfast. I had this urging to go and get more food, but I was not hungry. I asked The Lord why and He forced the demon within me to say, **My name is I Like To Eat, go and get me some food.**

2. After casting out the demon, **I Like To Eat**, I told God how I had tried dieting and I knew that was hopeless.

3. I was told **Obedience is better than sacrifice, and I knew how to eat but was not doing it. Plenty of fresh fruits and vegetables, not much meat and very little sweets is the basis of a proper diet.**

4. Asked if I'd do what I was told, I assured God that I would. He said that food can be divided into two groups: God's and Devil's. Devil's foods include sweets to excess, junk food, and liquids which are mostly empty calories.

5. It's not bad manners not to eat sweets or any other food when you know your body has not used up the last meal. I was intelligent enough to know if I truly needed food.

6. Here are the rules in summary:
   a. Eat fruits and vegetables; include leafy greens.
   b. Do not eat much meat - three or four servings weekly.
   c. Don't eat unless you truly need to.
   d. Don't let others stuff you.
   e. Seldom eat sweets.
   f. Almost never eat junk food.
   g. Remember those whose God is their belly.
   h. Cook all foods simply.
   i. Use little fat and cut fat from the meat.

Gene's Comments

1. Earline lost about seventy pounds and weighed less than she did when we got married and before she had two children. She weighed 100 to 110 pounds which was less than Marie, our teenage daughter, who had not had any children. It was like having a new wife!

2. Do you realize that the body has enough energy for you to fast for forty days? Marie fasted for forty days on water taking only vitamins, minerals and supplements.

3. You must take care of your spirit, soul and body. You can not neglect any part of your tripartite being and be in health. You can not neglect your body and expect God to take care of it or heal you every time that you pray. One of Earline's sayings is, **If you don't brush your teeth, God will let them rot out of your mouth.**

4. Healing and deliverance go hand in hand. You can get healed by anointing with oil and praying the prayer of faith, or by casting out demons of infirmities. The Lord told me to take a person through deliverance and then pray for healing. You have a double possibility of getting the person healed.

5. Sometimes the demon of infirmity manifests as it is being cast out and you know that there was an infirmity demon in the person. If the infirmity is there because of sin, you won't get healed by the prayer of faith, because the demon has a legal right to be there. You must take away the legal right and then cast out the demon.
Earline's Testimony About Maintaining Deliverance

The scriptural basis for giving a testimony is found in Rev. 12:11 where we overcome Satan by three things: the blood of Jesus, our testimony, and not loving our lives to the death. God told me that if I was unwilling to tell about my deliverance, I would lose it. And furthermore, if I was ashamed of Him and His provisions, He would be ashamed of me in Heaven.

In James 4:7 we are told how to make the Devil flee. We often quote part of the verse "resist the devil and he will flee from you". This gives us a false sense of security. The truth is you must first submit yourself to God. This is not a careless submission but true submission to God which requires us to read, study and obey the Bible. As we submit this way to God and then resist the Devil, he will indeed flee from us. God does not require us to know all the Biblical requirements before He will help us but we must be making every effort to obey all that we have learned, and be diligent about learning and applying more.

After all deliverances, some decisions must be made and never changed no matter how much pressure is applied to you from whatever source to change or go back to old sins. Here are some decisions which must be made: 1. Study God's Word and accept His principles as your own. 2. Discipline your life and accept responsibility for your actions and thoughts in the areas where you have been delivered. 3. Enter His presence with thanksgiving for all with which He has blessed you. 4. Joyfully obey God's direction even if you have to force yourself in the beginning.

The day after I received my main deliverance, I had an empty feeling and did not know what to do. My reaction was to ask God continually for direction.

We cannot do what God directs if we never apply His Word to our life. If we do not apply His Word to our thoughts and actions we are not truly subject to God. Therefore the Devil will not flee from us and we are only fooling ourselves if we think the demons will leave us alone. While we kid ourselves, the Devil and his demons eat our dinner and by the time we face the truth dinner is nearly over.

I learned that I didn't really know God's Word. I didn't know how to use God's Word or how to use my mind. I asked God to take my thoughts. He told me that He wouldn't touch my thoughts with a ten foot pole; that His thoughts were higher than mine and that I must control my thoughts bring them into submission to Jesus Christ (II Cor. 10:5).

I started marking everything that God said in the Bible in red. I found there is much said about the mind in Deuteronomy and throughout the Bible. Next I was impressed to underline every verse in the New Testament that told me something that I should do.

I soon realized that I really didn't know what I should think with my mind. It occurred to me that my mind is to be an instrument for my spirit's use and not the other way around.
The hands, feet, eyes, ears and body obey, so why not make the mind obey? To make the mind obey, I needed to know what to make it do.

I had to learn how to tell the difference between God's and the Devil's thoughts. The battleground for the Christian is primarily for his soul, not body or spirit. The demons want to re-enter through your mind.

See Romans 6:16-18. Do you not know that if you continually surrender yourselves to any one to do his will, you are the slaves of him whom you obey, whether it be to sin, which leads to death, or to obedience which leads to righteousness - right doing and right standing with God. But thank God, though you were once slaves of sin you have become obedient with all your heart to the standard of teaching in which you were instructed and to which you were committed. And having been set free from sin, you have become the servants of righteousness - of conformity to the divine will in thought, purpose and action.

How do we yield ourselves to anyone (God or Devil)? Is it not in the mind? A human always plays with sinful thoughts, then he acts it out. It is not by accident we sin. A lot of people do not want to accept the responsibility for their sinfulness and want to blame it on someone else. The only trouble with this idea is that God will not be fooled by it neither will your enemy, the Devil.

Temptation - 1 Cor. 10:13 For no temptation - no trial regarded as enticing to sin (no matter how it comes or where it leads) - has overtaken you and lied hold on you that is not common to man - that is no temptation or trial has come to you that is beyond human resistance and that is not adjusted and adapted and belonging to human experience, and such as man can bear. But God is faithful to His Word and to His compassionate nature and He (can be trusted) not to let you be tempted and tried and assayed beyond your ability and strength of resistance and power to endure, but with the temptation He will (always) provide a way out - the means to escape to a landing plane - that you may be capable and strong and powerful patiently to bear up under it.

This tells me temptation in common to mankind, therefore it is common for the Devil and the demons to use it. If they tempt us, we have not sinned. We have sinned when we enjoy and continue to invite the temptation, then yield and obey the temptation. It also shows we were not watchful for the escape route and we did not take it.

Situations around you will not necessarily change immediately now that you have changed. Just as you practiced obedience to the demons' words, now practice obedience to God's Word.

This is my first encounter with the Devil after I was delivered. Before I was delivered, I would get very angry and depressed when I cleaned house. At that time, we had wall-to-wall furniture. The living room was really badly cluttered. Each piece of furniture had to be moved to vacuum around it. I was happy and didn't hate this house anymore.
As I was vacuuming the living room, I dropped a table on my toe and was having trouble getting the vacuum nozzle under the sofa. I raised up and let out a loud "I hate this---". God quickly warned me that "life and death is in the tongue, and they that love it will eat the fruit thereof" (Prov. 18:21). God also told me at this time that He had given it to my family. If I didn't have an attitude of gratitude about the house and furniture, He could easily remove them from me. I knew that I must not complete the sentence or I would be back where I started from. I repented and repeated until I believed it, "I love this house and I thank God for it".

Another of Satan’s tactics is to use gradualism on us. He will give us a sin to look at and consider. He will cover it over with pretty lies (pretty young people smoking, never an old person dying of lung cancer). He will use rejection to trap you; he will never tell the true ending (where does illegal sex lead?). He knows that the more we see it, hear it and consider it, the more likely we are to give in to it. A good example of the use of gradualism is Humanism. Forty years ago it was very mildly given to people mainly by pastors and teachers. People considered it and accepted it because it was given by people they trusted. Not considering what was the basic theory behind it (worship of self - therefore idolatry), people allowed this theory to so invade them that now we cannot recognize it for what it is. Many of us say we are against it but we live by it instead of the Bible.

We do not recognize God's provisions for us. We think our life should have no problems or privations. We are not grateful to God for all. Deut. 28:47-48, Because you did not serve the Lord your God with joyfulness of heart and mind in gratitude for the abundance of all with which He had blessed you, therefore you shall serve your enemies whom the Lord shall send against you, in hunger and thirst, in nakedness, and in want of all things; and He will put a yoke of iron upon you neck, until He hath destroyed you.

This verse presents some interesting ideas 1. Are you having problems because you are ungrateful to God? 2. Do you know which problems are from God to help you learn to endure to the end or which ones are brought on because of being ungrateful? 3. Which ones have you invited by yielding to temptations of the enemy? If you will know the answer to these questions, you will have to seek God. He has promised to give wisdom to all who ask for it not wavering (James 1:4-8). If you ask God for wisdom and He gives you wisdom, you must not waver following His wisdom. For example: if you have been one to look at dirty magazines, God's wisdom tells you this will lead you to want to do what you see; then you must stop it. You may need deliverance for the demons you have let in plus you must change your habits. No one can change your thought life by casting out your demons. Casting out your demons is one of God's escape routes. To deliverance must be added by the deliveree, discipline of mind and action.

The best attack against habit, and the attempts of demons to trick you and get back in that I found was 1. to tell them to leave in Jesus' name once and 2. immediately take control of your mind. I would do it this way: I would tell them Jesus has given me authority over
you (Luke 10:19, Matt. 28:18-20), therefore I command you to leave me now. If I did not sense they were gone, I would say, "Since you are still here, I would like to read to you about what Jesus Christ has done for me." I would open the Bible to Matt. 26-28, Mark 14-16, Luke 22-24 and John 17-21 and read it aloud to them. Of course they did not want to hear of God's love and provision for me. The pressure they had placed on me and their thoughts were long gone but I would read on and bless myself in God's Word. Sometimes the pressure from the demons trying to get back in was strong enough that I would have to walk and read very loudly to them. I will still do this if I come under attack; it always works. After a time, you will be able to tell them the facts without reading it to them.

God also told me at this time that He had given it to my family. If I didn't have an attitude of gratitude about the house and furniture, He could easily remove them from me (Deut. 27:48).

My next attack was sent through people. When asked why I looked so much better and was losing weight, I would answer truthfully and say "I was delivered of demons and no, I was not dieting". If three people were present, you would get three distinct reactions. One would leave pronto, one would regard you as if you were radioactive, and one would grab your arm and want to know more.

Then you'd hear whispers - she had demons! They only talk about demons; do they worship them? They are fanatical; they believe there is a demon under every bush!

Next I was tempted to go back to some of my old habits of retaliation, etc. I must crucify the flesh - God said that vengeance belongs to Him (Rom. 12:19). I must not habitually sin or else I become the demon's house in that area again (I John 3:8-9).

Mental suggestions by the Devil must be put down. He will suggest a what if, could be or maybe. If this happens, what will you do (fear and more fear)? Unless you have facts to base your knowledge on, don't let the Devil play you along.

One of his tactics was to attack me about Marie: what if Marie can't adjust to her brother's death? Before deliverance, I would cringe in fear and worry. After deliverance, I learned to tell Satan that Marie can do all things through Christ who strengthens her; I can too!

You don't have to be perfect to give a word of encouragement, share an experience, help someone or even cast out a demon. If God demanded perfection, nothing would ever get done. I'm over fifty years old and I have yet to meet a perfect person.

You must have a total commitment to Jesus Christ. Rely totally on Him and His Word. Do these things and you will continue to get free and stay free. Don't be double minded: deciding and undeciding. Remember that a double-minded man is unstable in all his ways. Give very careful study to what you read in THE BIBLE and carefully compare it to the
thing you need to make a decision on. When you have judged it by the Biblical instructions, then don't waver.

I found a verse to put my temptations in prospective (Heb. 12:4). Begin reading at verse one which contains instruction on keeping pure. It suggests we strip off and throw aside every encumbrance and sin which so readily (deftly and cleverly) clings to and entangles us, and let us run with patient endurance and steady and active persistence the appointed course of the race set before us. Looking away (from all that will distract) to Jesus, Who is the Leader and the source of our faith (giving the first incentive for our belief) and is also its Finisher, (bringing it to maturity and perfection). He, for the joy (of obtaining the prize) that was set before Him endured the cross, despising and ignoring the shame, and is now seated at the right hand of the throne of God. Just think of Him who endured from sinners such grievous opposition and bitter hostility against - reckon up and consider it all in comparison with your trials - so that you may not grow weary or exhausted, losing heart and relaxing and fainting in your minds. You have not yet struggled and fought agonizing against sin, nor have you yet resisted and withstood to the point of pouring out your (own) blood.

If we are able with every temptation to resist to the shedding of our blood maybe, then we might have an acceptable excuse for failing to resist the Devil and him having to flee.

God will not make you over; He will work with you and help you. See Mark 16:20. A miracle is taking place as you go obeying The Word in the areas you have received instruction and deliverance.

A study of Matt. Chapter 5 will help anyone see just where they are missing it with their attitudes. It will inspire you to clear your mind of a lot of incorrect ideas and to broaden your understanding of the truth.

**Earline's Testimony About Schizophrenia Deliverance**

Schizophrenia means split mind (schizein = to split and phren = mind). I had a lifetime of mental and emotional tension. I was unable to decide what to do and see it through. I had many fears that something bad was going to happen. All of my life I had great fears of bad things happening: fears of failing and fears of people. I was often tense for weeks and I did not know why.

This is the earliest memory I have of going to school. I was so afraid of all the people I could not go into the school but hid behind the well house until my brother, Clyde, came and took me into the first grade. I was disoriented that day; strange feelings and fears tormented me.

I have very few memories from childhood below the age of nine or ten years. Generally speaking I lived in two worlds; home and away from home. I became very good at forgetting everything bad (parents' fights and my own troubles) that happened at home the minute I walked out the door. I felt more freedom and ease away from home.
At high school and college I had trouble with certain subjects like algebra and chemistry. They had things too similar for me to distinguish between them.

Both of these subjects ended in frustration and low grades for me. In my marriage I had some problems of accepting my husband as one who would provide for me, take care of me, and continue to love me. I was always expecting the marriage to end badly. After six years of marriage, we had a delightful son and two years later we had a beautiful daughter.

Double mindedness wears the person out, and frustrates and confuses him. Deciding, then undeciding stagnates a person. For example, my mom was here for a while; she couldn't be content for desiring to go home. When at home, she was pressed to stay somewhere else besides her home. When away from home, great fears filled her about the house. She was miserable and made those around her miserable (James 1:5-8).

**Earline's Testimony About Deliverance From Indian Curses**

What are the effect of curses? I had a heart condition which was unusual. It never occurred with regularity nor under any specific condition.

While taking a tread mill test, I experienced tremendous pain in the chest, arms and neck. Having been examined by a "heart specialist" in Minneapolis, who told me that my heart was good but he had written "death by heart attack" on many people's certificates like myself. These were people who didn't really have anything wrong with their hearts.

A year or so after my dad's death I found my heart acting up again. Sometimes one to five years would elapse between seizures. I began to ask God to show me why my brothers, dad, dad's brothers and his dad all had heart problems.

He showed me Ezekiel 18 & Exodus 20. He told me to repent for my ancestors and myself for the sin of idol worship in Leviticus 26:40-41. The curse of idol worship follows the blood line. I did these things and have been free for over eleven years. I was only the second generation from previous generations that sinned before God.

**MARIE'S TESTIMONY**

**Earline's Testimony About Marie's Salvation**

Some years ago, I had a scene flash through my mind. At the time of this revelation, I was thinking I was really serving God. I was so concerned with lost children. Many efforts and thoughts went into attempting to help others. Now, I know that God wants us to help others.

**But the Devil is so clever in convincing us that if we'll help others, God will take care of ours.** I have had pastors use this statement on me to get me to work in their vineyards - howbeit it was not God's vineyard. I awoke from my deception almost too late.
In this scene I was standing before God's throne. I was so proud of my life and expecting Him to really be pleased with me. I was standing there with a very large group of children I had been instrumental in bringing to the Lord.

I began to sense that something was very, very wrong. God seemed to be extremely dissatisfied with me. I heard this question, "Where is Marie?" I began to look for her feeling sure she was in the group. Finally I found her. She was not in the group. As she came around the edge of the group and looked up to God, I saw Him point the other way. (Parents, are you doing the right things with your children?)

I cannot tell you all the emotions I felt. All my pride was replaced with shame and failure. I heard that Marie was the only person I had been given responsibility for. She was given to me to love and guide but I had shunned what I had been given and had looked for something else to do. I was to have been her greatest rooter and one of her most important teachers.

I began at that point to repent (change directions completely and go the other way) and seek knowledge from God as to how I should perform on His job. I'd like to tell you that the problem was solved and that we all lived happily ever after, but that was not the case.

What was to follow was years of heartache and mental pain, but one day I noticed that things were just slightly beginning to get in correct order. A time period of probably ten years was needed for us following the leadership of the Lord to undo the works of the Devil in this area.

I had seen a glimmer of light and I was not going to let it go. My hand was on the plow never to let go again. I looked up every verse in the Bible about mothers and daughters, and began to correct my thoughts and actions. I must come into obedience to God if I was to see any change in our relationship. I also realized that I could no longer blame my failure as a mom on anyone but me.

These are some of the spiritual forces at work in this case: ignorance, dissatisfaction, rejection, irreverence for God, lack of natural affection, shirking God given duties, selfishness, lazy, arrogant, greedy for acceptance, generational gap, abandonment, bitterness and rebellion.

Our Testimony About Jesus Setting Marie's Broken Shoulder
One Sunday after going to church, we decided to get Marie's horse, King Fox, and go to the park. After enjoying an afternoon in the sun, we told Marie to ride back and stable the horse so that we could go to Sunday evening services. She rode thru the woods and we rode around the woods in our car.

When we got back to the stables, the horse was tied up and Marie was lying in a car. She had fallen off King Fox and broke her arm. Her face was white and her lips were blue. This shocked Earline and I, but we had the presence of The Holy Spirit, so we prayed for Marie; nothing happened outwardly.
After putting the horse in the stable and Marie in our car, we headed for home. We didn't know whether to take her to the hospital or to the doctor or to depend upon God for healing. As we rode back home, the Lord quickened this verse to my mind, The steps of a good man are ordered by the Lord: and he delighteth in his way (Psalm 37:23). I asked God to order our steps about what to do.

After we reached home, Marie sat in the car and felt the bones in her arm. She could feel the dislocated broken bones. We called our family doctor, but he was out and his backup was not to be found either, which was good because we sought The Lord about what to do, PRAISE GOD!

Earline said that one of us should be in the car with Marie. I said I would go and went back to my study to get the anointing oil. As I came out, Earline said, Go get your oil and pray for Marie. God had given us a Word of Wisdom, one of the nine gifts of the Holy Spirit, For to one is given by the Spirit the word of wisdom; to another the word of knowledge by the same Spirit (I Cor. 12:8).

We were familiar with anointing with oil and praying the prayer of faith. Is any sick among you? let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord: And the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him. (James 5:14-15). I then anointed Marie's forehead, held her hand of the broken arm, and we all prayed again. Her arm tingled and she could feel the bones moving within the arm, PRAISE THE LORD!

We then took her to the hospital where she was x-rayed and attended by a bone specialist. He was very talkative and showed us the x-ray. He could see a complete break thru the shoulder socket. The bone was perfectly set and a chipped bone was perfectly in place. We told him about praying for her arm and he said that it was unusual to see that type of break and not have to set the bone.

He put a cast just past Marie's elbow and said come back in three weeks. Earline and Marie prayed that she would be completely healed by then. He examined her and took another x-ray to prove she was not healed. PRAISE THE LORD, she was healed, the cast was taken off, and she rode King Fox three weeks after the arm was broken! Any doctor will tell you that it takes six to eight weeks to heal an ordinary break and longer for complicated breaks.

We had memorized a verse in church the Sunday before the accident, Behold I am the Lord, the God of all flesh: is there anything too hard for me? (Jer. 32:27). The answer naturally is, No!

Since then I have heard of three other cases where God set the bones, I personally know two of the individuals.
The Lord taught us a number of lessons:
1. Anointing with oil is important to Him.
2. Pray The Blood Of Jesus over your family everyday.
3. He will heal injuries as well as sicknesses.
4. Be ready to pray at all times.

To God be the glory, honor, praise and credit for everything that was done!

Marie's Testimony About Experience With Demonic Objects
Some friends of ours were ministers who went to Haiti. One time they brought us some
carved figurines as a gift. These statutes caused us strife in the family. Our daughter,
Marie, felt like there were eyes watching her as she walked across the room. The Lord
finally got our attention and we destroyed the wood figures. The wood would not burn
normally and finally I had to soak them in charcoal-lighter fluid. When they finally
burned, a green flame came out and shot toward us. These dolls were probably made by
Voodoo worshipers who blessed them so that they would be sold. After getting rid of the
statutes, the strife left our family.

OUR TESTIMONY ABOUT PSYCHIC PRAYERS
This is a vivid testimony of a pastor, his wife and their church about what happened when
psychic prayers were prayed for them.

This situation came about because the pastor taught the people about unforgiveness and
entered into deliverance. The families would not forgive each other for past offenses.
Some of the congregation did not want deliverance, and fled from the teaching and
ministering of it.

After the people left the church, they went to other churches and prayer groups. There,
they prayed for the pastor that God would make him get back into line and give up
deliverance. This is not a prayer to God but a prayer to Satan. Their prayers loosed
demons on the pastor and his family.

They were trying to control the pastor and his wife's wills. These were Jezebels that
wanted the church back like they had it before. They had controlled the church and the
pastor whom they called "Our Little Boy".

The demons manifested and knocked the curtains off the wall of the pastor's house.
One demon manifested and walked in front of our car as we were driving back
home that night after this visit. The demon looked like a half man from the waist down.
The purpose was to cause me to drive off the road and to kill us.

The Holy Spirit showed the pastor and his wife what had happened because of the
psychic prayers. They forgave the people that had prayed against them (about eighty
persons), broke the curses and soul ties, cast out the demons and sent them back to the
senders, and prayed for the people to see what they were doing wrong.
Many things happened to the people that left and prayed against the church. They suffered from divorce, family problems, sickness and death. As you can see, it is dangerous to pray psychic prayers and fight against deliverance.

**Gene's Comments**

There are angels and demons around us. I can not see in the spirit world but I know that they are here. Can anyone see in the spirit world? If so, tell us what you see. **You don't have to see demons to cast them out.**

PREFACE
Either I coined a term for us or the Lord spoke into my spirit, God's Little Trouble Makers. I took the Dale Carnegie Course which teaches you how to win friends and influence people. Then the Lord gave us a ministry which is unpopular and controversial; exactly the opposite of winning friends and influencing people. We stir people up to help them. We have caused many Christians consternation because of their lack of belief in deliverance and how they interpret the Bible. This lesson will touch the lives of many people because of their vanity and weaknesses. Most preachers want to give you the good news of what God is going to do for you. We tell you what will happen if you do not follow the Bible. Sin will reap its harvest. I have not fully researched this lesson but you can see that the ramifications are far reaching in the ways that our lives are affected. Think about why people treat their hair the way they do, why people dress the way they do and why people act the way they do. Think about this lesson in the spiritual, mental, physical and material realms.

FREEDOM OF CHOICE
God gives us a freewill to choose our course in life. As such, we must give others a freewill to do as they please in things such as dress and hair styles. It doesn't matter whether it is our personal preference; it is not our life. Even if it is contrary to the Bible, the person still has a right to choose between the world and the Word of God. They will reap the good or evil from their actions.
JESUS CHRIST
Isa. 50:6: Jesus Christ looked like the other people of his day and probably had long hair and a beard. We don't have any pictures of Him but we have the customs of His day retained in history. They did have razors in those days and it was probably easier to shave than to trim their long hair.

REJECTION
If a person can not accept themselves as God made them and as they grow older, their problems probably are rooted in rejection. Many times the roots start with their parents. Most of women's rejection can be traced to how they have been treated by men in their lives: grandfathers, fathers, brothers, husbands and sons. The fathers have the strongest influence on their daughters' lives.

BITTERNESS
If a person has become rejected, they will tend to become bitter against those who rejected them. When a person becomes bitter, they will tend to become rebellious against those who rejected them or against society.

REBELLION
A common sight nowadays is a boy or man with long hair like a woman. Sometimes this is a sign of vain glory. Most times it is a sign of rebellion. Many times you can recognize why the person has long hair. If the person is in rebellion, check to see if they were rejected, became bitter and then entered into rebellion.

INHERITED CURSES
Baldness can be a curse that has been handed down through the generations. Some people say that baldness comes through the mother. If you see a family that has generations of men with premature baldness at an early age, that family probably is cursed by the sins of their ancestors. Check for familiar spirits if there is no disease and treatment such as cancer with radiation treatment which causes a loss of hair.

DISEASES
Some diseases can cause loss of hair on the head. If a person has a disease in this category, take the person through deliverance and then pray for healing of the disease and baldness. God is known to do creative miracles and may completely restore the body and hair.

PRIDE, EGO AND VANITY
Prov. 6:16-19: The driving force behind many of the actions of men and women is self or pride, ego and vanity for self. God hates pride because it causes so much trouble for the human race. It interferes with our relationship with God because we want to be Gods or to have our own way. Earline said that we should call this lesson Vanity.
FEARS AND INSECURITIES
For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind (2 Tim. 1:7). Repeat this verse three times; it will make you feel stronger. God gave us spirits of power, love and sound mind. All fear comes from Satan.

Many people in the ministry and in public life are driven by fears of different types. Fears of ministers mainly deal with retaining their positions or ministries. Fears of the congregation mainly deal with retaining their jobs in their companies. Psychiatrists have cataloged at least 210 phobias which are fears.

Insecurities are found in many areas such as inferiority, self pity, loneliness, timidity, shyness, inadequacy, ineptness, etc. When we are insecure, we are looking for something to make us feel all right in that area of weakness.

WHIPSAAW DEMONS
There are emotional demons that cooperate with each other to whipsaw the person from one extreme to another. For instance, take pride and insecurity. The demon of insecurity will drive the person to do some act to be prideful. Then the demon of pride will cause the person to feel insecure. The whipsaw goes back and forth and the person is never allowed to fell all right for long.

BEARDS AND BALDNESS
Many men have beards because they are going bald. They think this helps to make up for lack of hair on the top of the head. This probably indicates insecurity or vanity brought about by feelings of not fully accepting themselves or trying to impress others by being something that they aren't. If the Holy Spirit wanted all men to grow beards, there would probably be a general impression to that effect at least in the Christian community.

TRYING TO LOOK YOUNG
Another one of my objections is that the men preachers have to look young and act young to maintain their positions of leadership. Women have to follow suit to maintain their husbands and their respect. There is much pressure in the world of advertising for looking and acting young. This is ridiculous before God and in the Christian community.

Lev. 19:27 and Prov. 16:31: I believe that the Bible honors the grey-haired man who has wisdom and understanding to impart to the members of his congregation and is living a righteous life. Therefore, I don't believe in dying the hair to hide the gray strands to look young.

CHRISTIAN FANTASY
Deliverance brings you into the ultimate reality of God's truth. God is total truth and there is no fantasy in God. One of the problems we have in charismatic circles is Christian fantasy which is really lies in the guise of Christianity. I would like to paraphrase Jack Harris, Sheep in wolves clothing; watch their tracks.
**FALSENESS**

I object to anything that is false such as playacting, put on, theatrics, affectation, pretension, sophistication, etc. When you try to change your body and be something that you aren't, then you are entering into some degree of falseness.

One of the problems that women have is trying to be super spiritual so that they will be accepted and feel good about themselves. Women tend to have problems with accepting themselves as women because they think that the men have a better life. This can lead to fleshly prophesy out-of-the-mind, wanting to lead, mouthing spiritual sayings that are not Biblical, etc. to be noticed and to be seen.

We have had some experiences with women who have done a lot of prophesying in the church and to people. A friend of mine got into a position where she had words for people. At one point, she told her husband that he would die before the year was out. He did not die but was in good health. When her words began to fail, she asked me what should she do. I told her to come up to Lake Hamilton Bible Camp and we would all stone her. That was the prescription for making a false prophecy in the Bible. In the Old Testament they were told to stone a prophet if his words did not come to pass and also not to fear them. If we thought about the serious responsibility a prophet has, we would not say anything in prophecy unless we had no doubt God said it. God does not like falseness.

Why do women think they are not as good as men? When we go back to Genesis, we find that the woman took and ate. When she gave to her husband, he took and ate, and then all the bad stuff happened. Adam blamed it on Eve. If you take notice, the bad stuff happened only after he ate. In I Tim. 2:14, we see that Eve was deceived but not Adam. This means Eve was sure she was making the right decision. Adam knew the true state of their action and chose to do wrong. From there until today, women have been the brunt of men's jokes. This is still so strong in some countries today that if people have a girl child and they don't want it, they let it die or kill it. We have come from a long line of rejection so we are conditioned to reject ourselves. When you find yourself doing things a little out of line, give some thought to what your motive is and what are you hoping to gain.

**FEMININE PREACHERS**

Some men preachers sound, look and smell like women; this turns me off. In the Bible, the man and woman clearly have different roles and should look like different sexes. Men should be masculine and women should be feminine. The pressure of humanism and the new world movement is turning men into women and women into men.

**WOMEN**

Isa. 3:16-24: The following is the Moody Paraphrase based on the experiences of deliverance ministers. *The daughters of Zion are haughty. The Lord will smite with psoriasis. He will discover their secret parts with female diseases and burning. He will take away their bravery and give them fear. Instead of a sweet smell there shall be the stink of cancer and rotting flesh. Their clothes will be sackcloth and torn; their head shall be bald.* See Isa. 3:24, 1 Cor. 11:15 & 1 Tim. 2:9.
I Cor. 11:3-15: Paul reproveth them, because in holy assemblies their men prayed with their heads covered, and women with their heads uncovered. The woman's hair is given as a covering. Some people believe that a woman should have a scarf or hat on her head when she is in church and especially when she is ministering to the congregation.

The covering in this passage is not the husband but an actual covering for the head. It is a covering to show that the woman has chosen to submit to her husband. You realize, of course, that the covering is not proof of proper submission, but proper submission is a choice of the heart and mind of the woman.

Pat Forman had this experience once when she was to speak with Reggie Foreman. She was in the shower getting ready to go when her head become frozen looking up at the ceiling. She asked in prayer what was going on and was impressed that she should wear something on her head as a sign of submission to her husband. They looked up these scriptures and decided she would wear a barrette in her hair as a sign that she was choosing to submit to his leadership.

1 Tim. 2:9-15: These passages discuss how women should be dressed and what manner they should conduct themselves. 1 Pet. 3:1-6: Peter teaches the duty of wives to their husbands. The Bible clearly teaches that it is not the outward part of woman that is important but the inward part of her soul and spirit that God sees. The same could also be said for the man.

Our daughter, Marie, worked as a waitress while she was in college to help pay for her education. She noticed that the women in business had problems with loosing their hair in baldness.

Likewise, ye husbands, dwell with them according to knowledge, giving honour unto the wife, as unto the weaker vessel, and as being heirs together of the grace of life; that you prayers be not hindered (1 Pet. 3:7). God made women weaker physically and spiritually than the men. The men are to be stronger and provide for the women.

When a woman tries to usurp the role of her husband or tries to act like a man, she opens herself up to masculinity problems and demons. She may begin to have problems of baldness which is common to man but not woman. She may begin to look, act, talk and have the mannerisms of a man. She may grow excessive hair on the face while losing hair on the top of the head.

Some women preachers try to act like the men preachers to gain acceptance. They begin to take on the characteristics of men preachers. It is readily apparent when a woman is masculine. The woman is not sure whether she really fits into the role of preacher in the predominately man's world. She tries to compensate and become one of the boys and get accepted into the men's club.
Many times the profession of the woman stems from trying to please her father who wanted a boy or having a husband that didn't properly provide for her or having other men mistreat her. A woman ends up in a man's profession frequently because she has not been properly treated as a girl and then as a woman.

Women need to be very careful and watchful over their motivations. God does not look at the outward show but He reads what is in the heart. You may sit in this congregation and do all the correct outward actions but God is not impressed unless the heart and mind are correct.

Women wearing make-up comes from the occult. The women in Egypt were expert in the use of make-up. It was a part of the life of the women at the time of the Tower of Babel. Today women make their eyes in the same manner as the Egyptians. The Hebrew women then did not use make-up; even today they are modest in it's use. Women usually wear make-up because they hope to gain some advantage, manipulate somebody or because they feel rejected.

I suffered from rejection for many years of my life. I was often manipulated into doing things I didn't want to do because I wanted someone somewhere to like and approve of me. If your purpose for your manner of dress is to attract followers, you are in witchcraft. This is true also for you fellows.

II Kings 9:30-35: Jezebel was a beautiful person on the outside and she must have kept herself very beautiful. She has suffered through the sentence placed on her husband her children, and she is now alone in the castle. Jehu has been anointed to destroy her. She hears him coming, thinking she will just do her usual thing (seduce him). She paints her face, beautifies her head and looks out the window hoping to stop God's sentence against her.

Jehu was not impressed and carried out his instructions. She was thrown out the window, run over by horses and eaten by dogs. Once we had a young lady begin to scream, Stop the horses, stop the horses. She was holding her head in her hands and trying to protect herself. We thought this strange and looked this scripture up, II Kings 9:30-35.

Our motives will show up in our reasons for what we do and this is what God sees.

**ASK YOURSELVES SOME QUESTIONS**

Why do you need to hide the wrinkles? Why do you need to look better? Apparently, you feel like you look better (younger) and feel approval (about yourself). Earline and I have a tendency to examine everything. Was it the Holy Spirit or another spirit that talked to you?

**PERSONAL PREFERENCE**

I never have been impressed by long hair or beards on men. I prefer short hair which is easy to maintain. I don't like the beards which scratch and have to be cut periodically.

**GENERAL**

I am a serious person about the Lord. This is a serious lesson. I will try to start off on a humorous note. **Fools rush in where angels fear to tread.** Earline and me rush in where preachers fear to tread. We have discussed starting an organization called **Cowards for Christ.** We could even have a chapter called **Cowardly Preachers.** We could have millions of members.

Now back to a serious vein. Paul said that he declared the whole truth to the people in his day. That is what we should do in these modern days. How many of you believe that you should avoid the hard sayings of the Bible? I want to talk to you about an area that most preachers shun. It is hard on men of God as well as women in general. I don't have the preachers' problems about you leaving the church if your ears are not tickled or quit giving to the church if your toes have been stepped on. **One of the hard sayings of the Bible is that drunkenness and gluttony are the same!** You will either love or hate us.

**AMERICANS MUST CHANGE THEIR EATING HABITS!**

Jeanne Paul, Nurse Anesthesiologist, sent us the following horrible statistics about illnesses that are happening to modern men, women and children because of the way they eat. **Do you live to eat or eat to live? You can not eat like the Devil and live like the Lord.**

1. 80 million Americans are overweight. 30 million are obese (20% above ideal weight). 30 to 50% of these are Christians. 50% of males over 30 and 75% of females over 40 are overweight.
2. Some chronic conditions comparing normal to overweight people follow:
   **Cholesterol gallstones are 300% more frequent.**
   **Toxemia of pregnancy is 700% higher.**
   **Infection of urine collecting part of the kidney is 500% greater.**
   **Diabetes Mellitus is 400% more common.**
   **There are more maternal deaths.**
   **Infections are 200% more frequent.**
   **Postoperative mortality is 250% greater.**
   **High blood pressure is found 250% more frequently when you reach age 45.**

3. Over consumption of meat, fats, sugar, cholesterol, salt and alcohol have been linked with a higher incidence of six of the ten leading causes of death in the U.S.: heart disease, cancer, strokes, diabetes, arteriosclerosis and high blood pressure.

4. Turn of the century Americans were eating 4 pounds of sugar a year; today we consume 130 pounds per person per year - some statistics put it as high as 200 pounds because of the different type sugars being added to most prepared foods.

5. Readers Digest, September, 1987 stated that Americans eat 3 million gallons of ice cream per day and 3,000 tons of candy per day.

6. 20% of the American diet is now sugar. At the turn of the century there were very few diabetics; now there are 10 million with 600,000 new cases annually.

7. 20 years ago they never heard of hyperactive children; now there are 1 million.

8. Many pre-school children have rotted-off teeth.

9. At the turn of the century, people died most often from bacterial-type disease. Now they are dying from degenerative disease: diabetes, cancer, heart disease and strokes. Then 1 in 13 had cancer, now 1 in 3 and by 1990, 1 in 2. The age of chronic disease onset is much earlier.

10. The annual death rate from hardening of the arteries and degenerative heart disease in the U.S. for men age 50 to 59 is the highest in the world. Many accident victims and young men killed in Vietnam had the arteries of 55 to 60 year olds. The most common surgery in men under 55 is coronary by-pass surgery:
    **2 to 5% die on the operating table.**
    **42% are back in two years for more heart surgery.**
    **47% are dead in 5 years.**

11. There are now more children born with plugged arteries and children having heart attacks by age 5 to 6 years.

12. In 1912 the first heart attack was reported. Now 1 million Americans have heart attacks per year and spend 5 billion dollars trying to recover. Heart disease is not world wide. South Africa has to import American doctors to teach them how to treat tourists who have heart attacks.

13. Metropolitan Life Insurance Company has shown that a man 45 years old, who increases his weight by 25 pounds over standard weight, reduces his life expectancy by 25%, i.e. he dies at age 60 instead of 75.

14. Every pound of fat you add to your body forms and must nourish approximately 3/4 mile of blood vessels and flush them with blood every 5/6th of a second. The extra burden on the heart has statistical results as follows:
    **70% of the new cases of hypertension are directly attributed to weight gain.**
For every 10 pounds a man puts on, his blood pressure raises 6.5 points systolic (top number).

30 million Americans have high-blood pressure.

15. The American Cancer Society says that at least 60% of cancer is diet related. 90% of colon cancer could be avoided with fiber. Breast cancer can be greatly reduced by lowering sugar, fat and caffeine consumption.

16. The American Heart Association suggests the percent of calories from fat must not exceed 25 to 30%. The average for Americans now is 40% and some think much higher.

17. People are misled by the polyunsaturates in margarines and oils. You must look for hydrogenated on the label which is simply eating plastic. The only way the body can handle this is to deposit it in the arteries.

18. 30% of American women have osteoporosis and that is a world record. Many factors are involved such as low calcium intake, birth control pills, less weight-bearing exercise and higher consumption of phosphoric acid (the fizz in pops). The onset of this disease is much earlier after the 30's and even some men are developing it.

EARLINE'S TESTIMONY ABOUT EATING

1. I was sitting on the couch after eating a good breakfast. I had this urging to go and get more food, but I was not hungry. I asked The Lord why and He forced the demon within me to say, My name is I Like To Eat, go and get me some food.

2. After casting out the demon, I Like To Eat, I told God how I had tried dieting and I knew that was hopeless.

3. I was told Obedience is better than sacrifice, and I knew how to eat but was not doing it. Plenty of fresh fruits and vegetables, not much meat and very little sweets is the basis of a proper diet.

4. Asked if I’d do what I was told, I assured God that I would. He said that food can be divided into two groups: God's and Devil's. Devil's foods include sweets to excess, junk food, and liquids which are mostly empty calories.

5. It's not bad manners not to eat sweets or any other food when you know your body has not used up the last meal. I was intelligent enough to know if I truly needed food.

6. Here are the rules in summary:
   a. Eat fruits and vegetables; include leafy greens.
   b. Do not eat much meat - three or four servings weekly.
   c. Don't eat unless you truly need to.
   d. Don't let others stuff you.
   e. Seldom eat sweets.
   f. Almost never eat junk food.
   g. Remember those whose God is their belly.
   h. Cook all foods simply.
   i. Use little fat and cut fat from the meat.
GENE’S COMMENTS
1. Earline lost about seventy pounds and weighed less than she did when we got married and before she had two children. She weighed 100 to 110 pounds which was less than Marie, our teenage daughter, who had not had any children. It was like having a new wife!
2. Do you realize that the body has enough energy for you to fast for forty days? Marie fasted for forty days on water taking only vitamins, minerals and supplements.
3. You must take care of your spirit, soul and body. You can not neglect any part of your tripartite being and be in health. You can not neglect your body and expect God to take care of it or heal you everytime that you pray. One of Earline’s sayings is, **If you don't brush your teeth, God will let them rot out of your mouth.**
4. Healing and deliverance go hand in hand. You can get healed by anointing with oil and praying the prayer of faith, or by casting out demons of infirmities. The Lord told me to take a person through deliverance and then pray for healing. You have a double possibility of getting the person healed.
5. Sometimes the demon of infirmity manifests as it is being cast out and you know that there was an infirmity demon in the person. If the infirmity is there because of sin, you won't get healed by the prayer of faith, because the demon has a legal right to be there. You must take away the legal right and then cast out the demon.

CONCLUSION
You can be healed by God or cured by a doctor. You can mentally discipline your body. Your demons can be cast out in the name of Jesus. You can ask God to help you control your weight. **There are no excuses (mentally, physically or spiritually) for being overweight in the Bible!**
